## Principal's Message:

We made it through week 1! Thank you so much for your patience and understanding this week as we worked through the many bumps. I have great news to share regarding technology distribution. We are scheduled for this Monday, September 14, 2020. Please see the details outlined below. Please do your best to adhere to the schedule so that we can ensure that we are socially distancing. We will only be able to accommodate allowing 2 people per family to enter the school building on Monday. Thank you in advance for your cooperation.

We appreciate all of the work you have been doing at home to support our remote learning experience. We are in this together!

Sincerely,  
Mrs. Boie
