Dress Code Infractions

Remember that our primary goal is to keep students in class.

We NEVER want to single out or embarrass a student in front of their peers.

Follow the steps below if students are out of dress code:

Step 1: Talk to the student in private (i.e., the hallway) to address the situation. Refer to the Dress Code poster to directly reference the rule being broken.

Step 2: Ask the student if they have appropriate clothing with them that they can change into.

1. If the student does have a change of clothes, ask them to change & return to class. Please give them a time frame!
2. The office does not need to be contacted.
3. If the student does not have a change of clothes, proceed to Step 3.
4. **Step 3:** Contact the office to let them know you are sending a student for a Dress Code infraction. You can call the office or text Mr. Blythewood.
5. Inform the office of which rule has been broken.
6. Do not send students to the office without informing the office or administration.
7. **Step 4:**
8. The office will receive the student & a member of the administrative team who will address the Dress Code infraction. The student will be asked to call home for someone to bring a change of clothes.
9. If the student does not have a change of clothing, the student will wait in the office or PC until clothes arrive, or the team will provide a change of clothing for them.
10. The students will change clothes & will then return to class.
11. The office will inform the teacher.
