

## LWSH Remote Learning Plans 2022-2023

Students will report to their assigned advisory link to start the day. Those advisory links will be provided on the website, school newsletter, LWSH Gmail, and Principal King's Café on Schoology. Students will always report to this link when there is a switch to remote learning. While in advisory, the teacher will share the appropriate remote schedule with the students to use for the day. Each Schoology page will have the link to the synchronous sessions on Zoom or Google Classrooms. Students will follow their regular schedule with modified times as stated below. While students are following their schedule, teachers should be providing direct instruction preparing students for asynchronous work in the afternoon and office hours.
