

## TDES Weekly Updates 2018-19 9.14.18

### Retirements and Separations

Any CTU Bargaining Unit member (teacher, paraprofessional, RSP) who submits his/her irrevocable letter of separation effective after the completion of the 2018-2019 school year will be exempted from completing all remaining events of the TDES evaluation system. In addition, eligible participants will also be exempt from completing any Student Learning Objective (SLO) or other Student Growth Measure requirements. While you will still be required to administer all assessments to your students, you would not be responsible for completing any of the additional components associated with Student Growth Measures.

Any CTU bargaining unit member who has already provided an irrevocable letter of separation upon conclusion of this contract year or who chooses to submit his/her irrevocable letter of separation by the close of business (5:00 PM) **on November 30, 2018** will be eligible for the program. Professionals will be archived once board approved.

### Invalid Credentials

Please note that passwords are expiring. If you receive an “invalid credential” error message when logging into the portal, please update your password on a district PC. Log off the computer, log back on and put in credentials, then click control, alt, delete. This will prompt the update. **Do not** contact the tech department help desk. Megan Scully can assist you with this process if needed.
