RFQ 21317 – Providing Architect Engineering Services for East Tech Culinary Program

Questions and Responses

1. It is stated in the RFQ that interested firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in our Statement of Qualifications. Is it possible for AVG (lead Architect) to be the EDGE consultant on the project and use another consultant to fill the DBE requirements?

RESPONSE:

In the event a DBE or EDGE certified firm is submitting a Statement of Qualifications, it should propose another DBE or EDGE firm to fulfill its EDGE commitments.

2. We will be submitting as the prime firm and are also certified as a DBE/WBE/SBE/EDGE firm. *Forms C and D* refer to the prime firm as a “non-DBE prime”. Should we omit these forms from our submittal? Include, but list as “N/A”?

RESPONSE:

As per DBE Form B “In addition, the undersigned will complete and attach hereto the DBE (Form C) Schedule for DBE participation, showing all DBE/FBE that will participate as subcontractors or joint ventures in this contract and a DBE (Form D), DBE Letter of Intent form for each DBE/FBE listed on the Schedule Form C and Form D is to be completed by the DBE Firm.”

Form C and Form D is to be completed and returned.
