

TDES Weekly Updates 2021-22 4.29.2022

***TDES portal will close on May 6 at 5 PM**

Composite

The Composite conference should be scheduled at this point. All teachers, RSP providers, and paraprofessionals will complete the Composite process. The Composite is due for all staff members by **May 6** and can begin as soon as the WT has been completed. The Composite is based on the preponderance of evidence from the 3 TDES events only. Note that the TDES portal will close at the end of the day on May 6 for all evaluations. The system will not be accessible after that date. There will be **NO** exceptions or extensions. Professionals should email the evaluator and the TDES Mailbox, tdes@clevelandmetroschools.org if the Composite is not completed by May 6.

Walkthrough for Teachers (WT)

The Walkthrough was due **April 14** for all schools. Please make sure the mandatory Walkthrough was completed. All sections should be marked complete and have a green check mark. Professionals should email the evaluator and the TDES Mailbox if the event is not completed by the due date.

RSP Document Submission 2 (DS2)

DS2 for RSP Providers (including school counselors) was due **April 14**. RSPs should email the evaluator and the TDES mailbox, tdes@clevelandmetroschools.org if the DS2 is not completed by the due date.

New Teacher Defaults

New teachers who do not complete a 2021-22 TDES evaluation cycle and receive a default rating will be evaluated next year, 2022-23. Please remember to email TDES@clevelandmetroschools.org if your evaluation was not complete by **May 6**.

Paraprofessionals

Paraprofessional must have D1/4, D2/3 and the composite completed by **May 6**.

Final Ratings

Teachers, RSP providers, and Paras who complete the evaluation process and earn an Accomplished rating will not be evaluated during the 2022-23 and 2023-24 school years. Teachers, RSP providers, and Paras who complete the evaluation process and earn a Skilled rating will not be evaluated during the 2022-23 school year. Teachers and RSP providers who default to Accomplished or Skilled will have the same years off.
