

To teach, to learn, to service "Lifting Puerto Rico" Youth Project

Exhibition of Learning (EOLs)

Teaching and Learning Showcase

Portrait of a Graduate Focus:
Critical Thinking & Problem Solving
Global Citizenship

On May 18th, 9th and 10th Graders will participate in the Exhibition of Learning (EOLs).

During the EOLs, students will present their learning from the APTs, Anchor Performance Tasks that they completed during the year, highlighting the Portrait of a Graduate competency focus:

Critical Thinking & Problem Solving

(4) I clearly explain my solution to a given problem and include the advantages and disadvantages to my solution within my explanation

Global Citizenship

- 1) I pose researchable questions on a local, regional, and/or global issue.
 - (1.1) I provide specific reasons for its significance to the global community and propose solutions.
 - (2) I develop an evidence-based position in response to a global question, and defend my ideas with evidence from sources
 - (2.1) I develop an actionable plan to solve a community/global problem or issue.

Anchor Performance Tasks are tangible learning products and/or performance that serves as evidence of learning and that typically take several days to weeks to complete. Designed to give students experience with the skills they will need to be successful in college and a variety of workplaces.

The Exhibitions of Learning (EOL) is a unique way of publicly showcasing Anchor Performance Tasks (APT). Exhibitions of Learning, is our dynamic and performance-based means of assessing students' knowledge and skill with the School of Global Studies school-wide competencies.

We can not wait to see our students present their APTs, and celebrate their accomplishments.

This week's

Super-Staffer

Mrs. Milena Wick

SCHOOL-WIDE ATTENDANCE

Our Goal: 93%
 Year-to-Date Attendance Rate:

BRIGHT ON SUPER-STAFFER

Mrs. Milena Wick

Celebrating this week's Super-Staffer, Mrs. Milena Wick!

Born in Serbia, and raised in a humble and loving immigrant family, Mrs. Wick is the epitome of service to the immigrant communities in Cleveland, who are seeking the gift of US Citizenship. She shares the sentiments and the joy of what it meant to be an immigrant, and living the American Dream, dedicated to be of service to others.

The last few years, Mrs. Wick worked with, and continues to do so, with community partners such as refugee center groups and members of the chamber of Federal Judge Polster. Her collaboration with community partners includes providing multiple ways to supporting immigrant Clevelanders seeking US Citizenship. Facilitating the learning with students through US citizenship exam tutoring, culminating with hosting the US Citizenship Oath-taking. Quite a celebration that Mrs. Wick and our students should be very proud of.

Mrs. Wick we appreciate you and we proudly wave the American flag with you!

On College and Creer Readines

Students in A.C.E. Architecture, Construction, and Design present their culminating project! Congratulations Marc Anthony Johnson, Renardo Lewis, Armani Matos, and Timothy Johnson
[#globalcitizenship](#)

Highlights of our Staff Appreciation Week!

We are officially bee keepers!!! 🐝
Keep the bees, clean the seas, plant more trees!

S.A.F.E programming continues, with Mama V! Power of the sound of the drums!

A.V.I.D classes take action to beautifying the playground and help facilitate learning at Escuelita Tremont, our neighborhood preschool! Early childhood learning is golden!
