SCHOOL HEALTH PROGRAMS CONSENT FORM

I, _____, (the "Parent/Guardian"[1]), in connection with my child, _____(the "Student/Child"), participating in the School Health Programs, agree to the following:

The purpose of this Consent Form is to allow parents/custodians/emancipated minors/students over the age of 18 to:

(1) give informed consent for your child to participate in and receive treatment from a MetroHealth and/or Neighborhood Family Practice physician or healthcare provider through its School Health Program;
(2) acknowledge responsibility for the payment of charges and fees not covered by insurance;
and
(3) enroll your child in MetroHealth Pediatric Wellness Center's nutrition and fitness in –school and after-school classes.
(4) give permission to release your child's protected health information ("PHI") from The MetroHealth System (MetroHealth) and/or Neighborhood Family Practice to the Cleveland Metropolitan School District School Nurses.

1. **Informed Consent for Treatment**

The Parent/Guardian consents for your Child to receive necessary and/or advisable medical treatment from a MetroHealth and/or Neighborhood Family Practice physician or healthcare provider through MetroHealth's or Neighborhood Family Practice's School Health Program. Such medical treatment may include, but is not limited to, physical exams, and immunizations (shots), routine lab tests, care for acute illness and injury, prescription medications, care for common pediatric/adolescent physical concerns (weight, acne, menstrual problems), care of certain chronic conditions (such as asthma, seizure disorders, or diabetes), pregnancy testing, diagnosis and treatment of sexually transmitted infections, drug and alcohol prevention, education, counseling, mental health assessments, and follow-up care as needed.

2. **Agreement of Financial Responsibility**

If applicable, MetroHealth and/or Neighborhood Family Practice will bill your Child's insurance carrier(s) for charges and fees covered by your Child's insurance plan. Parent/Guardian agrees to provide complete, accurate and timely information relating to any available health insurance in order for MetroHealth and/or Neighborhood Family Practice to seek payment in a timely manner. Parent/Guardian understands that a failure to provide complete, accurate and timely information, including any changes in insurance coverage, may prevent the provider from complying with the administrative rules of your Child's insurance plan. Parent/Guardian may obtain a list of usual and customary charges from MetroHealth and/or Neighborhood Family Practice upon request.

3. **Participation in Nutrition and Fitness Classes – METROHEALTH PROGRAM ONLY**

If your Child attends a school serviced by MetroHealth, Parent/Guardian agrees to enroll your Child in additional in-school and after-school nutrition and fitness classes to help your Child maintain or reach a healthy weight and lifestyle.

I, PARENT/GUARDIAN, CERTIFY THAT I HAVE READ THIS CONSENT FORM AND THAT I HAVE RECEIVED INFORMATION ON THE PATIENT BILL OF RIGHTS AND RESPONSIBILITIES, INCLUDING THE PROCESS FOR FILING A COMPLAINT OR GRIEVANCE.
