Selecting a student to view

If you have more than one student enrolled in Cleveland Metropolitan School District you can select each student one at a time to view their HAC information. Simply click on the **Change Student** button in the upper right corner and select a student from the drop down menu. *Note: Parents may only view students for which they are listed as guardians. If you do not see all of your children, please contact your school office. Please provide the names, grades, and buildings of your other children so we may link them together.*
