

True2U CollegeBound

You're invited!

What is True2U CollegeBound?

It's a virtual, small group mentoring program that helps students further develop their interests, strengths, goals and build upon their leadership skills as they navigate through high school. Students will be matched with a current Cleveland State University Student Mentor for mentoring and personal development guidance during eight Saturday sessions.

Each session will feature engaging icebreakers, group activities, thought-provoking discussions and small group mentoring that will prepare students for their next steps beyond high school and set them on a path of success in college and career readiness.

An experience at Cuyahoga Community College next summer, participation stipend, and a scholarship opportunity will round out the experience.

Session themes include organizational skills, kindness, balance, and preparedness, to name a few.

Schedule

Sessions will take place one or two Saturdays each month from 10 a.m. – 12:30 p.m. and will be facilitated by program staff.

October 24	November 21	February 27	April 17
