Dear Parents and Guardians,

As we look forward to this holiday season and celebrate the real reason for the season, we want to offer our warmest wishes to all our **Ginn Academy** families.

We are dealing with so many situations and challenges, including the lasting effects of the pandemic, which has affected us all in one way or another, but **we** are still here. For that I am grateful! At **The Ginn Academy**, we will *always* continue to give love and service to our **Ginn Men** and their families. We want to end 2022 strong and start 2023 with high expectations, and a renewed commitment. We thank God for the blessings of a New Year!

God Bless!

Theodore Ginn, Sr., Executive Director
