Greetings Families,

As we embark on the 2020-2021 school year, I look forward to the challenge this school year will bring. We live in a technologically advanced society, in which the new remote learning will benefit your children in some positive ways. We are being propelled into a new style of teaching and learning that will allow your children to learn the traditional content from their teachers, but also give them real world practice at managing job related skills, such as time management, computer etiquette, and an increase in their technical literacy by using a plethora of learning devices such as computers and tablets.

As the school leader it will be my obligation to our students and their parents to hold everyone including myself accountable for student success. Continuous monitoring of academic progress, attendance, grading trends, and testing data will all be paramount in a remote learning situation. However, we will do our very best to stay connected and engaged with each family here at JMSOE.

Eventually we will get back to school and be able to work face to face, so information on that will follow when it is appropriate for us to re-enter the building. During the Virtual Open House, we will discuss the dress code policy, student emergency and media release forms. So, when we are allowed back in the school building, we will have this information on file, and you are aware of our policies and procedures around dress-code and behavior.

Thank you all for entrusting JMSOE with educating your scholars this school year and know we will do our very best to support you during this very unusual start to the school year.

Mr. Primus

## Upcoming Dates

9/8 – First Day of School

10/7 – Open House

10/12 – Columbus Day

11/6 – Quarter 1 ends

11/11 – Veterans Day

## Meet the Staff....

### Administration:

Timothy Primus – Principal  
Jason Clotman – Assistant Principal  
Crystal Turnbo – Community & Business Coordinator  
Guidance Counselor – Nichole McCroskey  
Samira Farraj – School Secretary

### Engineering Department:

Ilona Jurewicz, Bryan Kelly, Jimmy Smith Jr.

### English Department:

James Casale, Heidi Eveland, Emily Mangan, Kathryn Sergent

### Fine Arts, ELL, & Electives Department:

Abigail Carrasquillo, Jasmine Diaz, Bernice Major, MaryBeth Matthews,  
Debbie Neito, Luis Rodriguez, Eva Wronski

### JROTC Department:

Col. Donald Miliken, Sgt. Jennifer Shaw

### Math Department:

Janice Baker, Bryan Kelly, Pablo Rodriguez, Casie Schaeffer

### Science Department:

Mary Brown, Ashley Chorbra, Ilona Jurewicz, Olga Spence

### Special Education Department:

Richard Austin, Lakia Bryant, Shannon Cooney-Davis, Willie Gary, Michael Hardaway III, Margarita Hibbitt, Christopher Johns, Haydee Pagan, Ratnapriya Vaddadi, Jimmy Story, Edward Victor, Jodell Wade, Christopher Westbrooks

### Social Studies Department:

Marie Mitchell, Bonnie Wallace, Kristi Zifcheck

## Partner Programs

The mission of MAGNET, the Manufacturing Advocacy & Growth Network, is to support, educate and champion manufacturing in Ohio with the goal of transforming the region's economy into a powerful, global player.

### Early College Early Career

Developed by MAGNET in conjunction with other organizations, the Early College Early Career program takes students from high school and guides them through a college degree program and subsequent manufacturing career to meet the needs of manufacturers in Northeast Ohio. This initiative offers students company-based, real-world training as well as certification programs that can result in the skilled workforce needed for the region's manufacturing sector.

Cohort 1 started Fall 2017 with students going into their junior year. Cohort 2 started Fall 2018. Cohort 3 will start Fall 2019 and so on.

## Graduation Requirements for Class of 2021

Take and earn a state minimum of 22 credits in specific subjects. You also must receive instruction in economics and financial literacy and complete at least two semesters of fine arts.

1. **Ohio's State Tests.**
2. **Industry credential and workforce readiness**
3. **College admission test**

Visit the 'Class of 2021' page on our website at <https://www.clevelandmetroschools.org/Page/14658> for more detailed information and to find other resources for your scholar's senior year.
