Celebrating Hispanic Heritage Month

Do you know that **40%** of Global Student population identified themselves as Hispanic? And **25%** of our educators Hispanic? Viva!

How, Who, When

Each year, Americans observe National Hispanic Heritage Month from September 15 to October 15, by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean, Central and South America.

The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402.

The day of September 15 is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively. Also, Columbus Day or Día de la Raza, which is October 12, falls within this 30 day period.

Let's take on the Challenge

The goal of the Challenge is to assist each of us to become more aware, compassionate, constructive, engaged people in the quest for equity, and specifically to learn more about the Hispanic Heritage, and many communities included under the "Hispanic umbrella."

"Every moment is an organizing opportunity, every person a potential activist, every minute a chance to change the world. When you have a conflict, that means that there are truths that have to be addressed on each side of the conflict."

BRIGHT ON SUPER-STAFFERS

Ms. Maggie Galaszewski

Celebrating this week's Super Staff,
Ms. Maggie Galaszewski

Oftentimes described as a "bit extra" 😊, is an understatement to extra, extra, extra energy, enthusiasm, partnerships that Ms. Galaszewski brings to Global Studies, providing a multitude of college and career opportunities for our students.

A self-proclaimed Wolverine, Ms. Galaszewski makes it her life mission-possible to create collaborative partnerships with members of the community to give students a closer look and in-depth access to learning opportunities that will enable them to make good college and career choices. These opportunities she brings, whether in the form of mentorship, career speakers series, and wellness programs are all invaluable to our students as they start making post-secondary choices.

You need speakers?! You need community partners?! Ms. G got them!

Ms. Galaszewski we appreciate you!

SOCIAL-EMOTIONAL LEARNING, wellness is our focus

Exciting news for our Wave/Now team members. We will have our WAVE (peer mediator training) for our new members on October 24-26. We are also planning our **Day of Unity on October 5**. We are asking everyone to wear orange to show support for our anti-bullying program. October is Bullying Prevention Month so we will be planning many activities to spread awareness and inform our students, families, and staff. Please click on the [link](#) to learn more about how to stop bullying. Also you can click on this [link](#) to find out what is considered bullying.
