

School Health Program

The clinic is open to all students from the school as long as there is a signed consent form on file. There is no cost to families or students to come to a MetroHealth School Health Program Clinic. In fact, you don't have to be a current MetroHealth patient.

Services Offered by Clinic

- Sports/school/work physicals
- Immunizations/shots
- Urgent care visits
- Care for common health concerns (asthma, diabetes, etc.)
- Well child visits
- Teen health issues
- Mental and behavioral health screenings and referral to in-school services
- Basic lab testing
