## RAISING HIGHLY CAPABLE KIDS

One class each week – 13 weeks

**Raising Highly Capable Kids** program provides parents with an interactive, practical and hands-on tool to engage and build community with other parents. Through relevant stories and exercises, parents will learn about Search Institute's 40 Developmental Assets – essential building blocks that can maximize their child's potential and empower the whole family.

Visit [RezillientKidz.com](http://RezillientKidz.com) to learn more.

no class on Wednesday, March 28

## LINK EDUCATION PARENT BOOK CLUB

One class each month – 4 months

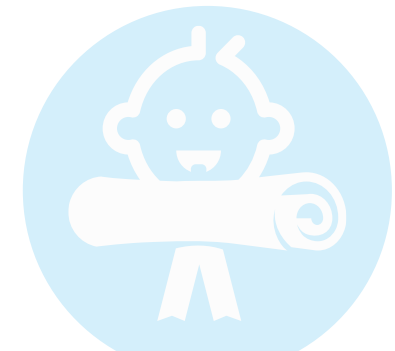

**LINK Education Consulting** will lead book clubs where parents have the opportunity to read and respond to literature with the same strategies their children are exposed to in the classroom, enabling them to dialogue with them using the language of school. Parents will model the joy found in reading a great book.

Visit [Link4Schools.org](http://Link4Schools.org) to learn more.

**Robinson G. Jones** Thursdays at 4:00 – 5:00 p.m.
