Happy New Year!

TDES Redesign Quarter 3 Training Session
The TDES Redesign Quarter 3 Training will be **January 13 or 15**. Please refer to the schedule for your school's assigned time. All team members must be present. Please bring your Redesign Binders to the session. Quarter 3 training should be completed at the building level by **January 31**.

Growth Plan Check-Ins
The Growth Plan Check-In is Due **March 6** for professionals rated “Accomplished” or “Skilled” during their “off year(s).” Paraprofessionals in their off year(s) do not receive the Check-In. The professional and the evaluator schedule the Growth Plan Check-in. The evaluator will visit the classroom for at least 30 minutes to observe the professional’s practice, focusing on providing feedback on the goals identified within the professional growth plan. If the goals chosen are from Domains 1 or 4 a conversation instead of an observation may be completed. The evaluator should use the Growth Plan Check-In Form to document that the Check-In occurred and provide the professional with a copy. This form does not get uploaded into the portal. The evaluator will note in the portal the professional’s progress on their growth plan by selecting from the drop down box.

Unannounced Observation (UO)
The Unannounced Observation for teachers is due **February 21**. The UO can be completed at this time. Teachers should have a substantive daily lesson plan available during the observation per the CBA. The plan can be attached as evidence. The Unannounced Observation is intended to capture all four domains and is not limited only to Domain 2 or Domain 3. The UO occurs within a ten-day cycle, beginning with the date of the observation. The observation must be a minimum of thirty minutes which is required by state law (and the CBA). Steps need to be marked complete by teachers and evaluators. All checks should be green. Please remember to email your evaluator and the TDES mailbox, tdes@clevelandmetroschools.org if the UO is not completed by the due date.

RSP Formal Announced Observation (FAO)
The FAO is due **February 21** for RSP providers and should be in process. The ten day window runs from the pre-conference meeting to the post conference meeting, not the date of scheduling. The RSP Service Plan should be submitted two days prior to the pre-conference. Professionals must save, finalize, and mark complete on the rubric for the evaluator to be able to see the self-assessment. Please note the rubric should be complete and all evidence submitted at the close of the post conference. Remember to email your evaluator and the TDES mailbox, tdes@clevelandmetroschools.org if your FAO is not completed by the due date.
D2 and D3 for Paraprofessionals
The second evaluation event for paraprofessionals is due March 13. Paras should submit evidence for Domain 2 and Domain 3 in the portal and self-assess on the rubric by the date set by the evaluator (do not wait until the March 13 deadline). Evaluators should review the evidence, add evidence if necessary, and mark areas of agreement on the rubric. The para and the evaluator should meet to discuss the rubric. The entire process, including the conference, should be complete by March 13.
