

Service Provider Questions – RFP #21372 – Internet Services

1. What subsidies is the District aware of that are available as referenced by: “The District will consider subsidies that are not E-Rate eligible”?

We are aware that some vendors offer subsidies but they will not be made public until after the RFP is awarded.

2. Do you use an E-Rate consultant? If so, who is it? If not, who leads your E-Rate filing activities?

Yes, Funds for Learning
