Our staff is dedicated to ensuring every child reaches their full potential so that they will confidently choose the path of their future.

PRINCIPAL'S MESSAGE:

Dear LA Families,

Last Friday, CEO Gordon announced that CMSD will continue in a remote learning environment until January 21. This decision was based on current health recommendations and with the priority of keeping all of our students, staff, and families safe. We know that this was not an easy decision to make, and that it may or may not be the decision that you and your family had hoped for. Do know, that at Louis Agassiz, we have been off to a great start with our remote learning. I commend our teachers and staff for the work they are doing to provide a high quality education to our scholars in any environment.

We are in this together and will continue to provide each of our scholars with the education they deserve. I encourage you to reach out if there are any lingering questions or concerns that you have. We are here to help!

Let's have a great week, and as always please do not hesitate to reach out if there is anything that I can do to be of support to you and your family.

Mrs. Boie
