

*Directions to get signed up for ClassDojo at Oliver H. Perry*

**Step 1: Download the ClassDojo App on your smartphone, tablet, and/or computer.**

**Step 2: Open app and select “I’m a Parent” to create a parent account - do NOT select other options. If you already gave an account you can log on using your email and password.**

**Step 3: Enter parent name, parent email, and create a password.**

**Create Parent Account**

First name

Last name

Email

Password

Your password must be at least 8 characters

Create Account

Step 4: Select "Add child with code" and use the code that was provided from Oliver H. Perry to connect to the classroom.

## Welcome to ClassDojo, Stacie

Let's get started by adding your child to your account.

**Add child with code**   
Use a code from school or search for a teacher  
  
**Don't have a code?**  
[Find your teacher](#)

**Add child at home**  
For points and other Beyond School features

Step 5: Select "Skip for Now"

### Share with another parent

Share access to your child's points, posts, photos, and messages with family members.

Send Invite

Step 6: Select "Not Now"

**Unlock the full ClassDojo experience!**  
Your teacher and your kid love Dojo at school. Get those benefits at home, too!  
Transform your home life with Beyond School

[Try free for 7 days!](#)

[Not now](#)

Step 7: You are now added to ClassDojo! If you need to add another student **select the blue (+) “Add Child”**

Step 8: Use the code that was provided from Oliver H. Perry to connect another child to their classroom using your same account.

Step 9: You should be set up and ready to view your child's classroom community and school stories!
