

March 17, 2020

Miles Park Families,

Currently the school will be shut down for the next 3-weeks. School tentatively will resume on Monday, April 6, 2010. During this time, we are asking that your child/children make healthy and safe choices during the shutdown. Please make sure that they are staying on a regular sleeping schedule, drink plenty of water, and wash their hands frequently. Miles Park will be closed and there will not be anyone available to answer your call. However, you can email me at tamika.Taylor-Ivory@clevelandmetroschools.org. You can also reach out to teachers through class dojo, seesaw and by email.

Cmsd has 22 sites open **Monday-Friday (March 16-April 3rd)** for free grab-n-go lunch and breakfast for any one 18 years of age and older. The closest location to Miles Park School is Miles School. The district does have a bus transporting student's from Miles Park to Miles at 11: 09 am. They will return your child back to Miles Park after they have received their lunch and breakfast.

Academically students will be required to complete take home packets or activities on EXACT PATH. **EXACT PATH** is the program we have used all school year to support reducing skill gaps based on the student Fall to Winter NWEA test results. The program is created for your child's individual learning needs. In order to access Exact Path follow the direction: go to the CMSD website, visit Clever.com, Log in with clever. Student enters username and password. The district has also provided activities to support learning during the shutdown.

I will continue to keep you informed with current information through IVR communication and Miles Park Website, and twitter until we return to school.

-Mrs. Taylor-Ivory,
Miles Park Principal
