— PARENT NEWSLETTER OCTOBER 12 - OCTOBER 16 —

## PRINCIPAL'S MESSAGE:

Welcome to another week of remote teaching and learning. This week, we are expected to get some news from CEO Gordon in regards to what our learning environment will look like as we move into the 2nd marking period. I will be sure to share any information that I receive.

Please expect progress reports by the end of the week. They are being mailed out early this week. Should you have any questions regarding your child's progress please reach out to their teacher directly first.

Thank you for your continued partnership in your child's education. We appreciate all that you are doing at home to support our remote learning efforts.

Let's make it another great week of learning at Louis Agassiz!

Mrs. Boie
