

MILES PARK

BEST STAFF OF THE MONTH

MS. DIXON

PRE-K

Ms. Dixon's dedication and commitment to our scholars and school events have not gone unnoticed. You consistently go above and beyond, making yourself available to support wherever needed, helping during school-wide activities, and monitoring our middle school scholars during morning arrivals. Your presence brings a sense of calm, care, and consistency that positively impacts everyone around you.

Thank you for being an essential part of the success of our Miles Park Open House. Your thoughtful coordination to ensure our families were welcomed with refreshments and food truly helped create a warm and inviting atmosphere.

Your care in helping scholars' transition safely from the cafeteria to the gym, along with the SEL support you provide, reflects your dedication to their well-being and growth.

Your excellent attendance and willingness to serve across the building exemplifies the spirit of teamwork and excellence we strive for at Miles Park. The relationships you've built with our scholars, especially those in middle school, speak volumes about your character and the trust you've earned.

You are a valued member of our school community, and we are grateful for the positive impact you continue to make!
