Greetings Families,

As we embark on the 2021-2022 school year, we will be challenged again as we transition back to full face to face instruction. We have learned a great deal in the past 18 months on how resilient we are as a people. This year, the district is committed to providing every student with a laptop for use at school and home. Teachers will be giving in-person instruction as well as providing them with blended learning opportunities to catch up on past learning as well as credit attainment to graduate on time. Please support the school faculty and staff by making sure that your student dedicates time to study and complete homework each night.

We now know that with grit and determination we can overcome immense obstacles. As the school leader it will be my obligation to our students and their parents to hold everyone, including myself accountable for student success.

Thank you all for your continued trust in JMSOE with educating your scholars this school year and know we will do our very best to support you during this very unusual start to the school year.

Have a great school year!

Mr. Primus

## Dress Code Policy

The district's new [standard dress and appearance policy](#) is also intended to be gender neutral and applies to all students equally regardless of gender while on school campuses and at school-sponsored functions.

### Students may not wear:

- clothing that is see-through
- clothing where the buttocks or torso is exposed
- clothing or accessories which show profanity, obscene words or pictures, sexually suggestive statements, violence or incitement to violence
- clothing representing gang-related activities
- clothing where the entire thigh is exposed, such as micro minis or short shorts.
- bathing suits or cut-offs
- the wearing and carrying of tobacco promotional items, or items promoting controlled substances (drugs) and/or alcohol
- clothing where undergarments are exposed
- clothing that has text or visual images that is libelous, bullying, constitutes harassment or discrimination

In addition, students may not wear backless or open toe footwear, ripped jeans (holes, frays, etc.), or hats to school or at school functions.

## Graduation Requirements for Class of 2022

Take and earn a state minimum of 22 credits in specific subjects. You also must receive instruction in economics and financial literacy and complete at least two semesters of fine arts.

1. **Ohio's State Tests.**
2. **Industry credential and workforce readiness**
3. **College admission test**

Visit the 'Class of 2022' page on our website at <https://www.clevelandmetroschools.org/Page/14658> for more detailed information and to find other resources for your scholar's senior year.

## Partner Programs

The mission of MAGNET, the Manufacturing Advocacy & Growth Network, is to support, educate and champion manufacturing in Ohio with the goal of transforming the region's economy into a powerful, global player.

### Early College Early Career

Developed by MAGNET in conjunction with other organizations, the Early College Early Career program takes students from high school and guides them through a college degree program and subsequent manufacturing career to meet the needs of manufacturers in Northeast Ohio. This initiative offers students company-based, real-world training as well as certification programs that can result in the skilled workforce needed for the region's manufacturing sector.

Cohort 1 started Fall 2017 with students going into their junior year. Cohort 2 started Fall 2018. Cohort 3 continued in Fall 2019 and is currently in its 5<sup>th</sup> year.
