

East Technical High School

2439 East 55th Street, Cleveland, Ohio 44104

Dr. Temujin H. Taylor and Tiffiany L. James, Co-Principals

Greetings East Tech Scholars and Families:

We want to officially welcome all of you to the 2021-2022 school year! We hope that everyone has been healthy and safe and is ready to move forward into another exciting year of learning and growing.

Every staff member has been working very hard to prepare for the return of our scholars to the building. We know that the beginning of this school year will be an exciting time as many of our scholars have not been in a school building in over a year. Our teachers and staff members have attended professional development trainings and are prepared to implement many new teaching strategies and resources, aligned to Ohio's Learning and CTE Standards, ensuring a personalized learning experience that meets the needs of all scholars. We have set very high expectations and have made plans to guarantee that every scholar at East Technical High School will be successful, this year. All classroom instruction will be integrated with technology. Scholars should bring their laptops to school with them, every day. We will guarantee that all scholars are equipped with laptops, should they be in need of one. Student academic success is the main goal of every staff member. We believe ...Every Minute. Every Scholar. Whatever It Takes...and that every scholar will learn to their highest level and be well prepared to enter into the next steps of their lives, college and/or career ready.

The 2021-2022 school year will begin, in-person on **Monday, August 23, 2021**. Our school day will begin at **8:35 AM** and conclude at **3:05 PM**, with breakfast served from 8:05 AM until 8:25 AM. All scholars and staff will be required to wear face-masks at all times, in the building.

PARENTS AND SCHOLARS...WE INVITE YOU TO ATTEND OUR MEET AND GREET ON THURSDAY, AUGUST 19, 2021 FROM 4 PM UNTIL 6 PM. Come out and explore our beautiful campus and building and meet the principals, teachers and staff. This is a great time to create your personal, first-time experience at East Tech.

We encourage you to visit our school's website, Instagram, and other CMSD social media platforms to keep in touch with what is happening, daily, at East Tech and throughout CMSD. These sites will serve as resource tools for important reminders and upcoming events.

In closing, please continue to stay healthy and safe. We look forward to seeing our scholars on the first day of school. Our vision of success continues, August 23, 2021!

Warmly,

Dr. Temujin H. Taylor

IMPORTANT INFORMATION AND REMINDERS

STUDENT ABSENCES/TARDIES

Please be sure to call the **office** at 216-838-1000, on days your scholar will be absent or tardy to school. Please review the Attendance Policy which can be found on the District's website.

STUDENT SCHEDULES

Scholars' schedules will **NOT** be mailed. Scholars will receive their schedules on the first day of school.

STUDENT EMERGENCY FORM

It is very important that the school has up-to-date contact information for each student. Please complete the student emergency form that can be found on both the school's and District's webpage. If you return this completed form during our Meet and Greet on Thursday, August 19th, you will be entered into a drawing for a \$25 gift card.

STUDENT DRESS CODE

At the end of July, CEO Eric Gordon, released the new dress code guidelines for CMSD scholars. Although the District's dress code guidelines have changed, the expectation is that all scholars wear school attire that is appropriate, comfortable and conducive to an active academic school day. We still highly encourage scholars to wear their East Tech "gear." Please find a copy of the District's [uniform policy](#) on the District's website.
