

## Parent Portal for Moby Max

1. .Go to [www.mobymax.com/signin](http://www.mobymax.com/signin)
2. Select "**AS A PARENT**" from the top menu.
3. Enter the school name. Artemus Ward
4. Enter the student's username. ( This is the same as their Accelerated Reader user name,) Example John Carter: User name: CartJo001. This same pattern will work for most students.
5. Enter the student's password. We will all start with the same one using **Artemusward1** for the password.

The student may follow the below directions to access their learning software

1. Go to [www.mobymax.com/signin](http://www.mobymax.com/signin)
2. Select "**AS A STUDENT**" from the top menu.
3. .Enter the school name. Artemus Ward
4. Enter the student's username. (This is the same as their Accelerated Reader user name,) Example John Carter - User name: CartJo001. This same pattern will work for most students.
5. Enter the student's password. We will all start with the same one using **Artemusward1** for their password.

### **Students will be able to take the following steps.**

1. Take their daily challenge.
2. The students will see a window open with several choices. Your child can take any placement test to start a topic such as: **Math, Fact fluency or Reading level assessment** located on the top row of icons.
3. Your student can begin learning and practicing with Moby Max at their current level anytime they have access to the internet at home and/or the public library. Their work will be help their teachers understand where your child is and help them to plan for your child's education this year
