

TDES Weekly Updates 2021-22 1.7.2022

The TDES process should resume Monday, January 10, 2022. Please finish all outstanding FAOs and Para D1/D4.

Unannounced Observation (UO)

The Unannounced Observation cannot take place until the second semester begins, Tuesday, January 18. The first event must be completed before the UO process can be started.

Growth Plan Check-Ins (PGP Check-In)

The Growth Plan Check-In process is due **March 11** (year-round schools) and **March 18** (traditional schools). The PGP Check-In will be completed for professionals rated “Accomplished” or “Skilled” during their “off year(s). The professional and the evaluator schedule the Growth Plan Check-in. The evaluator will visit the classroom for no more than 30 minutes to observe the professional’s practice, focusing on providing feedback on **ONLY** the goals identified within the professional growth plan. If **both** of the goals chosen are from Domains 1 or 4 a conversation instead of an observation may be completed. Both goals must be observed/discussed. The evaluator should use the Growth Plan Check-In Form to document that the check-In occurred and provide the professional with a copy. This form **does not** get uploaded into the portal. The evaluator will note in the portal the professional’s progress on their growth plan by selecting from the drop down box. The PGP Check-In form can be found on the TDES website.

RSP Providers Formal Announced Observation (FAO)

The Formal Announced Observation is due **Friday, February 25** for RSP providers. The ten day window runs from the pre-conference meeting to the post conference meeting, not the date of scheduling. The RSP service plan should be submitted two days prior to the pre-conference. RSPs must save, finalize, and mark complete on the rubric for the evaluator to be able to see the self-assessment. Please note the rubric should be complete and all evidence submitted at the close of the post conference. Remember to email your evaluator and the TDES mailbox, tdes@clevelandmetroschools.org if your FAO is not completed by **February 25**.

TDES for New Teachers Training

The TDES for New Teacher Training on **January 13 has been cancelled**.

TDES for New Paraprofessionals Training

New paras are **required** to have 3 hours of TDES training prior to being evaluated. The next TDES for New Para Training will take place **January 27** from 9:00-12:00 via Zoom. This is for recently hired paras who have not yet attended TDES training. Email Megan Scully, megan.scully@clevelandmetroschools.org to register. The Zoom link will be sent at the time of registration.
