NATIONAL MERIT
SCHOLARSHIP CORPORATION

2016 PSAT/NMSQT $^{\circ}$ Fact Sheet

 A comprehensive assessment program that measures college and career readiness and provides students with the tools they need to start planning for the future. Used by National Merit Scholarship (topically, entrants are in their third year of high school). Measures skills in three academic areas: reading, writing and language, and math. Rigorously developed and reviewed by experts and content specialists to ensure that test questions are fair for all students. An integral component of the SAT Suite of Assessments, a acrise of assessments that also includes the SAT[®]. A now-cost solution for schools and districts interested in measuring performance, improving outcomes, and bilding a college-going culture. Improves teaching and learning: A clear, easy-to-use online reporting portal allows educators to analyze data and visualize results across the entire SAT Suite of Assessments and prescribe interventions when students are ahead or behind. Scores in specific content areas are tide to state standards. Also included are benchmarks that indicate whether students are on target for college. Increases participation in the Advanced Placement Program "(AP'): The online AP Potential "tool identifies students likely to scores in specifical SAT Practice powered by Khan Academy. After receiving their resolutions likely to scores, in specifical SAT Practice powered by Khan Academy. After receiving their PSAT/IMISCI and PSAT 10 because of the close adigment of the test (suppretise org). Provides entry into scholarship programs: The PSAT/INMSCI more for satis standards. Way any choose to receive their answer scholarship rograms. The PSAT/INMSCI more for satis standards. Provides entry into scholarship programs: The PSAT/INMSCI more for satis suppretise.
