Educating all students to achieve college and career readiness.

Dear Parents,

Welcome to the monthly newsletter highlighting events, teachers and students at John Marshall School of Civic and Business Leadership. Our mission allows students to find their own mission, passion, and purpose through real world experience. We provide our scholars with a rigorous education with opportunities in community projects, get hands on training within our internship partnerships, and provided work experience in one of our onsite businesses. Our goal is to graduate scholars who are ready to be **Leaders of Tomorrow!**

Thankful,

Ms. Kidner, Principal
