

TDES Weekly Updates 2019-20 10.18.19

TDES Redesign Videos

The videos used during the TDES Quarter 2 Redesign training will be available on the TDES website by early next week.

Formal Announced Observation (FAO)

The Formal Announced Observation will be the first event for teachers (except for those rated Ineffective). The event is due **December 13** and the process can begin once the teacher's Growth Plan is finalized.

The ten day window runs from the pre-conference meeting to the post conference meeting, not the date of scheduling. The teacher's lesson plan should be submitted two days prior to the pre-conference. Teachers must save, finalize, and mark complete on the rubric for the evaluator to be able to see the self-assessment. Please note the rubric should be complete and all evidence submitted at the **close** of the post conference. Remember to email your evaluator and the TDES mailbox, tdes@clevelandmetroschools.org if your FAO is not completed by the due date.

Retirements and Separations

Any CTU Bargaining Unit member (teacher, paraprofessional, RSP) who submits his/her irrevocable letter of separation effective after the completion of the 2019-2020 school year will be exempted from completing all remaining events of the TDES evaluation system.

Any CTU bargaining unit member who has already provided an irrevocable letter of separation upon conclusion of this contract year or who chooses to submit his/her irrevocable letter of separation **by the close of business (5:00 PM) on Friday, November 29, 2019** will be eligible for the program. The earlier the notification submissions are received, the earlier employees are exempt from evaluation components. **Professionals will be archived once the board has approved the separation.**

Growth Plan (PGP) and Improvement Plans (PIP)

Teachers and RSP providers Growth Plan was due **September 27**. Administrators should review and make revisions by **October 18**.

TDES Portal "Invalid Credentials"

If you receive an "invalid credential" error message when logging into the portal, please update your password on a district PC. Log off the computer, log back on and put in your credentials, click control, alt, delete. This will prompt the update. Do not contact the tech department help desk. Megan Scully can assist you with this process if needed

RSP Providers

The order of events for RSP's have changed to Document Submission 1, FAO, and Document Submission 2. Please note school counselors will follow the RSP process and calendar. The first event, DS 1, is due **November 22**.

D1 and D4 for Paraprofessionals

The due date for the first evaluation event for paraprofessionals is **December 13**. Paras should submit evidence for Domain 1 and Domain 4 in the portal and self-assess on the rubric by the date set by the evaluator (do not wait until the December 13 deadline). Evaluators should review the evidence, add evidence if necessary, and mark areas of agreement on the rubric. The para and the evaluator should meet to complete the rubric. The *entire process*, including the conference, should be complete by December 13.
