Fifth grade is coming up fast! The supplies above are what your student needs to bring the first day of school. Not bringing their supplies means there is less money for the teacher to get supplies for science experiments, field trips, and more interesting activities. **Students must bring these supplies by the end of the first week of school.** If you are in financial need, there are multiple free school supply giveaways around Cleveland before school begins. Call the school over the summer for more information! All supplies can be any color, type, or brand! Want to help out your teachers even more? Check out our wish list below!
