

TDES Weekly Updates 2021-22 10.15.2021

TDES Portal

The TDES portal is in the process of being cleaned up. Archiving will take place over the next few months. Please be patient with the process.

TDES Quarter 2 School Training

TDES Quarter 2 School Team Training will take place **October 28 or 29** via Zoom. Please see the attached schedule for your school's date and time. All TDES Team members are required to attend the 2 hour training session. The Zoom link will be sent to the administrator.

Formal Announced Observation (FAO)

The Formal Announced Observation will be the first event for teachers (except for those rated Ineffective). The event is due **Friday, December 17**. The process can begin once the teacher's Growth Plan is finalized. The ten day window runs from the pre-conference meeting to the post conference meeting, not the date of scheduling. The teacher's lesson plan should be submitted two days prior to the pre-conference. Teachers must save, finalize, and mark complete on the rubric for the evaluator to be able to see the self-assessment. Please note the rubric should be complete and all evidence submitted at the close of the post conference. Evidence should be based on the lesson. It should not be a narrative or a rebuttal about other lessons. Remember to email your evaluator and the TDES mailbox, tdes@clevelandmetroschools.org if your FAO is not completed by the due date.

Growth Plan Check-Ins (PGP Check-In)

The Growth Plan Check-In process can begin **October 25** and must be completed by the end of third quarter. The PGP Check-In will be completed for professionals rated "Accomplished" or "Skilled" during their "off year(s)". The professional and the evaluator schedule the Growth Plan Check-in. The evaluator will visit the classroom for no more than 30 minutes to observe the professional's practice, focusing on providing feedback on **ONLY** the goals identified within the professional growth plan. If **both** of the goals chosen are from Domains 1 or 4 a conversation instead of an observation may be completed. Both goals must be observed/discussed. The evaluator should use the Growth Plan Check-In Form to document that the check-In occurred and provide the professional with a copy. This form **does not** get uploaded into the portal. The evaluator will note in the portal the professional's progress on their growth plan by selecting from the drop down box. The PGP Check-In form can be found on the TDES website.

Document Submission 1 for RSP Providers (DS1)

Document Submission 1 is due **November 19** for RSP providers (including school counselors). RSP providers should submit evidence for Domain 1, 2, 3 & 4 in the portal and self-assess on the rubric by the date set by the evaluator (do not wait until the November 19 deadline). Evaluators should review the evidence, add evidence if necessary, and mark areas of agreement on the rubric. The RSP provider and the evaluator should meet to discuss the rubric. The entire process, including the conference, should be complete by November 19. Remember to email your evaluator and the TDES mailbox, tdes@clevelandmetroschools.org if your DS1 is not completed by the due date.

D1 and D4 for Paraprofessionals

The first evaluation event for paraprofessionals is due **December 17**. Paras should submit evidence for Domain 1 and Domain 4 in the portal and self-assess on the rubric by the date set by the evaluator (do not wait until the December 17 deadline). Evaluators should review the evidence, add evidence if necessary, and mark areas of agreement on the rubric. The para and the evaluator should meet to discuss the rubric. The entire process, including the conference, should be complete by December 17.
