JOINT STATEMENT FROM THE CEO AND CTU PRESIDENT

This three-year Collective Bargaining Agreement between the Cleveland Metropolitan School District and the Cleveland Teachers Union is the result of the hard work of many District and Union leaders over the past several months. This Agreement was reached at the bargaining table, using an Interest Based Bargaining format, and with the assistance of the Federal Mediation and Conciliation Service. This format allowed both the District and the CTU to describe the problems we were attempting to solve, to brainstorm multiple solutions, to test those solutions against the interests of both parties, and then to select and implement the solutions that met both parties' interests.

A key component of this Collective Bargaining Agreement was incorporating many of the legislative mandates of HB 525, commonly referred to as *The Cleveland Plan*. Through our Interest Based Bargaining approach, we accomplished that complex challenge. We now have a three year Collective Bargaining Agreement that supports the work of our schools as we implement *The Cleveland Plan*.

This Agreement is also meant to look and feel different. Core in its philosophy is the principle that more will be accomplished for students if our Collective Bargaining Agreement and our collective efforts to implement that Agreement are focused on strengthening our labor-management relationship. This Agreement sets high expectations for both administrators and bargaining unit members, and both empowers and trusts those who work in our schools by decentralizing decision-making to our school teams. The language regarding employment, assignment, evaluation, and compensation is designed to recognize good work and to guarantee appropriate due process when necessary. This Agreement thereby elevates and rewards the best of our profession across the District!

We are pleased to be able to present this Agreement to you, the Educators of our District. We both believe that this Agreement fairly outlines the rules and conditions that will allow our teachers and leaders to promote success for our students every day.

We would also like to offer a special thank you to all of those who participated on the various bargaining teams and committees. They are listed on pages iii. through vi. in your Agreement.

Finally, we thank you, the administrators and CTU members who will implement the various provisions of this Collective Bargaining Agreement. Our greatest success will not be found in the District's offices or the CTU's headquarters, but in the labor-management relationships in our schools and departments that turn the elements of this document into successes for students! We appreciate your work.

Sincerely,

Eric Gordon

David Quolke

AGREEMENT

PREAMBLE

This Agreement is negotiated pursuant to the Ohio Public Employee Collective Bargaining Act (Chapter 4117 of the Ohio Revised Code). The parties agree that there is no waiver of any of the rights granted under the Act. Where a provision of this Agreement conflicts with state law, this Agreement shall prevail.

The Cleveland Metropolitan School District and the Cleveland Teachers Union jointly affirm their commitment to providing a quality education for all of Cleveland's children. The term children includes students in both elementary and secondary grades.

The Cleveland Metropolitan School District and the Cleveland Teachers Union mutually recognize that a safe and secure learning and working environment is essential to the achievement of the educational goals and objectives of the District. Accordingly, the District reaffirms its commitment to provide for the safety of students, employees, parents, and all other school community stakeholders.

All stakeholders in the Cleveland Metropolitan School District shall treat one another with professionalism and respect, recognizing that the ultimate success of the District in educating Cleveland's children requires the efforts of each and every individual.

ARTICLE 1

BARGAINING UNIT RECOGNITION

Section 1. Representation

- A. The Board of Education (hereinafter the “Board”) for the Cleveland Metropolitan School District (hereinafter the “District”) recognizes the Cleveland Teachers Union, American Federation of Teachers, Local 279, AFL-CIO (hereinafter “CTU” or “Union”) as the sole representative of the following:

Teachers, school nurses, regular substitute teachers, paraprofessionals (e.g., educational aides, instructional aides, instructional assistants, instructional technicians, administrative aides), tutors, social workers, psychologists, driver training roadwork instructors, work-study teacher consultants, adult education teachers, hearing officers, and other Federal and State Funded Certificated Personnel.

The Union shall represent these employees in all matters concerning salaries and other terms and conditions of employment so long as the Union represents equally all personnel in the above-listed categories without regard to membership or participation in or association with the activities of any teachers’ organization. The Articles of this Agreement will be applicable to all employee groups represented by the CTU. Whenever the word “employee” or “employees” is used in this Agreement, except as specified otherwise, those terms refer to any and all of the employees represented by the Union.

- B. When the District plans to change or add any classification of employee that may affect the status of any group represented by the Union, the District will notify the Union of such plans so that any potential problems may be mutually resolved before implementation. If any new classification or title is established covering employees who perform the same type of work being done by employees currently represented by the CTU, the District shall automatically recognize the Union as the sole representative of that group.

Section 2. Rights of Membership

Members of the faculty shall be free to join or not to join any organization of teachers. No member of the faculty shall be discriminated against because of membership or non-membership in any such organization. No member of the faculty shall be propagandized directly or indirectly against joining or continuing membership in any such organization by any person in a supervisory or administrative capacity. No person in a supervisory or administrative capacity will interfere or involve himself/herself in the Union’s role to function effectively as sole representative.

Section 3. Chapter Recognition

The Principal/Administrator shall recognize the elected CTU Chapter Chairperson as the official representative of the Union in the school. The Principal shall be expected to make reasonable arrangements so that the elected CTU Chapter Chairperson may carry out his/her responsibilities.

ARTICLE 2

UNION REPRESENTATION

Section 1. Right to Union Representation

Employees shall have the right to request Union representation at any conference concerning a grievance, or a complaint involving performance, teaching methods or employment status of the employee.

Section 2. Resolving Problems

Every effort should be made between the Principal/Administrator and the Chapter Chairperson, or a designated Union representative of the member's choice, to resolve the problem at a local level.

Section 3. Selection of Union Representatives and Representation at Meetings

A. Selection and Notification of Union Representatives.

1. Effective with the 2017-18 school year, for the purposes of the Collective Bargaining Agreement, including the selection and notification of Union representation, a "school" is defined as having its own IRN number. Special groups that are not assigned to a particular school (e.g. psychologists, nurses, paraprofessionals, etc.) will continue to have Chapter Chairpersons to represent those groups. The provisions in this Article apply to all Chapter Chairpersons for high schools, PreK-8 schools, elementary schools, and special groups.
2. The Union members in each chapter shall have the exclusive right to choose their chapter representatives (Chapter Chairperson and Union Conference Committee (UCC)) according to the provisions of the Constitution and Bylaws of the Union.
3. When there is no Chapter Chairperson, the Union President shall designate one or shall act directly for the chapter until such time as a chairperson shall be elected.
4. The Union shall notify the Principal/Administrator and CEO of the names of the Union representatives in his/her chapter.
5. In each building/campus/complex housing more than one (1) school where the schools share extra-curricular resources (e.g., athletic teams, clubs, etc.), the Chapter Chairpersons and an administrator from each of the affected schools will serve in the leadership roles for decisions involving those shared resources.

B. Union Representation at Meetings.

1. The CTU representative shall have the sole right during faculty meetings to present a report ten (10) minutes before the scheduled conclusion of general faculty meetings or CTU/administration conferences, either of a local or system-wide

nature. No other organization may be recognized during a faculty meeting to discuss matters concerning salaries and other terms and conditions of employment.

2. No representative of any organization other than the Union may hold meetings within a school with any members of the CTU bargaining unit.
3. The Principal should be present during the Union's ten (10) minutes of a faculty meeting. The placement of the ten (10) minutes shall be at the end of the faculty meeting unless otherwise mutually agreed to by the Principal and Union Conference Committee (UCC).

C. Chapter Chairpersons.

1. Elected Chapter Chairpersons will be exempt from necessary and special transfers during their term of office.
2. The Chapter Chairperson may use his/her unassigned time, as provided below, for activities appropriate to the administration of this Agreement and to the duties of office described in the Union handbook. This provision does not imply interruption of normal classroom activities. The unassigned time for the Chapter Chairperson is not to be counted as part of the equitable distribution of unassigned time.
3. In the elementary and schools, the following guide should be used in providing a minimum amount of unassigned time for the Chapter Chairperson.

Bargaining Unit Members in Building	Number of Unassigned Periods Per Week
0-25	2
26-50	3
51-75	4
76-100	5

4. In the secondary schools, the following guide should be used in providing unassigned time for the Chapter Chairperson.

Bargaining Unit Members in Building	Number of Unassigned Periods Per Week
0-25	2 or Option of No Homerooms*
26-50	3 or Option of No Homerooms*
51-75	4
76-100	5
101+	5 and No Homeroom

- * The option of periods off or no homeroom must be mutually agreed upon by the Principal/Administrator and the UCC. (Also see Article 9, Section 4.G-2.)

5. Each high school Chapter Chairperson shall be provided unassigned time as per Article 2, Section 3(C)(4) and shall have no homeroom as per Article 9, Section 4.G.2. Chapter Chairperson unassigned time will be allocated as per Article 2, Section 3(C)(4). For block scheduling schools this means a one (1) block instructional period for the entire year. For the purpose of Article 2, Section 3(C)(5), block scheduling is limited to schools having either 4x4 or A/B model of block scheduling as defined in Article 2, Section 3.C.5.
6. A special in-service course shall be offered for Chapter Chairpersons. A program of instruction and information shall be prepared by the CTU in accordance with established in-service policies.

ARTICLE 6

PROBLEM RESOLUTION, GRIEVANCE PROCEDURE AND TIME LIMITS

Section 1. Scope

This Article shall apply to all members of the CTU bargaining unit.

Section 2. Definition of Days

For the purpose of this Article, days shall mean a day when the affected employee, or, in the case of a responding administrator, such administrator, is scheduled to be at work.

Section 3. Letter of Inquiry

Any employee may file a "Letter of Inquiry" which requests information on salary, working conditions and/or benefits. Such "Letter of Inquiry" form is available from the CTU Director of Grievances. The CTU Director of Grievances shall process the Letter of Inquiry and, where the Director believes it necessary, the Director may request in writing from the Deputy Chief of Human Resources information to enable the Director to respond to the inquiry. The information requested shall be provided to the CTU in writing within ten (10) days of receipt by the Deputy Chief of Human Resources of the request. The CTU Director thereafter will respond to the member. (See MOU on Contract Implementation)

Section 4. Informal Problem Resolution

From time to time, problems relating to the application of this Agreement and/or the Administrative Code of the District to an individual employee or employees will arise. Many of these problems are resolved informally, by discussion, in accordance with the "open door" policy followed by the District. A problem which cannot be resolved informally is called a grievance.

Section 5. Grievance Procedure/Timelines

A grievance is any matter concerning the interpretation, application, or alleged violation of any currently effective Agreement between the District and the CTU, or which alleges any employee represented by the Union has been discharged or disciplined without just cause, or has been treated unfairly or in a discriminatory manner. Nothing shall preclude the Union or an individual from the right to file an Unfair Labor Practice in accordance with O.R.C. 4117. Grievances shall be resolved in the following manner: Commencement of Grievances – See Section 10 of this Article entitled "Time Limits" at subsection B.

STEP ONE:

- A. An aggrieved employee and/or a Union representative shall inform the immediate supervisor of the grievance in writing on a form mutually agreed upon.
- B. If an employee expressly requests a discussion with the immediate supervisor concerning the written grievance, such a discussion shall take place within three (3) days after filing

the grievance, unless the time is mutually extended. The discussion with the immediate supervisor shall be held with one of the following:

1. An employee accompanied by a CTU representative;
 2. Through a CTU representative if the employee so requests;
 3. An employee on his/her behalf; or
 4. A CTU representative in the name of the Union where general established policy is violated.
- C. Within three (3) days after the grievance is filed or the discussion meeting is concluded, whichever is later, the immediate supervisor shall state his/her decision in writing, together with the supporting reasons, and shall furnish one (1) copy to the employee who lodged the grievance and one (1) copy to the CTU representative. Each Step One answer shall clearly identify that answer as a "Step One Answer."

STEP TWO:

If the matter is not adjusted satisfactorily at Step One, then a written appeal shall be filed by the Union for the grievant at the Office of the Deputy Chief of Human Resources described in Article 2, Section 8.B within twenty (20) days of the date the First Step decision is received and acknowledged by the grievant. To acknowledge means that the employee shall be presented with a copy of the answer and shall initial and date that copy, or that copy of the answer shall be mailed, certified mail, return receipt requested, to the employee's address of record on file with Human Resources. Step Two appeal shall be discussed at the weekly meeting held with the Deputy Chief of Human Resources who will involve the appropriate level of management to respond to the grievance. Upon request of either party, all persons who participated in Step One or necessary persons shall have a reasonable opportunity to be heard. Notification of at least three (3) days shall be given to all concerned. Within twenty (20) days after the meeting, the Deputy Chief of Human Resources shall present a written answer in regard to the grievance to the Union. Each Step Two answer shall clearly identify that answer as a "Step Two Answer." (See Appendix J, MOU on Contract Implementation)

STEP THREE:

If the grievance is sustained at Step One or Step Two, but the agreed upon remedy is not implemented in a timely fashion, or if the grievance is not answered following the Step Two appeal within the time frame set forth herein, or if a grievance is filed which impacts on at least five (5) bargaining unit members, the Union may file an appeal of the Step Two answer with the CEO, or may proceed directly to Step Four. When such appeals are filed with the CEO, he/she or his/her designee shall hold a meeting with the Union within twenty (20) days of receipt of the appeal to hear the grievance. Within twenty (20) days of the Step Three meeting, a written response to the grievance shall be sent to the Union and to the grievant. (See Appendix J, MOU on Contract Implementation)

STEP FOUR:

- A. Regular Arbitration. If the answer to the grievance is not satisfactory, the CTU shall have the right within seventy-five (75) days to submit the matter to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, or any other mutually agreed upon agency or individual, by informing the District and the American Arbitration Association that the matter is to be arbitrated. A single Arbitrator shall be chosen by the parties. The fees and expenses of the Arbitrator and the cost of the arbitration will be borne equally by the District and the Union. The parties will split the transcript costs when there is a common agreement on the need for a transcript. Two (2) representatives of the Union, and all necessary witnesses, shall receive their regular salary and wages for the time spent in the arbitration proceeding, if during working hours. The Arbitrator shall render a written decision and the reasons therefore resolving the controversy and ordering all appropriate relief. The decision and award of the Arbitrator shall be final and binding upon the District, the Union and the employees affected. The Arbitrator is prohibited from making any decision or award adding to or subtracting from or modifying in any way the provisions of this Agreement, which is contrary to law. The arbitration hearing shall be held and the award shall be made in Cuyahoga County, Ohio.
- B. Mediation. The CTU and the District, by mutual agreement, may utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration. The objective is to find a mutually satisfactory resolution of the dispute. If both sides agree, a single mediator shall be chosen by the parties, provided, both the Union and the District may designate grievances for submission to the mediation process. A mediator may be chosen by the parties by informal means. If the parties cannot agree, the mediator shall be selected under the procedures of the American Arbitration Association, or any other mutually agreed upon agency or individual. Two (2) representatives of the CTU, and all necessary witnesses, shall receive their regular salaries or wages for the time spent in the grievance mediation proceeding, if during working hours.
1. Grievances which have been appealed to arbitration may be referred to mediation if both the Union and the District agree. The mediation conference with respect to a particular grievance shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances, which shall have priority.
 2. Promptly after both parties have agreed to mediate, either party, by mutual agreement, shall notify the American Arbitration Association or any other mutually agreed upon agency or individual, and mutually agreeable arrangements shall be made for the conference.
 3. The mediation proceedings shall be informal in nature. The goal will be to mediate up to three (3) grievances per day.
 4. Each party shall have one (1) principal spokesperson who will have the authority to agree upon a remedy of the grievance at the mediation conference.

5. One (1) grievant will have the right to be present for each grievance.
6. The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no transcript of the mediation conference shall be made.
7. The mediator may meet separately with the parties during the mediation conference, but he/she will not have the authority to compel the resolution of a grievance.
8. Written material presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference, except that the mediator may retain one (1) copy of the written grievance to be used solely for the purposes of statistical analysis.
9. If no settlement is reached during the mediation conference, the mediator shall provide the parties with an immediate oral advisory opinion involving the interpretation or application of the collective bargaining agreement, together with the reasons for his/her decision, unless both parties agree that no opinion shall be provided.
10. The advisory decision of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.
11. If no settlement is reached as a result of the mediation conference, the grievance may be scheduled for arbitration in accordance with the Agreement between the Union and the District.
12. In the event a grievance which has been mediated subsequently is arbitrated, no person serving as mediator between parties may serve as arbitrator. In the arbitration hearing, no reference to the mediator's advice or ruling may be entered as testimony nor may either party advise the arbitrator of the mediator's advice or ruling or refer at arbitration to any admissions or offers of the settlement made by the other party at mediation.
13. By agreeing to schedule a mediation conference, the District does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.
14. The fees and expenses of the mediator and the mediation office shall be shared equally by the parties.

C. Expedited Arbitration. The Union has the right to demand expedited arbitration for any non-class action issue which it deems necessary because the time frame is so short that the normal arbitration procedure would be untimely. Upon such declaration, the Union and the District will make immediate (within twenty-four (24) hours) arrangements with the American Arbitration Association for the expedited arbitration procedure and such procedure shall begin as soon as the American Arbitration Association, or any other

mutually agreed upon agency or individual, can initiate a hearing. It shall be the specific request of both the Union and the District to have a decision within seven (7) days of the hearing. Class action grievances may be expedited by mutual agreement between the Union and the District. A non-class action issue shall be defined as an issue which impacts on five (5) or fewer bargaining unit members.

- D. Arbitration Tribunal. Both the Union and the District may designate up to two (2) grievances each per school year for submission to an arbitration tribunal. Upon written mutual agreement of the Union and the District, additional grievances may be submitted to an arbitration tribunal. An individual or a panel of individuals not to exceed three (3) in number, has the authority to render judgment about a grievance. Any person or panel so agreed upon can be given the authority to render a decision as binding as that of binding arbitration. The conditions of the presentation shall be mutually agreed to by the Union and the District, and it shall be done within the same time frames as expedited binding arbitration, as prescribed in this Agreement. If there is a panel, it is necessary that two (2) of the three (3) individuals comprising the panel come to agreement on the disposition of the grievance. The Union and the District agree this step is a form of binding arbitration and the final step of the grievance procedure if it is chosen.

Section 6. Grievance Appeal

Grievances that contest the suspension or termination of a bargaining unit member shall be filed with the Deputy Chief of Human Resources within the time limits set forth in Section 10, after which the Union may proceed directly to Step Four of the grievance procedure. (See Appendix J, MOU on Contract Implementation)

Section 7. Representation During the Grievance Procedure

No aggrieved employee at any stage of the grievance procedure will be required to meet with any administrator without Union representation. This does not interfere with the employee's right to meet voluntarily with the administration.

Section 8. Involvement of Other Authority

If a grievance arises from the action of an authority higher than the immediate supervisor of a school, the Union may present such grievance at the appropriate step of the grievance procedure.

Section 9. Transfer Cases

Where the Principal has designated a teacher to be transferred, he/she shall attach a written explanation as to why the particular teacher was so designated. In transfer cases, the grievance shall be filed as a Step Two grievance.

Section 10. Time Limits/Commencement of Grievances

- A. Time limits specified in this procedure may be extended by written mutual agreement of the parties. The failure of the District to comply with any time limit herein means that

the Union may automatically process the grievance to the next step of the grievance procedure. The District will cooperate fully with the Union to find methods to expedite the grievance procedure to the maximum extent practical. If the District fails to comply with any time limit herein, the District will pay the cost of filing the grievance with the American Arbitration Association or similar organization.

- B. Commencement of Grievances. A grievance must be commenced at Step One no later than sixty (60) days from the discovery of the grievable event(s) or from when the event(s) reasonably should have been discovered.

Section 11. Grievance Forms

Forms for the grievance procedure will be developed jointly by the CTU and the Deputy Chief of Human Resources. (See Appendix J, MOU on Contract Implementation)

Section 12. Timely Grievance Answer Notification

The District Step 2 representative and/or the District Step 3 hearing officer(s) shall electronically notify the CTU Director(s) of Grievances of Step 2 and Step 3 grievance answers within the timelines set forth in this Article. The appropriate District departments will also be notified of the grievance answer in order to facilitate compliance with the grievance answer. (See Appendix J, MOU on Contract Implementation)

The District and Union will jointly determine, if necessary, any communication plan in order to implement the results of a mediation, arbitration, or settlement of any grievance. (See Appendix J, MOU on Contract Implementation)

Section 13. Timely Payment

In any grievance which has been sustained through the grievance process, and which calls for an employee to receive a monetary payment, interest on that amount shall be paid from the thirty-first (31st) day that a settlement is approved by both parties or an award is received from an arbitrator, or the grievance is sustained at a pre-arbitration level. The rate of interest shall be five percent (5%) from the time period appropriate to the settlement. (See Appendix J, MOU on Contract Implementation)

Section 14. Intervention Team.

The District agrees to establish, on a pilot basis and under the auspices of the Labor Management Council, an Intervention Team to facilitate the resolution of problems at the school level between CTU bargaining unit members and school administration.

The Intervention Team shall be comprised of three (3) Principals, three (3) CTU bargaining unit members, and shall be chaired by a mutually agreed upon neutral third party. Intervention Team members shall be appointed by the Labor Management Council (LMC).

The purpose of the Intervention Team will be to work directly with the staff and administration at buildings identified by the LMC to improve working relationships and enhance

the educational environment at the school. Intervention Team members will receive training in conflict resolution, group problem solving, and other techniques relevant to the Team's mission and purpose as determined by the LMC.

The Intervention Team will report its findings and recommendations to the LMC concerning each school to which it is assigned and shall otherwise keep the LMC apprised of its activities under procedures to be developed by the LMC.

The LMC shall approve or modify the Intervention Team's findings and recommendations and shall submit a report as approved or modified with recommendations to the CEO, the appropriate Academic Superintendent, and the CTU President.

EMPLOYEES: COMPLAINTS AND FILES

Section 1. Complaints About Employees

- A. In the event that an Academic Superintendent receives a letter from a Principal or Supervisor derogatory to an employee, the following steps will be taken:
 - 1. The employee will be given a copy of the letter;
 - 2. The employee will be allowed to respond in writing;
 - 3. Any complaints may be investigated as to their validity or relevance;
 - 4. Any unsubstantiated complaint will not be placed in the employee's personnel file.
- B. In the event that an Academic Superintendent receives a letter or complaint from a parent derogatory to an employee, he/she will be notified immediately and, if it is necessary, be afforded the same opportunity to reply as in A(2) above.
- C. In the event a complaint or charge about job performance is made by a person or persons not employed by the District against any employee represented in this Agreement, the employee concerned shall be promptly notified and afforded due process.

Section 2. Employee Files

The official employee's file shall be maintained at the offices of Human Resources. The official employee's file and any other file maintained in whole or in part concerning an employee shall be maintained under the following procedure:

- A. No material derogatory to an employee's conduct, service, character or personality shall be placed in the file unless the employee has the opportunity to read and discuss the material with the author. The employee shall be provided with a copy of the material within five (5) working days* (excluding days employee or Principal/Administrator is absent) of the receipt of the material by the Principal/Administrator in question. After being provided a copy of the material, the employee shall be given the opportunity to discuss the material as soon as possible after the receipt of the material by the Administrator but not later than five (5) working days* (excluding days employee or Principal/Administrator is absent) after such receipt. All such materials authored by supervisory personnel shall be signed and dated. These time restrictions may be extended where circumstances warrant. The employee shall acknowledge that such material has been read by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that the material to be filed has been read, and does not necessarily indicate agreement with its content. If the employee refuses to sign the actual copy to be filed, it shall be noted on that copy by the supervisor involved who shall also procure the signature of one (1) witness. The signature of the witness shall constitute acknowledgment for the purposes of this paragraph. Any such

material placed in the employee files, after the date of this Agreement, without the acknowledgment of the employee, cannot be used against the employee in any proceedings, and is to be removed from the file.

* Where a supervisor is not normally stationed at the building where the employee is assigned, or where an employee is not normally stationed at the building where the supervisor is assigned the material shall be provided to the employee within ten (10) working days of receipt and an opportunity to discuss the material will be scheduled no later than ten (10) working days after the employee is provided a copy, without reference to the absence of the employee or supervisor.

- B. The employee shall have the right to answer any material filed and his/her answer shall be attached to the file copy. Personnel files shall not contain any unsubstantiated or false information. The burden of proof shall fall on the employee. Information found to be false or unsubstantiated shall be removed from said file. Derogatory material not related to incidents substantiated at the level of Academic Superintendent or central administration shall be deleted after five (5) years of no reported derogatory incidents being placed in the file.
- C. When an employee refuses to sign material derogatory to the employee's conduct, service or character, including the "Principal's Composite Evaluation," the employee may write, "I disagree," and then sign the material. Should the employee still refuse to sign the material, a third party may be brought in to witness and sign the material indicating that the employee has seen and had the opportunity to discuss it.
- D. Permission to examine the official file shall be given upon appropriate request by the employee.
- E. Letters from creditors shall be forwarded to the person in question with a standard form asking that the person contact the creditor to clarify the problem. No record of such correspondence shall be maintained. Requests from financial institutions for information on personnel covered by this Agreement will only be honored in the following areas:
 - (a) confirmation of employment;
 - (b) salary;
 - (c) years of service with the District;
 - (d) other items only available from the District.

- B. A continuing contract shall be granted only to teachers who have provided notice of their eligibility, by submitting the Continuing Contract Request Form to Human Resources, by the 15th day of September of the year the teacher becomes eligible (the parties agree that “the year the teacher becomes eligible” means this is the third or seventh year depending upon when the initial educator license was issued) for a continuing contract and who have met one of the following criteria:
1. The teacher holds a professional, permanent, or life teacher’s certificate;
 2. The teacher meets the following conditions:

Section 6. Supplemental Contracts

If the board authorizes compensation in addition to the salary paid under O.R.C. 3311.78 for the performance of duties by a teacher that are in addition to the teacher's regular teaching duties, the board shall enter into a supplemental written contract with each teacher who is to perform additional duties. Such supplemental written contracts shall be limited contracts and shall set forth the teacher's duties and specify the salaries and compensation to be paid for additional teaching duties, respectively.

Section 7. Reemployment Procedures of Teachers on Limited or Extended Limited Contracts

- A. The board of education shall enter into a limited contract with each teacher employed by the board who is not eligible to be considered for a continuing contract.

- B. Any teacher employed under a limited contract who is not eligible to be considered for a continuing contract is, at the expiration of such limited contract, considered reemployed under a one (1) year limited contract, unless the board gives such teacher written notice of its intention not to reemploy such teacher on or before the first day of June. The teacher is presumed to have accepted such employment unless the teacher notifies the board in writing to the contrary on or before the 10th day of July.
- C. If the board adopts a motion or resolution to employ a teacher under a limited contract or extended limited contract, or under a continuing contract pursuant to O.R.C. 3311.77(E), and the teacher accepts such employment, the failure of such parties to execute a written contract shall not void such employment contract.

Section 8. Non-reemployment Procedures of Teachers on Limited or Extended Limited Contracts

- A. The following only applies upon the expiration of a teacher's limited or extended limited contract.
- B. Prior to the board giving written notice to a teacher of its intention not to reemploy such teacher, the following shall apply:

 2. The Principal/Administrator shall provide the teacher with notice of his/her recommendation that the teacher not be reemployed, with a copy to the Union and the Academic Superintendent.
 3. The Academic Superintendent shall hold a hearing with the teacher, CTU representative, and Principal/Administrator. Following the hearing, the Academic Superintendent shall transmit his or her recommendation to the CEO, with a copy to the employee and the CTU.
 4. If a recommendation for non-reemployment is made by the Academic Superintendent or if the CEO intends to recommend non-reemployment to the Board, the teacher shall be entitled to a hearing before the CEO or his/her designee, with CTU representation, prior to any recommendation to the Board.
 5. The CEO shall make a recommendation to the school board. A copy of the recommendation shall be issued to the teacher and CTU.
 6. On or before June 1 of the year that the teacher's limited or extended limited contract expires, the board must give a teacher written notice of its intention not to reemploy the teacher. A copy shall be provided to the CTU.
 7. Any teacher receiving written notice of the intention of the board not to reemploy such teacher pursuant to this section may request a hearing before the board. The request for a hearing shall be in writing and shall be delivered to the Chief Financial Officer of the District within ten (10) days of the date of receipt of the notice. The

hearing shall be held in executive session of the board at the board's next scheduled meeting. Following the hearing, or if no hearing is requested, the board shall act on the question of the teacher's reemployment. The decision of the board shall be final and shall not be subject to further appeal.

Section 9. Teachers Eligible for a Continuing Contract

- A. Upon the recommendation of the CEO that a teacher be reemployed where the teacher satisfies the criteria in division (E) of O.R.C 3311.77 (i.e., Section 5, above) and has taught in the District for at least three (3) years, or at least two (2) years in the case of a teacher who received a continuing contract elsewhere, the board shall enter into a continuing contract with the teacher, unless the board by a three-fourths (3/4) vote of its full membership rejects the recommendation of the CEO. If the board rejects the recommendation, or if the CEO recommends that the teacher not be reemployed, the board may proceed not to renew the teacher's contract in accordance with O.R.C. 3311.81 as if the teacher was not eligible to be considered for a continuing contract.
- B. In the event the CEO does not recommend to the board that a teacher receive a continuing contract where the teacher satisfies the criteria in division (E) of O.R.C. 3311.77 (i.e., Section 5, above) and has taught in the District for at least three (3) years, or at least two (2) years in the case of a teacher who received a continuing contract elsewhere, the CEO may recommend to the board that the teacher receive an extended limited contract. In that event, the chief executive officer, or the CEO's designee, shall provide the teacher written notice, not less than five (5) business days prior to any board action on the recommendation, for an extended limited contract with reasons directed at professional development not later than the 1st day of June. An extended limited contract may be issued:
 - 1. For a teacher who has been awarded a continuing contract in another school district and has served in the Cleveland Metropolitan School District for two (2) years, in one (1) year increments or for multiple years, in no event to exceed a total of two (2) years;
 - 2. For a teacher who is newly eligible for a continuing contract, in one (1) year increments or for multiple years, in no event to exceed a total of four (4) years.

Upon any subsequent reemployment of the teacher after the expiration of the extended limited contract or contracts, only a continuing contract may be entered into. The teacher is presumed to have accepted employment under such continuing contract unless the teacher notifies the Board in writing to the contrary before the 10th day of July, and a continuing contract shall be executed accordingly.

- C. In the event the CEO fails to make any recommendation regarding a contract for a teacher who satisfies the criteria in division (E) of O.R.C. 3311.77 (i.e., Section 5, above) and has taught in the District for at least three (3) years, or at least two (2) years in the case of a teacher who received a continuing contract elsewhere, the teacher shall be

reemployed under a one (1) year extended limited contract. That contract may be subsequently extended for an additional one (1) to three (3) years consistent with divisions (D)(2)(a) and (b) of O.R.C. 3311.81. The teacher is presumed to have accepted employment under such extended limited contract unless the teacher notifies the Board in writing to the contrary before the 10th day of July.

- D. The provisions of this section shall not apply to any supplemental written contracts entered into pursuant to O.R.C. 3311.77 (i.e., Section 6, above).

ARTICLE 9

SCHOOL SCHEDULES, MEETINGS AND CALENDAR

Section 1. School Calendar

The annual calendar for all District schools shall be approved by the Board. The calendar shall include the starting and ending times for the school day for each building, as well as all elements relevant to bargaining unit members (e.g., parent conferences, professional days, etc.). Prior to the approval of the calendar, the CTU shall provide input. The Board shall make best-faith efforts for the initial annual calendar to be established by May 1. However, the parties recognize that reasonable modifications (e.g., transportation needs) may be required by the Board, upon the recommendation of the CEO. A final calendar shall be adopted by the Board no later than July 15 or one (1) month before the beginning of the teachers' first work day, whichever is earlier. Modifications may be made to a building calendar by the Board after this date, upon the recommendation of the CEO and the mutual agreement of the UCC and the Principal. The equivalent of six (6) hours for parent/teacher conference sessions for all bargaining unit members will be held outside of school hours in lieu of the workday the Wednesday before Thanksgiving. Unless otherwise specified by the Board's adopted calendar, these parent/teacher conference hours will be scheduled with written mutual agreement between the Principal and the UCC specifying the day(s) and time(s) these will take place. A portion of these hours will be scheduled to occur prior to December 15.

Section 2. School Start Times

A. School Start Time.

1. Beginning with the 2019-2020 school year, all teachers, except as noted in paragraph 2 below will have a 400 minute student instructional day, with 100 minutes of administrator designed professional time weekly as defined below. Each day shall include:
 - 10 minutes of unassigned time before start of instructional day*;
 - 40-minute uninterrupted duty-free lunch;
 - 1 planning period (at PreK-8, fifty (50) minutes) during each student instructional day;
 - 100 minutes per week "administrator-designed professional time" as defined below.
2. Teachers at Louisa May Alcott will be exempt from the ten (10) minutes unassigned time at the start of the instructional day noted in paragraph 1, above, and will maintain the building substitutes as follows:

Enrollment up to 300	1 Building Sub
Enrollment 301-600	2 Building Subs
Enrollment 600+	3 Building Subs

Participation in the administrator designed professional time is mandatory and members are expected to fully participate in the professional experiences that are relevant to their position. The administrator designed professional time will be scheduled immediately before or after the student school day, Tuesday and Wednesday, in fifty (50) minute increments unless a different time frame is approved via the Academic Achievement Plan (AAP). Through the AAP process, schools may also schedule the administrator designed professional time within an extended student day. This administrator designed professional time will be reflected in the school's master schedule.

The Principal, Chapter Chairperson, and Academic Progress Team (APT) (Appendix Q) are responsible for seeking input from staff to align administrator-designed professional activities to meet the needs of the building staff. This input will be considered by the administration when scheduling the 100 minutes of administrator-designed time for professional activities as outlined below. The parties recognize that reasonable modifications to the scheduled professional activities may be required. These are allowable after consultation with the APT.

The 100 minutes of administrator-designed professional time shall be used for:

1. Team Time (which can include grade-level teams, committee meetings, vertical planning, and must include state-mandated programs or initiatives such as Teacher Based Teams)
2. General Collaboration
3. Professional Development
4. Student Support Team (SST)
5. New Program
6. Professional Learning Community
7. Faculty Meeting. (The Union shall have input into the agenda of the meeting. The last ten (10) minutes of the meeting shall be devoted to Union business.)
8. Individual teacher meetings/conferences.

If a school's calendar exceeds the standard workday or work year, appropriate compensation will be determined consistent with Article 30.

No teacher's current salary will be reduced as a result of this standard workday if the teacher's assignment remains unchanged. Upon ratification of the new contract, teachers accepting assignments to schools that operate outside of the standard workday will be compensated as described above.

*The ten (10) minute report time does not include the following bargaining unit members as their work day is 7 hours and 45 minutes: paraprofessionals, sign language/educational interpreters, and other classified employees.

Section 3. Lunch Periods/Travel Time

Each teacher is to have a duty-free, uninterrupted lunch period of a minimum of forty (40) minutes. The forty (40)-minute lunch period for teachers shall be scheduled during the regularly scheduled student lunch periods of the regular day, unless with written consent by the affected teacher. No one teacher or teachers will exceed the lunch time allocated for the majority of the faculty. Teachers assigned to more than one building in a school day shall not have to travel during their lunch period nor during their unassigned periods.

Section 4. School Schedule

- A. Joint Committee on School Schedules – The CEO and CTU President shall each appoint three (3) members to the Joint Committee on School Schedules. The committee will review and problem-solve identified schedule concerns in order to allow schools to incorporate changes into their AAPs. The committee will conduct an annual review in May to discuss the structure of the school day and implementation of schedules in grades PreK-12. In order to meet the needs of the school model, the committee will consider the use of the AAP process. Where that is not feasible, the committee will consider the use of an MOU to meet the objectives of the desired schedule.
- B. All special subject area periods shall be standardized as a minimum of a class period.
- C. Teachers required to work at two (2) or more buildings in one (1) day shall adhere to the schedule of the first building for the rest of the work day.
- D. On professional days, schools shall have the option of deciding on a starting time other than the one set to accommodate the busing of children.
- E. The CTU will be notified prior to any changes in the schedule and will be appraised regularly as to the progress made in solving the problem.
- F. School Day Scheduling (Elementary/PreK-8).
 - 1. Schedules for the following school year shall be completed as soon as possible in the preceding school year. All assignments shall be as equitable as possible in terms of honoring preferences and number of preparations. For any changes made after the end of the school year, all teachers affected shall be notified in writing as soon as possible. Teachers in grades 6, 7, 8 will have no more than three (3) preparations except as provided below. By May 30 of the preceding school year, teachers whose preference is to teach in grades 6-8 must submit in writing to both the Principal and Chapter Chairperson their willingness to volunteer for more than three (3) preparations in the following school year, if necessary as determined by the UCC. If sufficient volunteers are not available to meet the needs of the grades 6-8 schedules, the Principal and the Chapter Chairperson shall determine the fairest and most appropriate solution other than establishing self-contained classrooms.
 - 2. If drastic changes in the school population require significant changes in scheduling, such changes shall be completed by October 1.

3. All teachers in PreK-8 schools will be assigned no more than six (6) assignments (including Team time) of 50-minute duration, including passing time per day, or the equivalent (i.e., block scheduling). All school schedules will reflect an eight (8) period day or its block equivalent. PreK-8 teachers' schedules may be changed on a quarterly basis with permission of the affected teacher.
4. When a PreK-8 class is scheduled for an ESP class twice a week, it may be scheduled for two (2) consecutive periods with the concurrence of the Principal, UCC and all teachers involved.
5. Special education classes will follow state guidelines.
6. All students in PreK-8 buildings shall be scheduled for each of the following: art, music, physical education, and media.
7. For purposes of calculating additional minutes, a teacher's daily rate will be divided by 420 minutes, which is the standard teacher workday outlined in Section 2 of this Article. The 420 minutes for the additional minute calculation is based upon the weekly average of five 400 minutes student instructional days per week plus the 100 weekly minutes of administrator designed professional time.
8. Literacy Block. At least eighty (80) minutes of each school day will be dedicated as literacy block(s) unless otherwise modified by the AAP.
9. The schedule must be aligned with the school's approved Academic Achievement Plan. Schools may schedule the Teacher Student Contact Time in a manner which best addresses the school's needs and priorities as identified in the AAP.

- d. Teacher-assigned time at the high schools shall not exceed 300 minutes per day, at traditional high schools or 330 minutes per day at extended day high schools, and shall include all assignments, passing time and homerooms/advisories. - g. For the purposes of calculating additional minutes, a teacher's daily rate will be divided by 420 minutes, which is the standard teacher workday outlined in Section 2 of this Article. The 420 minutes for the additional minute calculation is based upon the weekly average of the five 400 minute student instructional days per week plus the 100 weekly minutes of administrator designed professional time.

- D. Teachers who volunteer to accept an assigned period beyond the school day as part of their normal work load may be scheduled to arrive at the start of the second period. However, if the assigned period is in excess of the normal scheduled teacher load, the

teacher shall report at the regular starting time for teachers, shall assume a full schedule of duties, and shall receive additional compensation for the assigned period. Compensation in such instances shall be paid per paragraphs A, B, and/or C above.

- E. Whenever conferences or meetings are scheduled by the CEO or his/her staff during working hours, participating teachers shall suffer no loss of pay and a substitute shall be provided.

When this is not practicable, the class may be divided into three (3) groups with one (1) group being assigned to each of three (3) teachers. Each teacher shall then be paid at the special substitute rate as set forth in Appendix A.
- B. Teachers of special subjects (including but not limited to reading and math intervention teachers) are not to be removed from their regular assignments to function as substitutes for absent teachers.
- C. When an elementary or PreK-8 class is divided because no substitute is available for an absent teacher, those pupils coming from the absent teacher's class are not to be assigned to teachers of special subjects unless they are regularly scheduled for such assignment.

- D. When a special subject teacher is absent, every effort will be made to find a suitable substitute. When a suitable substitute is not available, the procedure set forth in A above will apply.

ARTICLE 10

- A. The class size for Child Development (regular PreK) with one (1) teacher and one (1) educational aide shall be 20 with no more than two (2) of those 20 who are on IEPs (excluding “speech-only” IEPs). For grades K-3, the class size shall be 25 including ESP. For grades 4-8, the class size shall be 28, including ESP. For grades 9-12, the class size shall be 30, including art and music (excluding choir, band, orchestra and similar activities). For grades 9-12 P.E., class size shall be 33.
- B. If the administration in a building cannot meet these limits in paragraph A above in one or more classrooms, the Principal, the UCC Chairperson, and the affected teacher have a responsibility to address class size limits at the school level. If, after a good faith effort, they are unable to do so, the Principal and UCC Chapter Chairperson shall submit in writing the evidence of the problem-solving efforts to the appropriate Academic Superintendent who will attempt to solve the problem. If a teacher is assigned students beyond the applicable limit, one or more of the following options will be utilized:
1. Reassignment of students or teachers;
 2. Add an additional classroom teacher;
 3. Assign an educational aide;
 4. In self-contained classrooms, pay the affected teacher \$5.00 per student per day for each student above the limit in grades PreK-8 (the appropriate Academic Superintendent must preapprove a self-contained classroom in grades 6-8). Compensation for each marking period of the school year shall be based upon student enrollment (as evidenced by progress reports or grade scan reports) on the last Friday of each marking period, with said compensation retroactive to the beginning of the marking period. When an overage exists, including the problem-solving process time period, the teacher shall receive overage compensation. All such compensation shall be paid by following the completion of the school year, but no later than July 15 of each year;
 5. In departmentalized classrooms, pay the affected teacher \$1.00 per student per instructional period per day for each student above the limit. Compensation for each marking period of the school year shall be based upon student enrollment (as evidenced by progress reports or grade scan reports) the last Friday of each marking period, with said compensation retroactive to the beginning of the marking period. When an overage exists, including the problem-solving process time period, the teacher shall receive overage compensation. All such compensation shall be paid by separate check following the completion of the school year, but no later than July 15 of each year.

- C. All disputes regarding oversized class compensation (both regular and special education classes for all levels) for the previous school year shall be arbitrated as an expedited class action on or about August 1 of each year.
- D. The District shall maintain teacher-pupil ratios as mandated by the State Department of Education.
- E. The Principal of each school shall, when organization takes place, hold at least one faculty meeting to explain the faculty staffing procedure, including pupil-teacher ratio and class size.
- F. The Principal and the UCC shall meet prior to, and during, each semester to establish equitable class sizes (including health classes in secondary schools), based upon staff availability in the school. Teacher assignments, including subjects or grades assigned to teach, non-teaching duties, unassigned duties and room assignments, are to be part of the discussion in the establishment of the master schedule of the school. Teachers shall have the responsibility of reporting any inequities in class size or teacher assignments to the UCC, which will attempt to resolve them within the building, per paragraph B, above. If it cannot be resolved within the building, the UCC may pursue the problem through the grievance procedure.
- G. Where possible, in elementary and PreK-8 buildings, split-grade elementary classes shall be eliminated. If a teacher has a split-grade class, priority shall be given to assigning that teacher a single-grade class the following year. Initial emphasis should be placed on eliminating all split-grade primary classes. Split classes shall not be given to teachers who are in their first 180 working days of teaching unless the school's organizational structure is based on multi-grade/age grouping.
- H. Where possible, split assignments for Encore teachers between two (2) or more buildings shall be eliminated.
- I. The District will not assign a licensed/certificated teacher to a class or assignment for which they are not licensed/certificated to teach, except in situations in which the teacher is seeking licensure in that area and accepts the assignment. If the teacher seeking licensure in the additional area accepts the assignment, that teacher will assume all responsibilities for the assignment, including the evaluation process.
- J. Elementary science teachers may spend a majority of their classroom instruction time in teaching science by the voluntary trading of classes which will be organized by written mutual agreement between the Principal and the UCC.
- K. All subjects taken by PreK-8 students shall count for promotion.
- L. Team Leaders, Special Education Liaison, ESP Liaison, Subject Area Specialists. When Team Leaders, Special Education Liaison, ESP Liaison, Subject Area Specialists are in place, the following procedures will be followed. Each grade, or cluster of grades (e.g., Grade 3 and 4 teachers combine to form one (1) team) with at least three (3) homeroom teachers within a PreK-8 building shall have the equivalent of a Grade-Level Chair or

Core Team Leader, hereafter called Team Leaders. In addition, all PreK-8 buildings will have four Subject Area Specialists (language arts, math, science and social studies), one Special Education Liaison and one ESP Liaison for all ESP teachers. No additional released periods will be provided for these positions. There will be one (1) Department Head for all ESP teachers, hereafter called ESP Liaison, in PreK-8 schools. In all PreK-8 schools, Subject Area Specialists, one (1) Special Education Liaison and one ESP Liaison will be selected every two (2) years by a process established by written mutual agreement between the UCC and Principal. The selection process for these positions will commence no later than May 1 and be concluded no later than May 15. For all positions made vacant by transfer, promotion, retirement, etc., the position will be posted for one (1) week, and all members eligible to apply shall submit their letter of interest to the Chapter Chairperson and Principal. These positions may also be considered for inclusion in the Differentiated Compensation System.

- M. Subject Area Specialists, Special Education Liaisons, and ESP Liaisons are to report to their schools all day for the two (2) work days preceding the opening of school and will be paid on a prorated basis according to their ensuing year's annual contract salary. These positions may also be considered for inclusion in the Differentiated Compensation System.
- N. The P.A. The P.A. system may be used once a day or as defined in the guidelines agreed to in a written mutual agreement by the Principal and the UCC at the beginning of each school year.

Section 2. Lesson Plans

- A. Lesson plans should be considered as a guideline for effective instruction. Therefore, it is essential that teachers maintain substantive daily lesson plans which will provide a framework for such instruction. Substantive lesson plans include, at a minimum, aims and goals for student learning/achievement which parallel the District's Scope and Sequence; daily, weekly and instructional unit objectives correlated to the District's Scope and Sequence, including timelines set by the District, and assessment tools. Teachers are not required to recopy or otherwise duplicate information contained in the Scope and Sequence or timelines into their lesson plans.
- B. An emergency lesson plan must be left with either the appropriate department head or administrator to be available for substitutes to facilitate instruction when the regular teacher is absent. This emergency lesson plan shall contain the basic information necessary for the substitute to carry on during the teacher's absence.
- C. The regularly assigned teacher should not be expected to submit lesson plans when he or she is absent for one (1) week or more due to illness or family emergency. For non-emergency absences, teachers are required to leave lesson plans with the appropriate department head or administrator prior to any absence, unless otherwise approved by the Principal. The regularly assigned teacher, department head and/or administrator should use discretion in the making of arrangements to continue a program of instruction.

- D. Duplicate sets of lesson plans are not necessary and need not be prepared.

Section 3. Special Education Assignments

- A. Ohio law requires that all special education class assignments shall maintain intervention specialist and related services personnel/pupil ratios in compliance with the Ohio Operating Standards for Ohio Educational Agencies Serving Children With Disabilities (3301-51-09) (hereinafter referred to as “Operating Standards”). If the Ohio Department of Education adopts legislation or regulations which mandate changes in the service provider ratios for delivery of services (3301-51-09(1)) the parties shall reopen good faith negotiations in this section of the contract (Article 10, Section 3) regarding the impact on terms and conditions of employment.

The current Operating Standards available in each building and online are as follows:

**Maximum caseload = 80 using the following formula:

(1.6* _____ low-incidence cases) + (1.6* _____ preschool cases) = _____ high-incidence cases = total caseload

Caseload maximums are adjusted down by one (1) for each time an RSP travels between sites in a day. For RSPs working part time in school settings, expectations for case completion will be prorated based on the number of days worked per week.

In the event the service provider ratios for intervention specialists and related services personnel in the Operating Standards are exceeded, the District will follow the waiver procedures in accordance with the Operating Standards (3301-51-09(K)). One (1) or more of the following options providing adherence to the Operating Standards may be considered before a waiver is requested:

1. Reassignment of students;
2. The assignment of an additional intervention specialist/related service provider or qualified long-term substitute to create a new class/assignment;
3. The District may enact a special transfer of a qualified intervention specialist/related service provider from another building because of enrollment changes after October 1, provided the special transfer does not result in a caseload overage.

If the administration is still unable to meet the instructional and/or caseload limits after a good-faith effort to implement options 1 through 3 above, the District shall pay the affected intervention specialist/related service provider (with the exception of school psychologists) at the class-size overage rate contained in Article 10, Section 1 of this Agreement. Compensation for each marking period of the school year shall be computed in accordance with Article 10, Section 1(D) as follows:

\$5.00 per student, per day, for special education students over the caseload (enrollment) limits for intervention specialists/related service providers (with the exception of school psychologists) set forth in Article 10, Section 3(A); or

\$1.00 per student, per period, for special education students over the instructional maximum for intervention specialists as set forth in Article 10, Section 3(A).

Effective with the 2017-18 school year, the District and the Office of Psychological Services' UCC will jointly develop and implement a plan to provide equitable and comprehensive psychological services to all buildings in the District, specifically accounting for the equitable distribution of initial and re-evaluations independent of school assignments. If the District and the Office of Psychological Services' UCC are unable to reach agreement on a plan, the parties will submit their respective proposals to a mutually selected arbitrator, who will be charged with selecting one of the proposals. The arbitrator's decision will be binding. The parties will share the cost of the arbitrator.

For changes in student enrollment (number of students enrolled), or student need (types of services needed by students), that impact service provider ratios and workload after October 1, number 3 above will apply. School Psychologists who are required to complete more than 55 ETRs shall be paid as follows: \$250 for each Evaluation Team Report (ETR) completed in one (1) school year from 56 to 60 cases; \$500 for each Evaluation Team Report (ETR) completed in one (1) school year over 60 cases.

For School Psychologists working part time in school settings, expectations for case completion will be prorated based on the number of days worked per week.

If the CTU believes the District has not made a good-faith effort to implement options 1 through 3 above at any time, the CTU shall have the right to grieve the situation directly to the CEO or designee. If the situation is not remedied within 20 working days after being brought to the CEO's attention, the CTU may take the matter directly to the expedited arbitration in

accordance with the procedures set forth in Article 6, Section 5(C) of this Agreement and the AAA (or similar organization) rules governing expedited arbitration.

B. Paraprofessionals and Sign Language/Educational Interpreters.

1. Paraprofessionals and Sign Language/Educational Interpreters shall be assigned to assist special education classes as determined by the special education Division in accordance with the service provider ratios (3301-51-09(1)) and the students' Individual Education Plans (IEPs).
 2. Every effort shall be made to find a regular substitute for a paraprofessional who is absent or released from any scheduled class. Regular or substitute paraprofessionals may become "special substitute paraprofessionals" when a substitute is not available. Special substitute assignments shall be voluntary, except in emergencies as determined by the principal consistent with the standards set in the written mutual agreement defined in Article 10, Section 6 (and Appendix M) by the UCC and principal at the beginning of the school year. Special substitute assignments shall be made on an equitable basis whenever possible. For each event when the paraprofessional acts as a substitute for another paraprofessional which increases their responsibilities beyond their regular assignment (i.e., paraprofessionals covering two classes simultaneously or serving the needs of another paraprofessional's students while assigned to duties in their regular assignment) the paraprofessional will be paid the maximum hourly rate for a substitute instructional aide. The paraprofessional accepting this substitute event will be paid in 30-minute increments in which an assignment for less than 30 minutes would be paid one half of the hourly rate for that substitute event (e.g., a twenty-minute substitute event equals 1/2-hour payment; eighty-minute substitute event equals 1.5-hour payment). Paraprofessionals cannot be paid for coverages of relief time breaks of other paraprofessionals as defined in Article 24 Section 1(N).
- C. Children who are determined to be eligible for special education services under the Operating Standards shall be served in the Least Restrictive Environment (LRE) and in accordance with their IEP. Assignment of all special education students to music, art, physical education, media, and other ESP teachers shall be in accordance with their IEP.

Assistance will be given to the administration by Intervention Specialists/caseload managers in developing schedules for students with IEPs being educated within the regular classroom.

Students on IEPs (excluding "speech-only" IEPs) shall be distributed in accordance with their IEP and equitably across appropriate settings when being scheduled into regular education/ESP classes. Scheduling decisions will be made with the intention of avoiding the assignment of a disproportionately large number of students with IEPs into a single class. In grades K-3, when the District's scheduling decision results in more than four (4) special education students scheduled in the regular education classroom, including ESP, then the CTU member shall be compensated at the rate of \$1.00 per student per period per day for each additional student. In grades 4-12, when the District's scheduling decision

results in more than five (5) special education students scheduled in the regular education classroom, including ESP, then the CTU member shall be compensated at the rate of \$1.00 per student per period per day for each additional student. Nothing in this section shall interfere with the implementation of the LRE and continuum of service options required by federal and state regulations.

- D. Every intervention specialist will be given one additional planning period per month, September through May, for the purpose of IEP development and caseload management. Schools will determine the process for providing this additional planning period through written mutual agreement between the UCC and building principal. Absent a written mutual agreement at the building level, a process will be determined by the appropriate Third Vice President of the CTU and the appropriate Academic Superintendent of the District. (See Appendix J, MOU on Contract Implementation)
- E. In-service courses shall be offered for any CTU bargaining unit member upon recommendation of the Joint Special Education Committee (JSEC) to the professional development committee.
- F. A regular education teacher shall be required to participate in the development of the special education student's IEP and shall have access to all information pertaining to the student's present level of educational functioning (3301-51-07(I)(1)(b), (K)(4)(a), (L)(1)(c) and (2)(c); (3301-51-09 (G)(3)(b)).

If a regular education teacher has documented concerns that a child with a disability is unable to function adequately in their regular setting, he/she may request that the IEP team reconvene to discuss the concerns.

G. Procedures for Providing Special Education Services.

- 1. If a regular education teacher has academic or behavioral concerns regarding a student in his/her classroom, the child will be referred to the Student Support Team (SST). Consistent with 3301-35-06, the regular education teacher shall implement and document interventions to resolve concerns for any preschool or school-age child who is performing below grade-level standards prior to any referral for suspected disability.
- 2. If a teacher suspects that a student has a disability and recommends a student be evaluated for a disability, the administration will adhere to the Operating Standards (3301-51-06) requirements and timelines.
- 3. If a student is evaluated in accordance with the Operating Standards and found eligible for special education services and parental consent obtained, the student shall be served in the LRE in accordance with his/her IEP.
- 4. As determined by the IEP, an inclusion classroom is staffed with a teaching team consisting of one full-time intervention specialist and one full-time regular education teacher for the period(s) necessary to meet the specified IEP goals and services. When scheduling prohibits the intervention specialist staff from servicing

students on IEPs as described above, the Principal and UCC, in consultation with the appropriate District special education manager as necessary, shall meet to determine an appropriate remedy that enables the IEP to be implemented.

When inclusion (the part- or full-time education of students on IEPs within the regular classroom for the primary purpose of social/emotional development with age-appropriate peers and modification of academic instruction according to the IEP) has been determined for a student on an IEP, the selection of the regular education teacher will be on a voluntary basis, unless insufficient volunteers are available to meet the needs of students on IEPs as defined by law. In this case, the Principal and IEP team shall determine the fairest and most appropriate solution. When an intervention specialist is servicing students in a regular education classroom, the intervention specialist will work collaboratively with the regular education teacher in the performance of classroom duties which may include team teaching, small group instruction, classroom management, joint lesson planning, providing interventions for regular education students and students with IEPs, determining grades and other typical classroom duties. For the purpose of class size overage as described in Article 10, Sections 1 (A), (B), (C), and (D), students on IEPs are not to be counted towards calculating the regular education teacher/ESP's class size overage while being serviced as described above.

The JSEC will develop a list of best practices for students being serviced in an inclusive setting.

5. Every intervention specialist will be assigned a case load of students by the Principal and each student's case manager will be documented in the Student Information System (SIS). Intervention Specialists will report progress on IEP goals/objectives for students on his/her caseload as required by the Operating Standards. Grades for courses in which these students are enrolled will be assigned by the subject area Highly Qualified Teacher (HQT) on the current report card system.
 6. Only the IEP team may make decisions about how a special education child will be served consistent with the requirement that all students be served in the LRE. The IEP team will consist of the individuals required by the Operating Standards including the parents of a child, not less than one (1) regular education teacher of the child, not less than one (1) intervention specialist of the child, a representative of the school district, and others as appropriate (3301-51-07(I)). All such services shall be on an individualized basis according to the IEP.
 7. The IEP conference and regular report card conferences will be the joint responsibility of the regular education teacher, intervention specialist and related services providers who service the student.
- H. Joint Special Education Committee (JSEC). The JSEC shall consist of five (5) members selected by the CTU, five (5) members selected by administration, and up to three (3) parents mutually agreed upon by the CTU and administration. A good-faith effort

between the CTU and administration will be made so that the appointments shall include at least one (1) representative from the following categories: regular education classroom, special education classroom, related services personnel, paraprofessionals, ESPs, PreK-8 Principal, and 9-12 Principal. Its main function shall be to discuss all matters regarding special education, including:

1. Recommending the use of flow-thru expenditures that may assist in determining annual funding priorities for flow-thru monies, if requested;
2. Recommending and assisting with the implementation of and compliance with adopted board policies and with strategies that will foster collaboration between regular education and special education personnel for the purpose of improving the educational and support services provided to the District's special education students;
3. Making recommendations to the CEO and CTU President or their appropriate designees on issues relevant to special education;
4. Recommending specific areas and topics for professional development;
5. Discussing current service delivery concerns and their impact on District needs;
6. Developing a list of best practices for students being serviced in an inclusive setting;
7. Making recommendations to the CTU President or designee and to the CEO or designee for a decision as a result of monitoring the implementation of newly agreed upon special education contract language;
8. Communicating policies and procedures to staff annually regarding IEPs and state guidelines including guidance that IEPs will be written on the educational needs of the student rather than to comply with a school's program or model;
9. Recommending ways to increase access to information to relevant parties and increase efficiency of compliance-related tasks;

The JSEC shall meet regularly but not less than once per month. The JSEC will develop its own agenda. The meetings shall be co-chaired by representatives of the Union and the District.

- I. Appropriate building and individual training regarding compliance with the Operating Standards will be required for all CTU bargaining unit members serving students with IEPs. Any such training that has been approved in advance by the Division of special education or recommended by the JSEC and approved by the CEO or designee and the CTU President or designee, which occurs outside the school day or school year, will be reimbursed at the in-service rate of the appropriate bargaining unit member.

Section 4. Elementary/PreK-8 Assignments

Subject to Article 12, Elementary/PreK-8 teachers shall not be required to change grade level or school after October 1 for the purpose of enrollment adjustments.

Section 5. Grade Level/Subject Preference

Effective with the 2017-18 school year, teachers and paraprofessionals shall submit their grade level/subject preference for the following year to the Principal on or before February 15, and those preferences shall not be unreasonably refused.

Section 6. Teachers Assigned as Special Substitutes

- A. Every effort shall be made to find a regular substitute for a teacher when a teacher is absent or released from any scheduled class. Regular teachers may become “special substitute teachers” when a substitute is not available. Special substitute assignments shall be voluntary, except in emergencies as determined by the Principal consistent with the standards set in a written mutual agreement by the UCC and Principal at the beginning of the school year.
- B. Special substitute assignments shall be made on an equitable basis whenever possible.
- C. Special substitute assignments for secondary and elementary/PreK-8 schools shall be paid at the special substitute rate as set forth in Appendix A, Miscellaneous Rates of Pay.
- D. In the secondary schools, teachers may cover classes as special substitute teachers during their unassigned periods with the following guidelines:
 - 1. Each teacher is limited to a maximum of two (2) classes in a school day;
 - 2. When possible, a teacher in the subject area department will cover the class;
 - 3. Classes of absent teachers shall not be assigned to study halls;
 - 4. A substitute will be provided for any absent teacher in study hall. If the normal procedure for coverage cannot be followed, this will be considered an “emergency” as defined in paragraph (A) of this section
- E. If a paraprofessional is absent, not assigned, or released from any scheduled class, the District should first send a substitute paraprofessional or hire a paraprofessional into an open position. If no paraprofessional coverage is provided, the teacher shall be paid at the paraprofessional substitute rate listed in Appendix A for instructional time with the classroom (i.e., excluding lunch, planning, or other non-classroom time, as these times are paid at the teacher special substitute rate in Appendix A). This coverage rate does not apply to bilingual paraprofessionals.

Section 7. Student Trainees Assigned to Teachers, Related Service Providers and Sign Language Interpreters

Every effort will be made by the District to encourage colleges and universities sending student interns into the schools to standardize and improve the honorarium paid to supervising members. Where a member has a college student assigned as an observer, participant, or student intern for a quarter or semester, the member will be paid a stipend by the District, at the rate established by the college providing the trainee, subject to withholding for taxes and pension contributions. The CTU and District realize the importance of giving college students the opportunity to observe all aspects of urban school situations and programs. It is agreed that such observations and visitations by college students will be distributed equally throughout the Cleveland schools so that such students will be afforded a complete and rounded experience. At the end of each semester, the District will provide the CTU with notice of all members who have a college student assigned as an observer, participant or student intern, the college providing the trainee, and the rate established by the college providing the trainee.

Section 8. Staff Development Programs

The District shall allow teachers to participate in appropriate staff development programs that it initiates or will offer an equal number of programs to accommodate an equal number of teachers provided there is no substitute cost to the District.

Section 9. Classroom Integrity

- A. No program or specified remedial action for students involving other certificated/licensed personnel, other than those assigned to the building and programs which have been mutually scheduled with the teacher and designed to take place in the classroom, may occur without the consent of the classroom teacher normally assigned there. If consent is not given, other arrangements must be made for the services to take place. This language shall not be construed to deny any student instructional services to which he/she is entitled.
- B. All visits to the schools, including visits by parents, community members, State or Federal representatives, District-employed consultants, and District employees, are to abide by the guidelines in Appendix W of this Agreement.
- C. Effective with the 2019-2020 school year, guidelines for classroom feedback visits by school level administrators are in Appendix W of this Agreement.
- D. Parents and community members may visit classes provided that District guidelines and the CTU Agreement are followed. The Principal and UCC of each building will develop guidelines by written mutual agreement concerning such classroom visits. Teachers shall have the discretion to limit access when visitation will cause disruption to the educational process.

Section 10. K-1 Transition Classes

The Principal in written mutual agreement with the UCC in each elementary/PreK-8 school may opt to establish at least one K-1 transition class within existing staff allocations. The students selected for this class will be determined by the kindergarten and first grade teachers and the class size shall be set by the UCC. The K-1 transition class is meant to be a bridge between kindergarten and first grade, as well as a gatekeeper structure to direct children to the appropriate services which best serve their needs. This may include referral to first grade, second grade, special education services, and/or other appropriate school programs.

Section 11. Reading in Content Areas

- A. Each certificated/licensed employee in the District is encouraged to develop skills necessary to assist students to improve in reading.
- B. As instructional reading skills in the content areas are acquired, certificated/licensed employees will incorporate them in their instructional plans and delivery.
- C. Graded courses of study will be revised to allow for the infusion of reading skills.
- D. The infusion of reading in the content areas may be assessed based on classroom instructional evaluation procedures.
- E. Each school staff will develop and implement a plan to improve reading.

Section 12. Parent/Guardian Contact

The District and the Union agree that contacts with the student's parent/guardian are an important and essential part of a teacher's professional responsibility.

Each teacher shall make every good-faith effort to utilize telephone calls, home visits, or other contacts with the parent/guardian of each student to the extent possible by the first quarter progress reports and shall continue these contacts, as necessary, throughout the school year. Other bargaining unit members shall assist. The purpose of the contact with the parent/guardian shall be to establish rapport to address/solve teacher and/or parent/guardian concerns, e.g., potential discipline issues, academic performance, and test results. Parent/guardian contacts should be documented for future reference. Teachers will continue to be available throughout the school year for parent-teacher conferences within their scheduled school day, exclusive of lunch, and arranged in consideration of the teacher's schedule and other commitments.

Section 13. Looping

Looping is taking the same class of children two or more years consecutively. Teachers may volunteer to loop, subject to written mutual agreement between the Principal and the UCC.

Section 14. Internal Review Team

The Chapter Chairperson, or his/her designee, shall be invited to participate on any internal review team formed to evaluate the functioning of the school.

Section 15. Reduction in Student Testing

The District and the CTU are committed to reducing the amount of instructional time used to test and for test preparation. Beginning in the 2019-2020 school year, at a minimum the following assessments will be eliminated: Conditions for Learning Survey Winter administration, Pro-Core, science and social studies assessments, encore assessments used for SLO's, STAR, CAP science and social studies assessments, grade 1 and 2 state writing diagnostics, and spring administration of the NWEA except for grades 2 and 3 which shall administer the reading NWEA assessment in May. Should a teacher outside of grades 2 or 3 choose to administer the spring NWEA assessments, that option shall be available.

By July 1, 2019, CTU and CMSD will work collaboratively to reduce the length of Conditions for Learning Surveys, while maintaining validity.

A District approved menu of aligned vendor progress monitoring tools will be made available for school to select and incorporate into their Academic Achievement Plan. If a school elects to include such assessments, language in the AAP shall include which grade levels/subject areas are affected, how the assessment tools will be used and whether the benchmark assessment are required.

The CTU may provide any feedback about test scheduling to be considered for the coming school year via existing district-union committees (e.g. the Calendar Committee, TDES Steering Committee, Third Grade Guarantee committee, Humanware committee, etc.) through the end of the first month of school. Additionally, CTU may provide any feedback for testing calendars for future years through these same existing committees by February 1. The feedback will go to the Academic Department for overall consideration into the testing calendar. Effective with the 2020-21 school year, the District will annually, no later than May 1, make available the testing calendar, the purpose of and time required for each test, and statutory requirements related to testing for the purposes of review and feedback.

ARTICLE 11

TEACHER NON-INSTRUCTIONAL DUTIES

Section 1. Equitable Distribution of Extra Duties

Assignment to extra duties shall be made equitably among all teaching personnel, including teachers in federally and State-funded programs, and assignment in those programs, for those indicating interest, shall be rotated among those interested on a yearly basis.

Section 2. Reduction of Clerical Duties

- A. The District will make every effort to reduce the duplicate recording of data by teachers.
- B. Workshops shall be established for Principals and UCC representatives to mutually explore ways of improving clerical and recordkeeping systems.

Section 3. Elementary/PreK-8 Hot Lunch Program

The Elementary/PreK-8 Hot Lunch Program is to be conducted in such a manner that it does not require any teacher to supervise its operation.

Section 4. School Lunch

The Principal shall be responsible for all functions, procedures and personnel involved in the operation of the cafeteria/lunch room. All lunch duty by certificated/licensed teachers shall be voluntary. By April 15 of the preceding school year, teachers must submit in writing to both the Principal and Chapter Chairperson their willingness to volunteer for lunch duty in lieu of a teaching assignment the following school year. If sufficient volunteers are not available to meet the needs of the lunch program, the Principal and the Chapter Chairperson shall determine the fairest and most appropriate solution. No teacher shall be involuntarily assigned lunch duty for two (two) consecutive school years.

Section 5. Development of Breakfast and Lunch Programs

The Principal and the UCC shall develop procedures in a written mutual agreement for the operation of the breakfast and lunch programs.

Section 6. Custodial Duties

No teacher or pupil shall be assigned responsibilities normally performed by the custodial staff. Teachers assigned to schools having a Breakfast, Hot Lunch and/or Bag Lunch Program shall not be responsible for custodial duties related to these programs.

Section 7. Supervision of Pupils

No bargaining unit member will be required to transport a pupil in his/her personal vehicle. Secondary teachers shall not be assigned to supervise lavatories.

Section 8. After-School Supervision

Child Development and Kindergarten students who remain after school because a parent or guardian arrives late shall be the responsibility of the administration.

Section 9. Elementary/PreK-8 Breakfast Program

- A. The District will schedule and serve student breakfast outside of the regular classroom. If space is not available for all of the students, then classrooms may be used for those students who cannot be served outside of the regular classroom.
- B. The District will utilize all non-certificated staff and/or parent/community volunteers, if available, to supervise student breakfast. If sufficient staff or volunteers are not available, classroom teachers may supervise student breakfast.
- C. Classroom teachers who supervise breakfast will be paid at the in-service rate (based on one-half (1/2) of the in-service rate per day). Payment will be made on or about July 15 following the school year.
- D. Classrooms will not be used for breakfast rooms whenever possible.

Section 10. Report Time

All bargaining unit members with the exception of paraprofessionals, sign language/educational interpreters, occupational therapy assistants, and physical therapy assistants will arrive ten (10) minutes before the start of the student day. During this time, such bargaining unit members must be in the school building. However, this time may not be assigned by the Principal or other administrator.

ARTICLE 12

HIRING, ASSIGNMENT, AND TRANSFER PROCEDURES

Teacher, as used in this Article, shall mean certificated and/or licensed teaching personnel under continuing or limited contract on the teacher's salary schedule in the District.

Section 1. Applying for Open Positions

A. Personnel Selection Committees

1. Each school shall establish a Personnel Selection Committee consisting of the Principal, the CTU Chapter Chairperson, a parent and a staff member from the job classification for the posted position and any other members mutually agreed upon by the Principal and Chapter Chairperson. When openings for bargaining unit positions occur, the Principal and UCC shall, by mutual written agreement, select the members of the Personnel Selection Committee who will interview candidates for those positions. Individual buildings will hold interviews, with the Personnel Selection Committee, on dates and times that have been mutually agreed upon by the Administrator and Chapter Chairperson. Interviews will not be delayed due to the unavailability of duly notified members of the Personnel Selection Committee during school recess periods.
2. In the event the District creates a new program or school, the Personnel Selection Committee will consist of a representative from Human Resources, the CTU President or his/her designee, a parent representative, a certificated/licensed teacher, a principal, if selected, and a community representative. The Personnel Selection Committee will hold interviews on dates and times that have been mutually agreed upon by the Administrator and Chapter Chairperson. Interviews will not be delayed due to the unavailability of duly notified members of the Personnel Selection Committee, including during school recess periods.

B. The process for applying for open positions shall be as follows:

1. There are two (2) application periods for applying for open positions.
 - a. Application Period One: For openings that exist prior to the start of the school year, the date to begin the first application period will be selected mutually by the District and CTU and will be determined by May 1 of each year. The process will end ten (10) days prior to the start of the school year. All interested certified/licensed teachers may apply for open positions in this application period.
 - b. Application Period Two: For openings that occur at the beginning of the school year, the process will end by September 30, or another date mutually agreed upon by the District and CTU. There shall be no necessary transfers due to enrollment after October 1. Only those certified/licensed teachers

who have been identified for a necessary transfer as described in Section 2 below may participate in this application period.

- c. Each application period may include an Open Position Fair as outlined in paragraph 8 below.
 - d. The District will assign a substitute teacher or hire an external candidate for any open position occurring outside of the Open Position application periods.
2. The District will determine preliminary teacher allocations based on projected student enrollment and programming needs prior to the posting of open positions. Final teacher allocations will be made in the month of September.
3. Any current teacher interested in interviewing for an open position must submit to the desired building(s) his/her "Interest to Interview Form." The Personnel Selection Committee shall consider each applicant's Form, along with any qualified external applicants, and will determine who will be interviewed. Neither an interview nor a position is guaranteed.
4. In accordance with O.R.C. 3311.79, the Personnel Selection Committee shall make recommendations whether to assign a teacher to an open position in the building based on how suitable the teacher's credentials fulfill the needs of the particular school. For this purpose, the Personnel Selection Committee shall consider the following credentials:
 - a. The level of certification/license held by the teacher;
 - b. The number of subject areas the teacher is certified/licensed to teach;
 - c. Whether the teacher is "Highly Qualified" per the O.R.C.;
 - d. The results of the teacher's performance evaluations;
 - e. Whether the teacher has recently taught and been evaluated in the grade(s) and/or subject area(s) the teacher would teach at the school;
 - f. Any specialized training or experience the teacher possesses relevant to the open position;
 - g. Any other credential established by the CEO or Personnel Selection Committee.
5. Seniority or continuing contract status will not be used as the primary factor in determining any teacher's selection for an open position.
6. Positions interviewed for will be based upon identified open positions. The Personnel Selection Committee shall make its recommendations to the CEO or

designee for final approval of the assignment. Individual building administrators must notify Human Resources of the Personnel Selection Committee's recommendations via email.

7. Once a teacher has voluntarily accepted a transfer to an open position, the teacher cannot apply for or accept any other positions that must be filled during the course of that same school year unless:
 - a. The teacher is subsequently identified by the CEO or designee for a Necessary Transfer; or
 - b. During Application Period Two, the teacher is reapplying for a position at a school from which the teacher was previously identified as a Necessary Transfer during Application Period One for the same school year, (see Section 1(B)(1) above), in which case the teacher must submit the "Interest to Interview Form" within two (2) work days of the posting. The Personnel Selection Committee must consider and act upon the "Interest to Interview Form" within three (3) working days of its receipt prior to considering other applicants. Neither an interview nor a position is guaranteed.
8. Open Position Fair(s) may be held during each application period on date(s) mutually agreed upon by the District and the CTU. At the Open Position Fair(s) the Personnel Selection Committee from each building will interview teachers that have been selected by the Personnel Selection Committee via the "Interest to Interview Form" jointly revised by the CMSD and CTU representatives.
 - a. On the day of the Open Position Fair, if there is an open time slot, teachers may request an interview with the Personnel Selection Committee.
 - b. At the Open Position Fair, following the interviews, applicants who remain interested in any position(s) will complete a form listing the building assignments they will accept in order of preference. This form will be turned in to the registration table prior to leaving the Open Position Fair. Also, the Personnel Selection Committee, prior to leaving the Open Position Fair, will turn in their school's teacher selection form.
9. If the building Personnel Selection Committee(s) has not identified candidates for open positions by the timelines set forth in paragraph (B)(1)(a) and (b) above, the CEO or designee shall assign teachers to any remaining open positions based on the best interests of the District, taking into consideration all input from the Personnel Selection Committees.
10. Bargaining unit members will not receive additional compensation as an interviewer or interviewee.

Section 2. Necessary Transfers

- A. Defined. Necessary transfers are transfers out of a school initiated by the administration after notice and discussion with the Union because of:
1. Enrollment changes;
 2. Eliminating positions;
 3. Closing programs.
- B. Determining Candidates for Necessary Transfers. Prior to the Open Position application periods set forth in Section 1(B)(1)(a) and (b) above, the following process for determining candidates for Necessary Transfers must be completed:
1. The District will notify each school's Principal and Chapter Chairperson of the proposed positions subject to Necessary Transfer.
 2. The Principal and Chapter Chairperson may provide alternative recommendations to Human Resources within two (2) working days.
 3. After considering the recommendations, the District will notify each school's Principal and Chapter Chairperson of the final positions subject to Necessary Transfer.
 4. The Principal and Chapter Chairperson will notify the staff of the affected grades/subject areas. Staff who would like to volunteer for a Necessary Transfer will notify Human Resources within two (2) work days.
 5. If there is an insufficient number of volunteers, the staff to be reassigned will be determined based upon (i) experience, (ii) area of certification/licensure, (iii) level of certification/licensure, and (iv) specialized training as determined in accordance with Article 19, Layoffs and Recalls of teachers. The weight allocated for each factor is as follows:
 - i. Experience – One (1) point for every year of teaching experience in the District. Teachers who resign or retire from their positions and are later reemployed shall lose those years acquired prior to the separation unless he/she is reemployed as a teacher in a school year consecutive to that of the separation.
 - ii. Area of certification/licensure – One (1) point for each area, two (2) points for Comprehensive Science or Social Studies.
 - iii. Level of certification/licensure – One (1) point for each level (i.e., one (1) point for Resident Educator License, two (2) points for Professional Educator License/Permanent Certificate, three (3) points for Senior

Professional Educator License, and four (4) points for Lead Educator License).

- iv. Specialized training – One (1) point for every area of specialized training.

The Principal and Chapter Chair will verify the order for Necessary Transfers. In the event the weighting is equal, the tie breaking procedure set forth in Article 17, Section 4, Seniority Tie-Breaker, will be used.

A MOU governing the Related Service Providers Assignment Process is contained in Appendix J.

The CEO and CTU President may mutually agree to modify the factors in this paragraph.

- 6. Secondary schools (middle and high schools) will apply number 5 above in necessary transfers on a departmental basis.

Elementary schools and PreK-8 schools will apply number 5 above in necessary transfers on a school basis, except in Kindergarten, Child Development, Special Education and Special Subject (ESP) Areas. For the purpose of this section all Intervention courses are to be considered in the regular education department.

In Kindergarten, Child Development, Special Education, and Special Subject (ESP) Areas, number 5 above will be applied on a departmental basis within the school.

- 7. Teachers who have been identified as subject to Necessary Transfers shall be notified in writing that they will be required to participate in the Open Position process as described in Section 1(B) above. The notice will be given no later than the first day of the applicable Open Position application period.

C. Exemptions to Necessary Transfers. The following will be exempt from Necessary Transfers:

- 1. The CTU Chapter Chairperson;
- 2. Three (3) teachers identified by position only determined by the Principal of each school after notice and consultation with the building's UCC. In schools with more than 600 students and less than 900 students, four (4) teachers identified by position only may be selected, and in schools with more than 900 students, five (5) teachers identified by position only may be selected. Such selection shall be made from the following list in a written mutual agreement by the 1st of February or there shall be no exemptions for the following school year except that of the CTU Chapter Chairperson:

- B. In the event it becomes necessary to assign, reassign, or transfer a teacher, whether voluntary or involuntarily on the part of the teacher, for the purpose of promoting the best interests of the District, the Academic Superintendent shall first meet with the teacher, the Principals of the affected buildings, and the CTU President or designee. The assignment, reassignment or transfer shall not be delayed due to the unavailability of the meeting participants who have been duly notified. (See MOU on Contract Implementation)
- C. The District may enact a special transfer of a qualified intervention specialist from another building because of enrollment changes after October 1, provided the special transfer does not result in a caseload overage.

Section 4. Transfer Protocol

- A. If a person is transferred, then effective on the first day of the second grading period, this person carries with him/her all system seniority accumulated to that time.
- B. Chapter Chairs will be a part of the Transfer Process, including the staffing calls or meetings with the Principals at each building.
- C. The District and the CTU will work together in the preparation of materials and the process ("Interest to Interview Form," resumes/applications, training materials, and the training session) with the Principals and Chapter Chairs.
- D. Once the preliminary allocations are determined, a new open position list will be posted each working day throughout the Open Position application period, if there is a change.

During the remainder of the school year a new Open Position List will be sent to the CTU on the 1st of each month.

Section 5. Transfer & Relocation

- A. Teachers being transferred for any reason from one building to another during the school year:

- B. Teachers whose assignment has changed within the building during the school year, which requires a grade-level or classroom move or change, shall receive one (1) day with no pupils to pack and unpack for their new assignment.
- C. In the case of necessary transfers, teachers affected may request the District to move job-related materials from the old worksite to the new worksite.

Section 6. Posting Procedure

- A. The District will provide CTU with an Open Position List each month. The list will be sent electronically no later than the first Friday of each month.
- B. Vacancies that occur outside of the Open Position application process will be posted within 30 days of the determination to fill a vacancy. It shall be posted on the District website and via email by the administration along with the position requirements, job description, and the salary to be paid.
- C. When new programs/projects are initiated in an existing school, the staff in that building shall have the opportunity to apply and be considered for positions consistent with the process set forth in Section 1 above. Following initial selection of program/project staff, only vacant positions shall be posted.
- D. If the District and CTU have agreed through written mutual agreement on any material changes/differences, bargaining unit members who apply for option programs or schools agree that acceptance of a position with such a program or school constitutes acknowledgment and acceptance of the policies and working conditions associated with the position, some of which may differ from those set forth in this Agreement.

Section 7. Notification

After applicants for posted positions have been interviewed by the Personnel Selection Committee, each applicant will be notified in writing by the administrator of their status as an applicant.

Section 8. Permanent Vacancies, Open Positions

- A. By the first day of the second marking period, all open positions authorized within staffing allocations will be filled with contracted teachers who possess appropriate certification/licensure. Established District personnel selection procedures remain in effect.
- B. Temporary contracts will be issued to appropriately certificated/licensed individuals assigned to open positions created by resignations or extended leaves of absence of greater than four (4) weeks' duration. In cases where an appropriately certificated/licensed teacher is not available, the currently assigned substitute may be permitted to remain in the open position if approved by the Principal, until an appropriately certificated/licensed teacher is available and assigned.
- C. Open Positions. No full-time non-classroom position in a school will be staffed with anyone whose certificate/license qualifies them to fill a classroom open position in that school.

ARTICLE 13

TEACHER EVALUATION

Except as otherwise specifically noted, all changes to Article 13 will take effect as of July 1, 2019.

Section 1. Teacher Development & Evaluation System (TDES)

- A. The purpose of evaluation is to improve and/or recognize effective instruction.
- B. One result of the 2010 negotiations was an MOU (see former Appendix M, now incorporated into the “Legacy” document) that outlined the formation of a Steering Committee to design a new system of Teacher Development and Evaluation for CMSD. “The District (CMSD) and the Union (CTU) agree that an effective Teacher Development and Evaluation System (TDES) must encompass teacher performance, growth and development and enhance student learning. This can only occur in an atmosphere of trust that promotes collaborative dialogue and enhanced professional practice of all educators in our schools and District.” With the support of The American Federation of Teachers (AFT), CMSD and CTU partnered with the Charlotte Danielson Group of Consultants to develop a new system of development and evaluation for all CTU bargaining unit members, that was grounded in the research-based Framework for Teaching. Danielson states, *“An effective system of teacher evaluation accomplishes two things: it ensures quality teaching and it promotes professional learning.”* The MOU delineated that, *“this new model of teacher development and evaluation will include multiple measures of teacher performance and student learning.”*
- C. The TDES Decision Cluster document guides the implementation of the TDES system. The TDES Steering Committee may mutually adapt this document as needed.
- D. For purposes of this Article, “day” refers to work day.
- E. According to O.R.C. 3311.80 and 3319.112, all teachers will receive an Effectiveness Rating each year. This Effectiveness Rating shall be comprised of 100% observational data. The Effectiveness Rating will be determined at the end of the school year and will be reported to the Ohio Department of Education.

Pursuant to O.R.C. 3319.112, or other related statutes, teachers shall use at least two (2) measures of high-quality student data to provide evidence of student learning. If mandated by the Ohio Revised Code, one of the measures shall include value-added progress, if applicable to the teacher’s grade level or subject being taught, as outline in the TDES Redesign Guidance Document. The TDES Steering Committee will develop the menu of high-quality student data based on information available from the State Board of Education and the District. This menu will be revisited annually by the TDES Steering Committee for revisions.

- F. Each school shall have a TDES Committee comprised of the Principal, Chapter Chair, and one (1) to three (3) classroom teachers mutually selected by the Principal and Chapter Chair. The TDES Committee will be trained in the redesigned TDES system and provide school-level training.
- G. Effectiveness Ratings are reported to the Ohio Department of Education according to O.R.C. 3319.112. The other documentation of observation events are kept in the employee's file and are used to determine areas of strengths, and weaknesses, and areas in need of improvement. Observation events will drive the development of a teacher's professional growth plan (PGP) or professional improvement plan (PIP).

A teacher receiving an Effectiveness Rating of "Accomplished" for the 2018-19 school year and subsequent school years will be evaluated every three years. A limited or extended limited contract teacher receiving an Effectiveness Rating of "Accomplished" will be given a three-year limited or extended limited contract to coincide with the two-year evaluation cycle. However, an "Accomplished" teacher with a limited or extended limited contract must be evaluated in any school year in which the teacher's contract is due to expire or where the teacher provides notice of eligibility pursuant to Article 8, Section 4B that he or she wishes to be considered for a Continuing Contract. A teacher receiving an Effective Rating of "Skilled" for the 2018-2019 school year and subsequent school years will be evaluated every two years. A limited or extended limited contract teacher receiving an Effectiveness Rating of "Skilled" will be given a two-year limited or extended limited contract to coincide with the two-year evaluation cycle. However, a "Skilled" teacher with a limited or extended limited contract must be evaluated in any school year in which the teacher's contract is due to expire or where the teacher provides notice of eligibility pursuant to Article 8, Section 4 B that he or she wishes to be considered for a Continuing Contract.

In any year(s) a professional is not formally evaluated (TDES off-years), the professional will follow the process in Article 13, Section 3.

- H. All TDES processes and documentation will be completed through the TDES portal. No other forms for evaluations shall be used.

Administrators may also provide informal feedback to teachers or other educators, outside of the TDES system, using a classroom feedback form. This classroom feedback form is not a part of the TDES system, is not to be used for evaluative purposes, and must follow the procedures in Article 7, Section 2, Employee Files. The spirit of a successful teacher-coach relationship is that for professional growth and learning to take place, a supportive and feedback-rich environment is necessary. The administrator may demonstrate instructional leadership by offering non-evaluative coaching, feedback, or observations not pertaining to formal TDES events. Any feedback form created for this purpose must be aligned to the strategy(ies) in the school's Academic Achievement Plan. If any issues arise with classroom feedback form that is used by an administrator, the teacher or other educator will first address concerns at the building level. If the matter is not resolved, the educator/teacher may submit concerns to the TDES Steering Committee for resolution.

This section is intended to provide guidance on feedback that occurs outside of the TDES system and is not intended to be used in Article 18 hearings.

- I. Pursuant to O.R.C. 3311.80 and Board Resolution 2013-3030(B), all evaluators must be credentialed. A list of credentialed evaluators will be electronically forwarded to the CTU President and TDES co-chairs as made available.
- J. Appeals process - A teacher may request the intervention and/or support of the Network Leader within ten (10) working days of the conclusion of any TDES event. The Network Leader will review the evidence regarding the events to date, and may take one or more of the following actions:
 - 1. Co-evaluate the next event or events;
 - 2. Assign a new evaluator to conduct a new evaluation to replace the prior event(s);
 - 3. Uphold the evidence of the event;
 - 4. Change ratings aligned to evidence, but may not lower the initial rating given by the evaluator;
 - 5. Provide intervention, including more training, for the evaluator.

The Network Leader shall submit an electronic record of the request, his/her response, and the outcome of the appeal within ten (10) working days.

The teacher may appeal the Network Leader's response to the TDES Steering Committee co-chairs within ten (10) working days. The TDES Steering Committee co-chairs will respond within ten (10) working days.

If the co-chairs do not agree on the appeal, the matter will be referred to a TDES expert agreed to by the parties with costs shared by the parties. The parties must accept the TDES expert's decision. The Network Support Leaders and TDES co-chairs must have current OTES credentials.

- K. The evaluator and teacher have a shared responsibility to ensure the teacher is evaluated consistent with this Article.
 - 1. The Chief Talent Officer/Designee will review evaluation data for all schools and will report incomplete evaluations to the CEO, the CTU President, TDES co-chairs, Network Leaders and the building Principals on a monthly basis.
 - 2. In addition, any teacher who is concerned about the timely completion of the evaluation procedure may, at any time, notify his/her evaluator and the TDES Committee co-chairs electronically. Any incomplete evaluations will be referred to the TDES Steering Committee co-chairs for resolution which could include a compressed evaluation schedule.
 - 3. If a compressed evaluation schedule is not possible, the teacher will be assigned the higher of his/her rolling average of the last three (3) years' composite evaluations

rankings for the Teacher Performance Data (rounded to nearest whole) or the last year's evaluation ranking for the Teacher Performance Data. If that data is not available, a default ranking of "Developing" shall be assigned for the year where data does not exist for the Teacher Performance Data and where there is no documented communication initiated by the teacher with the TDES Steering Committee co-chairs to timely remedy the lack of any evaluation under this Article.

4. Where the teacher has initiated, in writing, communications with their evaluator, and if the concern persists, in writing with the TDES Steering Committee co-chairs advising that an event has not been completed in a timely manner in accordance with this Article, and where there is no Teacher Performance Data available, a default performance ranking of "Skilled" shall be assigned for that year.
5. The timelines and/or procedures in this Article may be modified with the agreement of the TDES Steering Committee co-chairs for resolution to accommodate the evaluation of a teacher with missing evaluation data.
- L. The TDES Steering Committee (see Appendix U) will convene monthly to monitor the implementation of TDES, including data collection and outcomes, communications, appeals, training, and any other aspect requiring review. The Steering Committee will develop a guidance document and training plan for the redesigned TDES system consistent with the Article. The Steering Committee will regularly report to the CEO and the President of the CTU.
- M. Teachers on assignment will receive a rating of "Skilled" until such time as an evaluation tool is developed and implemented by the TDES Steering Committee.
- N. The CTU President will receive an annual rating of "Skilled."

Section 2. TDES Timelines/Procedures

- A. Teachers new to CMSD must attend a minimum of six (6) hours of training (Introduction to Framework for Teaching), which shall be scheduled by the District within their first twenty (20) work days. The first evaluation event will take place following the training window.

Paraprofessionals new to the District must attend a minimum of three (3) hours of training which shall be scheduled, at a minimum, on a quarterly basis. The first evaluation event will take place following the training window.

- B. No evaluation or conference will be scheduled on the last day of the semester unless unusual conditions exist.
- C. Each teacher with an Effectiveness Rating of "Accomplished", "Skilled", or "Developing" (without regard to continuing or limited contract status) will have three (3) formal observation "events" consisting of two formal classroom observations and one walk-through. One (1) formal observation will be announced and one formal observation will be unannounced. An additional walk-through may be requested by either the teacher

or the evaluator. However, the additional walk-through is optional and must be agreed upon by both the teacher and the evaluator. The process concludes with a final composite evaluation that reflects the final effectiveness rating. Each teacher with an Effectiveness Rating of “Ineffective” will have a mandatory second walk-through, for a total of four (4) TDES events.

1. The formal announced observation (FAO) will occur during the first semester. For a teacher with an Effectiveness Rating of “Ineffective”, the first walk-through will occur prior to the Formal Announced Observation. The formal unannounced observation (UO) will occur during the second semester. (See Appendix U.)
2. A walk-through is a short classroom visit of five (5) to fifteen (15) minutes. Following the walk-through, written feedback will be provided. The teacher may add additional evidence. The teacher may request a follow-up conversation if he/she feels it is necessary. However, the teacher is not required to respond to a walk-through and a follow-up conversation is not mandatory.

If the evaluator is looking for evidence of off-stage domains, a walk-through can be a *conversational walk-through* in which an evaluator will discuss with the professional the off-stage components of TDES. A conversational walk-through counts as a walk-through event.

3. A formal announced observation process includes a pre-conference, formal observation, and post-conference. The formal, announced observation process will occur within a ten (10) day cycle. Throughout the process, the evaluator will collaborate with the teacher to establish the time for the pre-conference, observation, and post-conference.
 - The ten (10) day window begins when the evaluator and the teacher meet for the pre-conference.
 - Once the pre-conference has been scheduled, the teacher will create and upload the lesson plan.
 - The evaluator will review the lesson plan prior to the pre-conference. The evaluator can also request further details or make suggestions prior to or during the pre-conference.
 - The observation will be a minimum of 30 minutes.
 - The evaluator will document evidence during the observation.
 - At the conclusion of the observation, as soon as possible, but no later than 24 hours, the teacher will receive electronic notification that the evidence is complete and has been submitted.
 - The teacher will review the evidence and may add additional evidence to create a richer and fuller record of the lesson.
 - The teacher will submit a self-evaluation of the lesson. The evaluator will then mark areas of agreement with the self-evaluation.
 - The teacher and evaluator will meet for a post-conference to discuss any discrepancies in the self-evaluation and the observation evidence. The post-conference will also capture evidence of the off-stage elements.

- In the event the FAO does not occur when scheduled, the original submitted TDES lesson plan and evidence will be used for Domain I. A mutually agreed upon date and time will be rescheduled for the observation and post-conference to capture Domains II, III, and IV evidence.
4. A formal unannounced observation does not include notification of the observation, the TDES lesson plan, or a pre-conference. The formal unannounced observation process will occur within a ten (10) day cycle.
 - The evaluator conducts an unannounced observation.
 - The observation will be a minimum of thirty (30) minutes.
 - The evaluator will document evidence during the observation.
 - At the conclusion of the observation, the teacher will receive electronic notification that the evidence is complete and has been submitted. The teacher will review the evidence and may add additional evidence to create a richer and fuller record of the lesson.
 - The teacher will submit a self-evaluation of the lesson. The evaluator will then mark areas of agreement with the self-evaluation.
 - The teacher and evaluator will meet for a post-conference to discuss any discrepancies in the self-evaluation and the observation evidence. The post-conference will also capture evidence of the off-stage elements.
 5. Each year, teachers will receive a Teacher Composite Rating based on the preponderance of the evidence presented from the three (3) or four (4) formal observation “events” reflecting a level of attainment and sustainment of teacher performance. If a person has a “tie” between “Skilled” and “Accomplished,” the related power components will be a “tie-breaker.” “Power components” are the foundational skills listed as components in Domains I, II, III and IV that are considered to be fundamental to teaching. The overall “Accomplished” rating is reserved for those teachers who do not have any (a) “Ineffective” component ratings within the composite or (b) “Developing” component ratings within the composite.
 6. A final Teacher Effectiveness Rating (of “Accomplished,” “Skilled,” “Developing,” or “Ineffective”) will be completed no later than June 1. One hundred percent of the Effectiveness Rating will be comprised to reflect the Teacher Composite Rating outlined above.
- D. All other licensed/certificated bargaining unit members (e.g., guidance counselors, psychologists, and other Related Service Providers (RSPs)), and occupational/physical therapy assistants, without regard to contract status, will undergo three (3) formal observation events. The elements of the process are: Document Submission 1 for Domains 1, 2,3 and 4 (DS-1) one Formal Announced Observation (FAO), and Document Submission for Domains 2 and 3 (DS-2), and a composite conference. DS-1 and DS-2 will take the place of the walkthroughs. An observational walkthrough may be requested by either the professional or the evaluator. However, the observational walkthrough is optional and must be agreed upon by both the professional and the evaluator. The

composite conference is not an observation event; it is a cumulative evidence review and determination of a final rating.

1. Document Submission 1 (DS-1). The professional will collect and submit evidence of Domains I, II, III, and IV, which report and describe his/her regular practice.
 - The evaluator will notify the professional of the date evidence must be submitted and the date of the evaluation conference.
 - Following the evidence submission, the professional self-evaluates on the appropriate rubric and submits the self-evaluation.
 - The evaluator reviews the evidence and the self-evaluation and marks the areas of agreement. The evaluator may add additional evidence or request additional evidence.
 - The evaluator will meet with the professional for a conference, which may be conducted electronically or by phone. At the end of the conference, the evaluator and the professional shall discuss any discrepancies in the self-evaluation and the evidence submitted.
2. FAO includes a pre-conference, formal observation, and post-conference. FAO will occur within a ten (10) day cycle. The evaluator will mutually agree with the RSP to establish the time for the pre-conference, observation, and post-conference.
 - The ten (10) day window begins when the evaluator and the RSP meet for the pre-conference.
 - Once the pre-conference has been scheduled, the RSP will create and upload the service plan.
 - The evaluator will review the service plan prior to the pre-conference. The evaluator can also request further details or make suggestions prior to or during the pre-conference.
 - The observation will be a minimum of thirty (30) minutes.
 - The evaluator will document evidence during the observation.
 - At the conclusion of the observation, or as soon as possible, but no later than 24 hours or noon the following day, whichever is sooner, the RSP will receive electronic notification that the evidence is complete and has been submitted.
 - The RSP will review the evidence and may add additional evidence to create a richer and fuller record of the lesson.
 - The RSP will submit a self-evaluation of the lesson. The evaluator will then mark areas of agreement with the self-evaluation.
 - The RSP and evaluator will meet for a post-conference to discuss any discrepancies in the self-evaluation and the observation evidence. The post-conference will allow both the evaluator and the professional to capture evidence of the off-stage elements, which will be included in the evidence collection.

- In the event FAO does not occur when scheduled, the original submitted TDES lesson plan and evidence will be used for Domain I. A mutually agreed upon date and time will be rescheduled for the observation and post-conference to capture Domains II, III, and IV evidence.
3. Document Submission 2 (DS-2). The professional will collect and submit evidence of Domains II and III, and the above process will be followed.
 4. DS-1 and the FAO will occur no later than the last day of the second quarter. DS-2 will occur after the FAO is completed, but no later than the last day of the third quarter.
 5. At the end of the year, the evaluator will schedule a composite conference.
 - The professional will submit a summative self-evaluation rating document.
 - The evaluator will review the summative rating document and mark areas of agreement.
 - During the composite conference, the evaluator and the professional will discuss discrepancies.
 6. Each year, RSPs will receive a Teacher Composite Rating based on the preponderance of the evidence presented from the three (3) formal observation “events” reflecting a level of attainment and sustainment of performance. If a person has a “tie” between “Skilled” and “Accomplished,” the related power components will be a “tie-breaker.” Power components are the foundational skills listed as components in Domains I, II, III and IV that are considered to be fundamental to teaching. The overall “Accomplished” rating is reserved for those RSPs who do not have any (a) “Ineffective” component ratings within the composite or (b) “Developing” component ratings within the composite.
 7. A final Teacher Effectiveness Rating (of “Accomplished,” “Skilled,” “Developing,” or “Ineffective”) will be completed no later than June 1. One hundred percent (100%) of the Effectiveness Rating will comprised to reflect the Teacher Composite Rating outlined above.
 8. An RSP receiving an Effectiveness Rating of “Accomplished” for the 2018-19 school year and subsequent school years will be evaluated every three years. A limited or extended limited contract RSP receiving an Effectiveness Rating of “Accomplished” will be given a three year limited or extended limited contract to coincide with the three-year evaluation cycle. However, an “accomplished” RSP with a limited or extended limited contract must be evaluated in any school year in which the RSP’s contract is due to expire or where the RSP provides notice of eligibility pursuant to Article 8, Section 4 B that he or she wishes to be considered for a Continuing Contract.
 9. An RSP receiving an Effective Rating of “Skilled” for the 2018-2019 school year and subsequence school years will be evaluated every two years. A limited or extended limited contract teacher receiving an Effectiveness Rating of “Skilled”

will be given a two-year limited or extended limited contact to coincide with the two-year evaluation cycle. However, a “Skilled” teacher with a limited or extended limited contract must be evaluated in any school year in which the RSP’s contract is due to expire or where the RSP provides notice of eligibility pursuant to Article 8, Section 4 B that he or she wishes to be considered for a Continuing Contract.

In any year(s) a professional is not formally evaluated (TDES off-years), the professional will follow the process in Article 13, Section 3.

E. Paraprofessionals will undergo two (2) formal observation “events.”

1. During the first semester, the paraprofessional will collect evidence of Domains I and IV, which report and describe his/her regular practice.
 - The evaluator will notify the paraprofessional of the date evidence must be submitted and the date of the evaluation conference.
 - Following the evidence submission, the paraprofessional self-evaluates on the appropriate rubric and submits the self-evaluation.
 - The evaluator reviews the evidence and the self-evaluation and marks the areas of agreement. The evaluator may add additional evidence or request additional information.
 - The evaluator will meet with the paraprofessional for a conference. At the conference, the evaluator and the paraprofessional shall discuss any discrepancies in the self-evaluation and the evidence submitted.
2. During the second semester, the paraprofessional will collect evidence of Domains II and III, and the above process will be followed.
3. At the end of each year, following the second observation event, the evaluator will schedule a composite conference.
 - The paraprofessional will submit a summative self-evaluation rating document.
 - The evaluator will review the summative rating document and mark areas of agreement.
 - During the composite conference, the evaluator and the paraprofessional will discuss discrepancies.
4. The evaluator will create a final composite evaluation no later than June 1.
5. A paraprofessional receiving an Effectiveness Rating of “Accomplished” for the 2018-19 school year and subsequent school years will be evaluated every three years.
6. A paraprofessional receiving an Effectiveness Rating of “Skilled” for the 2018-19 school year and subsequent school years will be evaluated every two years.

- F. High School Media Specialists, and Sign Language/Educational Interpreters will follow the same process used for teachers as reflected in paragraph C(1-6) above.
1. A final Effectiveness Rating (Accomplished, Skilled, Developing or Ineffective) will be completed no later than June 1st. One hundred percent of the Effectiveness Rating will be comprised of the Composite Rating outline in Section C(5) above.
 2. A professional receiving an Effectiveness Rating of “Accomplished” for the 2018-19 school year and subsequent school years will be evaluated every three years.
 3. A limited or extended limited contract media specialist receiving an Effectiveness Rating of “Accomplished” will be given a three-year limited or extended limited contract to coincide with the three year evaluation cycle. However, an “Accomplished” media specialist with a limited or extended limited contract must be evaluated in any school year in which the media specialist provides notice of eligibility pursuant to Article 8, Section 4 B that he or she wishes to be considered for a Continuing Contract.
 4. A professional receiving an Effectiveness Rating of “Skilled” for the 2018-19 school year and subsequent school years will be evaluated every two years.
 5. A limited or extended limited contract media specialist receiving an Effectiveness Rating of “Skilled” will be given a two year limited or extended limited contract to coincide with the two-year evaluation cycle. However, a Skilled media specialist with a limited or extended limited contract must be evaluated in any school year in which the media specialist’s contract is due to expire or where the media specialist provides notice of eligibility pursuant to Article 8, Section 4 B that he or she wishes to be considered for a Continuing Contract.

Section 3. Professional Growth and Improvement Plans

Pursuant to ODE’s evaluation framework under O.R.C. 3319.112, all teachers and other professionals will either be on a Professional Growth Plan (PGP) or a Professional Improvement Plan (PIP). A PIP is triggered by an overall Composite Rating of “Ineffective.” Additionally, a rating of “Ineffective” in one or more of the power components may trigger interventions to assist teacher development of improved practice. For classroom teachers, the nine (9) power components have been identified as: 1 c, e, 2 b, c, d, 3 c, d, and 4 b, f. (See Appendix U, Decision Cluster 6.)

Licensed/Certificated bargaining unit members rated “Accomplished” shall write a self-directed PGP. In the TDES off-years, during quarters two or three, there will be an announced check-in visit and scheduled conference regarding the professional’s selected growth plan goals. The professional does not complete a designated lesson plan or upload any evidence. The evaluator does not upload evidence to the TDES portal.

Licensed/Certificated bargaining unit members rated “Skilled” shall jointly develop a PGP with their evaluator. In the TDES off-years, during quarters two or three, there will be an announced check-in visit and scheduled conference regarding the professional’s selected growth

plan goals. The professional does not complete a designated lesson plan or upload any evidence. The evaluator does not upload evidence to the TDES portal.

Licensed/Certificated bargaining unit members rated “Developing” shall jointly develop a PGP with their evaluator.

Licensed/Certificated bargaining unit members rated “Ineffective” shall have a PIP developed by their evaluator.

Where applicable, professionals who are assigned to a grade level or subject area with value added data shall review that data during their PGP/PIP conference.

Section 4. Mentoring/Resident Educator Mentors/Peer Advisors

- A. Teachers will be selected by the PAR Governing Board (in consultation with the Principal and the UCC) with written mutual agreement to work with their new colleagues in a mentoring capacity during the course of the school year. These mentors will receive Resident Educator or Mentoring Training.
- B. Those teachers will be provided with an opportunity to take part in the new teacher orientation as set out in Article 2, Section 6(B) of the Agreement. Mentor teachers who agree to attend the two (2) days of new teacher orientation conducted in the assigned building shall be paid at the Professional Development (In-Service Instructor) rate for their hours of attendance.
- C. The District shall offer 30 hours of professional development for teachers new to the District over the course of the school year.

Twenty (20) hours of this professional development shall be mandatory. The remaining ten (10) hours shall be voluntary.

One-half (1/2) of the mandatory professional development shall be scheduled by the District, which may include Resident Educator/Alternate Resident Educator Requirements and/or TDES requirements. This professional development will be shared with the CTU.

The other half of the mandatory professional development will be scheduled by the Union to implement the Educational Research and Dissemination (ER&D) Program. The CTU will develop and implement this portion of the professional development. ER&D trainers shall be paid at the Professional Development (In-Service Instructor) rate.

The remaining ten (10) hours will be voluntary and will be self-selected by the teacher based on the needs of the professional.

The mentee teachers shall be paid at the Professional Development (In-Service) rate for each hour of attendance of both the mandatory and voluntary professional development.

Mentor teachers are encouraged to participate in professional development with their mentee where practical as part of their mentor role. The mentor teacher will not receive additional compensation for participation.

- D. New teachers will, at their request, be released two (2) days during their first semester in the District and one (1) day during their second semester in the District. These released days will be used to observe and collaborate with their Mentor teacher or other experienced teachers. If the Principal determines that released time is necessary for the mentoring teachers as part of their mentoring efforts, such released time may be granted. Teachers new to the District may be assigned extra time to observe and collaborate with experienced teachers with class coverage provided.
- E. The CTU and CMSD will continue the work started by the CTU/CMSD Induction Committee. This committee may make recommendations to change the Mentoring/Induction program to the CTU President and CEO. Recommended changes may incorporate the ODE's Resident Educator requirements.

Section 5. Peer Assistance and Review Program

A Peer Assistance and Review Program (PAR) will support teacher development and evaluate teacher effectiveness. This section is not subject to Article 13, Section 1(H). Any modifications made to the current PAR system in order to align and support the current TDES system will be developed through the TDES Steering Committee and recommended to the CTU President and CEO for approval.

Section 6. Grievances

A teacher may challenge any violation of the evaluation procedures in accordance with the grievance procedure in Article 6. The grievance will be limited to the determination of procedural errors that have resulted in substantive harm to the teacher and to ordering the correction of procedural errors. The failure of the Board or evaluator to strictly comply with any deadline or evaluation forms under this Article shall not be cause for an arbitrator to determine that a procedural error occurred, unless the arbitrator finds that the failure resulted in substantive harm to the teacher. The arbitrator shall have no jurisdiction to modify the evaluation results, but the arbitrator may stay any decision taken as a result of the evaluation pending the Board's correction of any procedural error. The Board shall correct any procedural error within 15 business days after receipt of the arbitrator's determination that a procedural error occurred.

ARTICLE 14

BUILDING/SCHOOL EVENT SECURITY

Section 1. Building Security

- A. Representatives of the CTU, Principals, custodians and the central administration will review on an annual basis the standard operating procedures to guide school personnel on security and emergency matters.
- B. Written evacuation plans will be developed and shared at the first staff meeting of each school year. These plans shall address the needs of students with mobility issues. Evacuation plans will be reviewed and updated as needed. Necessary training will be provided.
- C. After the annual review referred to in subsection A is completed, the procedures shall be reduced to writing and shall be distributed to school personnel and explained at the annual faculty meeting on discipline set forth in Article 15, Section 13 of this agreement.

Section 2. Trespass and Disruptive Conduct

- A. When a situation such as trespassing, disorderly or disruptive conduct, or assault and battery occurs at a school or school event, the following procedures are to be followed:
 - 1. The Principal should notify the Division of Safety and Security immediately by telephone. A letter with all details, including the names and addresses of witnesses, should be forwarded to the supervisor of the Division as soon as possible for further action. (In serious assault or battery cases, a copy of the letter must be sent to the Chief Legal Counsel.)
 - 2. Principals and teachers are advised to undertake the filing of complaints in Cleveland Municipal Court with the assistance of the Legal Department. The Chief Legal Counsel will assign a liaison representative upon receiving the letter of referral if court action is deemed appropriate.
 - 3. Ohio law requires that court affidavits be filed by the affected parties. The Principal will usually file in matters of trespass or disorderly conduct. In the case of assault and battery, the victim will file.
 - 4. If the matter is brought to trial, a District representative will be present to assist at the hearing.
- B. Cases involving trespassers who are CMSD students under 18 years of age should be referred to the Division of Safety and Security.
- C. Principals faced with a serious problem, threatening the security of school personnel or property, are authorized to call the police department requesting immediate assistance.

- D. Trespassing regulations shall be enforced for persons other than students, staff, and faculty as prescribed in the Board of Education Resolution No. 32827 (Appendix B). All employees covered by this Agreement should become familiar with this resolution.

Section 3. Personal Item Safety

Each CTU bargaining unit member shall have a safe and secure location where personal items can be stored during the school day. The location, rules, and regulations for such storage, and other operational details, shall be developed by mutual written agreement between the Principal and the UCC.

Section 4. Elementary/PreK-8 Summer Storage

To the extent space is currently available in a teacher's elementary/PreK-8 classroom, and not needed for summer school, that teacher shall have the opportunity to secure that space to store personal and instructional materials during the summer.

ARTICLE 15

POLICY AND PROCEDURES GOVERNING SOCIAL EMOTIONAL LEARNING, STUDENT DISCIPLINE, AND MISCONDUCT

Section 1. Policy

Effective discipline, observance of law and order, and respect of the rights of others are necessary so that all pupils may attain the highest degree of quality education. Every pupil has the right to learn, and any act by a classmate which interferes with that right will not be tolerated. Those pupils who deny this right to their classmates and who disrupt classroom and school procedures will be dealt with promptly and vigorously to the full extent of the law and the policies and rules of the District.

The teacher's authority in the classroom is undermined when a pupil is disruptive. As a result, the entire school suffers deterioration in standards, morale and a climate favorable for teaching and learning.

A teacher shall have the right to employ reasonable discipline to maintain a safe environment conducive to learning.

Section 2. Intraschool Assignment

At all schools wherein a child whose documented disruptive behavior indicates that an alternate class assignment would be beneficial for the child and the learning environment, a teacher may by mutual agreement with another teacher arrange for a transfer of the student. The teacher receiving the child may, in turn, identify one child who could also benefit from an alternate setting and that child shall be placed into the first teacher's class. This request will be honored for up to four (4) children per teacher per school year in secondary schools and up to two (2) children per teacher per school year in elementary schools. To be implemented, this arrangement must be in compliance with teacher class size limits.

Section 3. Behavioral History

Principals will share in writing appropriate information with the teacher(s), related service provider(s) and paraprofessional(s) affected concerning the behavioral history (specifically to include behaviors which involve acts of violence, threats of violence, and weapons) of students. The Chapter Chairperson shall, consistent with the mandates set forth in FERPA and O.R.C. 3319.321, be provided with redacted copies of appropriate information regarding the behavioral history of students. This information may include juvenile court history of students new to the school through a special transfer made for disciplinary reasons or when the child returns to school from juvenile court or any institution outside the home.

Section 4. Referral to Principal

- A. A teacher may refer to the Principal or his/her representative for appropriate action a pupil who is causing serious or continuous disruption (Appendix F). The teacher shall immediately communicate in writing to the Principal, or his/her representative, the

necessary information concerning the problem, unless the student is escorted to the office by an adult employee who provides the Principal or his/her representative with the necessary information. An elementary teacher may recommend in the referral that the pupil be retained by the administration for one or more periods. A secondary teacher may recommend that the pupil not be returned to the referring teacher's class that day. The recommendation shall not be unreasonably refused.

- B. In the event the referred pupil refuses to comply with the teacher's directive to report to the office, the teacher may request the assistance of the Principal or his/her representative or the school security officer. The Principal shall, in all cases, provide timely assistance to requesting teachers in need.
- C. When a student is referred to an administrator, appropriate disciplinary action shall be taken. The Principal or his/her representative shall inform the referring teachers of the disposition of the problem.
- D. A teacher or Principal may request a conference with the teacher, Principal, parent and/or counselor (and student where deemed appropriate). After the teacher has demonstrated a good-faith effort to contact the parent and resolve any issues, the Principal, upon review, shall honor the request and communicate, in writing, with the parent/guardian of the student in question and establish a conference time convenient to the teacher and to the parent. If a conference cannot be arranged during regular school hours, then upon mutual agreement any conference may be held before or after regular hours provided that (1) the conference commences no sooner than one hour before the school day or no later than one hour after or 4:00 p.m., and ends no later than 5:00 p.m., and (2) the teacher is compensated for the length of the conference at the in-service rate on the basis of one (1) hour pay for each hour and/or portion thereof. If unable to arrange a conference with the parent, then the conference shall be held and the parent shall be notified of the conference outcome. The Principal shall chair the meeting and the group shall clearly define the expectations for the child's behavior and articulate the forms of discipline and/or procedures which will be used if the child's behavior does not meet the identified expectations. The forms of discipline and/or procedures will take into consideration improvements in the child's behavior.
- E. Offenses for which teachers may refer students to the office and for which the Principal will retain pupils for the remainder of the class period are: chronic Level I, or Level II, III and IV misbehaviors, as specified in the Student Code of Conduct, which is revised annually.
- F. Pupils under office discipline may not be used for school services while being detained. A written record of adverse conduct by a pupil shall be secured and maintained by the administrative staff of each building.

Section 5. Removal for Educational Intervention

A committee comprised of four (4) representatives appointed by the CTU President and four (4) representatives appointed by the CEO shall make recommendations to the CEO and CTU President.

The normal referral process in each school remains in place. Additionally, every classroom teacher shall have the right to exercise a Removal for Educational Intervention (REI) and send a student out of that particular instructional period (secondary/departmentalized instructional period) for up to five (5) days or, if self-contained, out of that particular classroom for up to two (2) days, if the student is consistently or flagrantly disruptive or disrespectful. Students who are being removed from core classes in elementary or PreK-8 schools, may be removed from that classroom for up to two (2) instructional periods. There will be a simple REI form (Appendix F) supplied to all teachers to be sent with the student, unless the student is escorted to the office by an adult employee who provides the Principal or his/her representative with the necessary information. The form must be submitted electronically within 24 hours where the teacher has access to appropriate technology. If the teacher does not have access to appropriate technology, the teacher is to send to the Principal a hard copy of the completed REI Form by the end of the school day. This form will also be used for the purpose of collecting data regarding the REI process and making data-driven decisions regarding possible improvements to the process. The LMC will conduct a quarterly review of the aggregated data of the REI process. Under no circumstances may a teacher have more than three students removed from his/her class at any one time without the permission of the Principal. The REI shall not be refused. Teachers will be provided training regarding the appropriate use of the REI.

The administration is to ensure the due process rights of the student are honored. This includes the due process rights set forth in the Student Code of Conduct and rights guaranteed to students with disabilities under federal and state law. Under no circumstances is the student to be returned to that class before the end of the REI period. In secondary schools, the student shall be sent to the office and the administration shall ensure during that period of the day the student will attend no scheduled class, excluding the Planning Center room, nor be used as an office helper, for the appropriate number of REI days. In elementary schools, the administration shall ensure the student attends no scheduled classes, excluding the Planning Center, for the duration of the removal period, and is not used as an office helper. When a student is removed from a classroom, the administration shall determine the student's placement for those removed days, be it the Planning Center, suspension to home, counseling services, home tutoring, community service, and/or other consequences. However, if the teacher makes a recommendation concerning the consequences, the recommendation shall not be unreasonably refused.

No teacher shall suffer any reprisal by virtue of appropriately using his/her REI.

Section 6. Chapter Chairperson Responsibilities Related to Student Discipline

Effective with the first day of the second semester, the Chapter Chairperson may mediate disputes between the administration and individual teachers when student discipline is an issue. The Chapter Chairperson shall encourage constructive dialogue between the administration and the teacher when discipline issues seem to be impeding the educational process in the classroom.

If the administration believes discipline issues are a concern with the Building Chairperson him/herself, the appropriate Academic Superintendent and CTU Third Vice President shall mediate the dispute. (See Appendix J, MOU on Contract Implementation)

- A. No Removal for Educational Intervention (REI) decision by a teacher may be canceled, modified, or in any way changed by any administrative authority, except upon parental appeal to the CEO and the President of the CTU. If the CEO or designee and the President of the CTU or designee agree the REI was appropriate, it is upheld. If the CEO or designee and the CTU President or designee agree the REI was for an inappropriate amount of time, the number of days is therein adjusted by mutual agreement. If the CEO or designee and the CTU President or designee disagree upon the REI time period, the matter is remanded to the Board of Education which may refuse to hear the appeal or adjudicate the appeal by a two-thirds (2/3) majority vote to uphold or revoke the particular REI time period. In all cases, the student stays removed unless and until there is agreement between the CEO or designee and the CTU President or designee to shorten the term of removal or the appeal is adjudicated by a two-thirds (2/3) vote of the Board of Education.
- B. The District may offer all Chapter Chairpersons a voluntary extended contract for the coming school year for the purpose of before-the-school-year in-service and/or a differential to be present each day for a specified amount of time before and/or after school. Such a differential shall be based on daily rate and the District may determine the amount of time before or after school, up to a maximum of one (1) hour before school and one (1) hour after school.
- C. In the event the Chapter Chairperson concludes that the Principal is not dealing effectively with student discipline concerns, the Chapter Chairperson may contact the Academic Superintendent. The Academic Superintendent shall meet with the Chapter Chairperson and Principal within ten (10) working days of such contact to hear the Chapter Chairperson's concerns and attempt to develop a resolution satisfactory to the Chapter Chairperson and Principal.

Section 7. Written Referrals & Behavioral Remediation

- A. The Discipline Subcommittee of the UCC in each school, which shall include the Principal or administrative designee and the PCIA, will make recommendations for mutual implementation of a school discipline program.
- B. When deemed proper by the teacher involved, in each written referral to the office it shall be specified as to the nature of the remedial action the teacher feels will best deter the child from further inappropriate behavior. If the behavior of the child was a specified Level I, II, III or IV misbehavior as identified by the current Student Code of Conduct, the Principal or his/her designee should seriously consider application of the teacher's specified remedial action. If the child's behavior in the incident is not adequately defined by the Student Code of Conduct and the Principal indicates the proposed remediation is not appropriate, the Discipline Subcommittee of the UCC may recommend alternative forms of discipline in such cases.

Section 8. Referral to CEO

Serious disciplinary problems constituting Levels III or IV misbehaviors (Student Code of Conduct revised annually), should be referred by the Principal to the CEO or designee, who will schedule a conference to be held at the District building, at which the pupil, the parent, and appropriate Board personnel will be in attendance.

Section 9. Principal's Authority for Suspension and Exclusion

- A. The Principal may suspend a pupil in cases of a serious nature. Some acts for which suspension may be considered are: Level I repeated or chronic occurrences, Level II, III or IV misbehaviors (Student Code of Conduct revised annually).
- B. The Principal may recommend the exclusion of a pupil through the normal referral procedures. Final recommendation for exclusion will be made by the CEO or designee.

Section 10. Assault or Battery on an Employee

- A. A serious assault or battery includes (1) any deliberate inappropriate touching by a student or object that was under control of a student, which causes serious physical, psychological, or emotional harm; or (2) reckless conduct that causes serious physical, psychological or emotional harm.
- B. The procedure to be followed in cases of serious assault or battery on an employee by a pupil in the course of employment is:
 - 1. Responsibility of the bargaining unit member: If a bargaining unit member believes that he or she has been seriously assaulted or battered by a student, the bargaining unit member shall complete a Pupil/Employee Incident Form and provide a copy to the Principal/Building Leader immediately, if able to do so, or as soon as possible. If the employee is unable to perform his/her duties, the office shall take appropriate steps to cover the employee's instructional responsibilities for the rest of the day and the employee is entitled to the rest of the day on assault leave. The Pupil/Employee Incident Form and the Article 15, Section 10 and 11 Serious Assault, Battery or Menacing Form are included in Appendix F. In any bargaining unit member assault incident, the Chapter Chairperson shall arrange for all necessary forms to be filed in a timely manner, and shall provide transportation and accompany any teacher (both released on school business) testifying in a court of law regarding a student incident at the school.
 - 2. Responsibility of the Principal/Building Leader after receiving a copy of the Pupil/Employee Incident Form:
 - a. When a serious assault or battery is alleged, the Principal/Building Leader shall immediately initiate an investigation utilizing the District's Division of Safety and Security. This investigation shall include obtaining statements from the employee, the student(s), and any witnesses to the incident. Principals/Building Leaders faced with a serious problem,

threatening the security of school personnel or property, are authorized to call the Cleveland Police Department, requesting immediate assistance.

- b. The investigation shall be completed within two (2) business days of the time the bargaining unit member submits the Pupil/Employee Incident Form. During the investigation, the student shall not be assigned to the impacted bargaining unit member's class.
- c. Following the investigation, the Principal/Building Leader shall immediately conduct a due process hearing to determine if a serious assault or battery occurred. The Principal/Building Leader shall then complete and submit the Article 15, Section 10, Serious Assault, Battery or Menacing Form.
- d. If the Principal/Building Leader determines that a serious assault or battery occurred, the Principal/Building Leader shall immediately suspend the student for ten (10) days and notify the student's parents. In addition, the Principal/Building Leader shall submit the Article 15, Section 10 and 11, Serious Assault, Battery or Menacing Form to the Division of Pupil Personnel, Office of Hearings and Appeals, so the student can be assigned to another placement following the conclusion of the suspension. The Serious Assault, Battery or Menacing Form shall include the definition of assault or battery as defined above. In addition, if the Principal/Building Leader either recommends expulsion or other interventions in addition to the suspension, the Principal/Building Leader shall complete a Student Administrative Intervention Form (SAIF) and forward the SAIF, along with a copy of the file, to the Division of Pupil Personnel, Office of Hearings and Appeals.
- e. Consistent with the Family Educational Rights and Privacy Act (FERPA) and O.R.C. 3319.321, the Principal/Building Leader shall provide a copy of his or her findings to the bargaining unit member and the Chapter Chairperson. These findings shall include redacted copies of any written referral to the Division of Pupil Personnel, Office of Hearings and Appeals, the Incident Report Form, all witness statements, any reports or findings from Safety and Security, and the Principal/Building Leader's determination.
- f. If the Principal/Building Leader determines that a serious assault or battery did not occur, within five (5) days of receiving notification of the principal/building leader's determination, the employee may request that the Academic Superintendent or designee review the facts and render a decision. In such case, the Principal/Building Leader shall provide a complete copy of his or her investigation, including any related paperwork, to the Academic Superintendent. (See MOU on Contract Implementation)

- g. If the assailant has left the premises, the police shall be called and notified, and if the employee requests, a staff individual of the assaulted employee's choice with the Principal's approval may accompany the employee to the police station and/or for medical assistance.
- 3. Responsibility of the Academic Superintendent after receiving a request for review from a bargaining unit member: (See MOU on Contract Implementation)
 - a. The Academic Superintendent shall review all materials provided by the Principal/Building Leader and shall determine whether a serious assault or battery occurred. If the Academic Superintendent determines that a serious assault or battery occurred, the Academic Superintendent shall either follow the procedure outlined in Sections 2(d) and (e) above, or shall direct the Principal/Building Leader to do so. This process shall be completed in no more than two (2) working days from the date the bargaining unit member requests that the Academic Superintendent or designee review the facts and render a decision.
 - b. If the Academic Superintendent determines that a serious assault or battery did not occur, the bargaining unit member may file a grievance related to the incident, pursuant to Article 15, Section 32. The bargaining unit member shall, upon request, and consistent with the mandates set forth in FERPA and O.R.C. 3319.321, be provided with redacted copies of the Pupil/Employee Incident Form, all witness statements, and any report or findings from Safety and Security and the Principal/Building Leader's determination or Academic Superintendent's determination.
- 4. Responsibility of the Division of Pupil Personnel:
 - a. If the Division of Pupil Personnel, Office of Hearings and Appeals, receives a copy of the Article 15, Section 10 and 11, Serious Assault, Battery or Menacing Form, it shall make immediate arrangement for the student to be assigned to another placement following the conclusion of the suspension.
 - b. If an appeal has been filed by the student and/or parent/guardian, the Office of Hearings and Appeals shall review the matter, but the review shall be limited to the determination as to whether the student received due process at the building level.
 - c. If the Division of Pupil Personnel, Office of Hearings and Appeals received a SAIF, it shall conduct a due process hearing, if necessary, and upon review of the facts, a determination will be made for a referral to Juvenile Court and/or disposition by the District.
- 5. Under no circumstances shall a student who has been found to have committed a serious assault or battery on a bargaining unit member be returned to the school either that school year, or any other school year, without the written agreement

between the assaulted member (if still at the school), the receiving member(s), the Chapter Chairperson and the Principal/Building Leader.

- C. Copies of all Article 15, Section 10 and 11, Serious Assault, Battery or Menacing Forms, with the attached Pupil/Employee Incident Forms, shall be forwarded to the President of CTU on a monthly basis by the Office of Safety and Security.
- D. If the CTU believes that Article 15, Section 10, has not been followed, the CTU may file a grievance pursuant to Section 32 of this Article.

Section 11. Menacing

- A. The procedures for serious assault and battery, set forth in Section 10 above, shall also be followed in cases of serious menacing of an employee by a pupil in the course of employment. For purposes of this section, “Serious Menacing” is defined as the pupil making a threat of serious physical, psychological, or emotional harm, orally or in writing, directed to the bargaining unit member or a member of the bargaining unit member’s family.

Under no circumstances shall a student who has been found to have committed a serious menacing on a bargaining unit member or member’s family be returned to the school either that school year, or any other school year, without the written agreement between the menaced member (if still at the school), the receiving member(s), the Chapter Chairperson and the Principal/Building Leader. If the student is to remain, then the affected member, the Chapter Chairperson and the Principal/Building Leader may mutually agree to a suspension of fewer than ten (10) days.

- B. Copies of all Article 15, Section 10 and 11, Serious Assault, Battery or Menacing Forms, with the attached Pupil/Employee Incident Forms, shall be forwarded to the President of CTU on a monthly basis by the Office of Safety and Security.
- C. If the CTU believes that Article 15, Section 11, has not been followed, the CTU may file a grievance pursuant to Section 32 of this Article.

Section 12. Disciplinary Guideline Committee

- A. The District and CTU shall establish a Joint Disciplinary Guideline Committee comprised of equal numbers of CTU representatives and administrators. This committee will meet, at a minimum, on a quarterly basis for the purpose of reviewing data that relates to suspensions and expulsions and data that relates to safe and secure schools. They will discuss and research strategies that have the potential for improving District-wide or school-specific safety and security. Examples of the type of recommendations that the committee can make are: implementation matters related to student hearings and appeals; specific professional development; modifications to the Student Code of Conduct; and intervention options including option schools. The Disciplinary Guideline Committee will forward all recommendations to the District Labor Management Council (LMC).

- B. The “Student Code of Conduct: Rights and Responsibilities” will continue to be distributed to all pupils and parents, and shall be used in all schools as a guide. The Student Code of Conduct shall not be changed except by written mutual agreement between the CTU and the District.

Section 13. Faculty Meetings on Discipline

- A. Faculty meetings shall be scheduled to acquaint faculty members with individual building and District disciplinary procedures.
- B. Principals shall inform the faculty of security personnel responsibilities and their relationship to the school staff. Principals shall be responsible for communicating with the security personnel and/or their supervisor regarding performance concerns.

Section 14. Auditorium Programs for Students

Auditorium programs will be conducted in all schools on the opening day of school to focus on student responsibility and discipline and state clearly the rules and regulations of the school and the school system. The Principal shall conduct and participate in the auditorium program with the planning and presentation to include representatives of the faculty selected by the UCC. Discussion of District policies and state laws and the consequences to be expected for the breaking of these regulations, policies and laws will be the subjects of the program. Elementary/PreK-8 schools shall have two (2) auditorium programs – one (1) for primary grades and one (1) for upper elementary grades. In secondary schools, a separate auditorium program may be provided for each grade level.

Section 15. Detention Period

- A. A school detention period before and/or after school shall be established in each building. The Principal and UCC may agree in a written mutual agreement that the resources devoted to the school detention period may be reallocated to provide an alternative form(s) of discipline.
- B. On a school-by-school basis, the Discipline Subcommittee of the UCC and the Principal shall establish the guidelines for the use of detentions and the length, frequency and time of the detention period program. Cooperatively, they shall determine the staffing and monitoring of such a program.
- C. The detention period will be staffed by teacher volunteers. If there are more volunteers than available slots, selection will be based on system seniority. The volunteer teachers will be paid pursuant to the in-service rate of the contract if the assignment represents an addition to the regular teacher assignment load. If a detention period as determined on a school-by-school basis is less than a full hour, then compensation shall be for a full hour. Teachers shall not be required to cover or work the detention period.
- D. A student who does not attend an assigned detention period shall be assigned two (2) detentions on the next school day on which a detention period is scheduled. If the student fails to attend either of the two (2) detentions, he/she shall be suspended for one (1) day.

The second and all subsequent times this pattern of defiance exhibits itself, he/she shall be suspended for three (3) days after due process.

Section 16. Intraschool Transfer

Students shall not be transferred from one class to another within a school after the first day of the second marking period, unless the teacher(s) involved agree to the transfer, barring unforeseen special circumstances which may prevail, e.g., racial balance, parental concerns, testing recommendations, etc. If unforeseen special circumstances do prevail, the teacher(s) involved will be informed of such circumstances in writing.

Section 17. New Home School for Expellees

In cases where a secondary school student is expelled and it can be shown that his/her return to the home school will create a danger to a bargaining unit member or a severe disruption to the academic process, either the Principal or the CTU Chapter Chairperson may request that the expelled student not be returned to his/her home school during the remainder of his/her years in the District. Such requests shall be heard by a Disciplinary Appeal Panel comprised of the appropriate Academic Superintendent (or his/her designee), the Principal of the school and the Chapter Chairperson of the school. The decision of this Disciplinary Appeal Panel shall be final and binding on the parties to this Agreement. Parents/legal guardians may appeal this decision through procedures as set forth in the Student Code of Conduct. This provision does not apply to expulsions resulting from a serious assault or battery, which are governed by Article 15, Section 10. (See Appendix J, MOU on Contract Implementation)

Any student expelled from school as a result of weapons possession, intentional physical assault against school personnel or a meaningful threat of serious physical harm to school personnel or property will be prohibited from returning to their home school without the written agreement of both the Chapter Chairperson and the Principal. Students expelled for a serious physical assault against another student at school may not be returned to their home school without the written agreement of the Principal, the Chapter Chairperson and school-based student conflict mediators where applicable.

Section 18. Code of Conduct

All District schools are required to consistently enforce the CMSD's Student Code of Conduct. In order to insure consistent enforcement, the school district and CTU will develop examples of offenses and corrective actions for each of the Levels listed in the Student Code of Conduct. There will be ongoing professional development for Principals and Chapter Chairpersons on fair and consistent enforcement of the Student Code of Conduct. Approved discipline intervention strategies are listed in the District's Student Code of Conduct Handbook.

The District and CTU agree to begin implementation of a full spectrum of Restorative Practices including current HumanWare/SEL initiatives. In the 2019-2020 school year, the District HumanWare Department shall provide training on the curriculum, state SEL standards, and HumanWare initiatives prior to implementation. This includes initial and refresher training for SST's, PATHS, Second Step, Classroom Meetings, Planning Centers, restorative practices, and trauma informed practices for all staff. In the 2019-2020 school year, a group of personnel from

the initial schools will be trained by a provider selected by the HumanWare Executive Committee in a train-the-trainer model. The HumanWare Executive Committee will design and monitor the rollout of the training throughout the year. Restorative practice strategies in the Student Code of Conduct are intended to promote a range of strategies and/or tools for professionals to use at their discretion.

Section 19. HumanWare/Social Emotional Learning Committee

A joint HumanWare/Social Emotional Learning (SEL) Committee, of equal CMSD and CTU representatives, will develop early discipline/intervention programs that will include, but are not be limited to, character education and managing antisocial behavior, and other mutually agreed upon goals.

Section 20. Discipline Alternatives

Teachers shall have the right to the emergency removal of students from curricular or extracurricular activities under the teacher's supervision provided that the procedures governing emergency removal as set forth in the Student Code of Conduct are followed. An emergency removal is the removal of a student from a situation in which that student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process in the classroom or elsewhere on the school premises. Emergency removal is not a disciplinary tool and shall not be used as a substitute for suspension. The Principal and the UCC at each school shall establish written procedures for alternative settings for disruptive students, provided that such procedures do not conflict with the District's Student Code of Conduct.

Section 21. Student Support Teams

- A. Student Support Teams (SST) are designed to serve as evidence-based teams that utilize a data-driven multidisciplinary problem solving approach to identify and monitor interventions for students.
- B. A Student Support Team (SST) shall be comprised of the principal, a teacher, and at least one school support personnel employee (psychologist, nurse, guidance counselor) who will be assigned to the SST by the District. Each Principal and Chapter Chairperson will collaboratively present the opportunity to apply to be the teacher representative on the SST to their faculty at the first school faculty meeting of the school year.
- C. Teachers interested in being selected as the teacher representative on the SST must apply through a letter of interest to the Principal and Chapter Chairperson within seven (7) calendar days of being notified of the opportunity as described as described above.
- D. The Principal and Chapter Chairperson, by written mutual agreement, will select one teacher as the teacher representative on the SST from the pool of participants. Selection of the teacher shall occur annually and the teacher representative will serve on the SST for the full academic year. A teacher who served on the SST in the previous year shall be eligible to apply annually. The Principal shall submit a roster of the SST Core Team members and the meeting schedule to the HumanWare Executive Committee no later than 14 calendar days from the beginning of the school year.

- E. SST meetings will be held on the same day and period each week during the school year. Additional meetings or additional preparation time for the SST teacher representative, scheduled by mutual consent of the SST Core Team, may be scheduled as necessary. If there is a need for the SST teacher representative to prepare or for a meeting beyond the school day, and a CTU member is invited by the SST team, and is in attendance, the CTU member will be paid the in-service instructor rate for that additional preparation time or meeting. Any part of an hour will be considered an hour. The SST will meet every week for the equivalent of one (1) class period (e.g., 50 minutes in PreK-8 schools, 45 minutes in high schools or for the class period length as defined in the AAP) and attendance to this meeting will be considered the teacher representative's teaching assignment. Schools that use a block schedule format will still be required to ensure their SST meets weekly for a 45-minute period of time.
- C. In elementary and PreK-8 buildings, the Core Teacher representative will be assigned one (1) fewer teaching assignment per week than the maximum number of teaching assignments. In high schools, the Core Teacher representative will be assigned one fewer 45-minute teaching assignment or for the class period length defined by the AAP. The teacher selected for the SST shall have the choice of either being released from homeroom responsibilities daily or they can select one period of class coverage per week in lieu of one (1) planning period per week, freeing the Core Teacher representative to meet once a week during his or her planning period.
- D. Whenever any other CTU bargaining unit member is invited to attend an SST meeting, class coverage will be provided or the member will be compensated class coverage if it is during their planning time or lunch (if the member agrees).
- E. If an additional SST team or a different structure is needed in a school, the Principal and the Chapter Chairperson must inform the HumanWare Executive Committee for approval.

Section 22. Classroom Meetings

Classroom Meetings (CM) are an inclusive, proactive and community-building approach to promoting the well-being of all students and for preventing and/or reducing negative outcomes for students.

- A. All freshman students will participate in daily classroom meetings that follow a basic 20-minute format of greeting, sharing, activity, news and announcements. The Principal and Chapter Chairperson at each school shall mutually agree on the determination of how the 20 minutes are scheduled into the school day. The Freshman Seminar period can be used for classroom meetings.
- B. All CM instructors will attend two (2) days (12 hours) of mandatory professional development to learn best practices of CM facilitation. The training will take place during the school day, or through voluntary professional development hours.

Section 23. Social Emotional Learning Building Coordinator

There shall be one (1) Social Emotional Learning Coordinator in each school. This position shall be posted in the building and follow the personnel selection process outlined in Article 12, Section 1(A)(1).

- A. Each SEL Building Coordinator will be paid a differential as set forth in Appendix A.
- B. The coordinator shall be responsible for coordinating SEL training, monitoring implementation of SEL initiatives (e.g. PATHS, Second Step, Facing History, SST, class meetings) and communicating with the HumanWare partner to ensure consistency in SEL programming for the school.
- C. The SEL Building Coordinator shall receive monthly training from the HumanWare Department
- D. The SEL Building Coordinator will oversee a Mediation Program and an Anti-Bullying Program. The programs shall consist of the following:
 - 1. The SEL Building Coordinator shall receive Basic Mediation Training from the Center for Conflict Resolution, or equivalent institution, at District expense, with the goal of becoming a certified Mediation Counselor. The SEL Building Coordinator shall receive Anti-Bullying Training from the Center for Conflict Resolution, or equivalent institution, at District expense
 - 2. Concurrent with the training, each SEL Building Coordinator shall arrange for mediation training of no less than 25 students jointly selected by the SEL Building Counselor and the Principal in the school and shall take all steps necessary to initiate and implement a mediation service with the express goal of providing the student population encouragement and direction in the handling of difficult personal matters without resorting to physical force or intimidation. Each SEL Building Coordinator shall arrange all anti-bullying programs and initiatives within the school setting with the goal to decrease the prevalence of bullying within the school.
 - 3. The HumanWare/SEL Committee shall monitor all mediation and anti-bullying efforts in the District, coordinate interschool events and, in general, assist in the development of comprehensive mediation and anti-bullying programs which every student in the District has access to and is encouraged to utilize. The committee is further charged with studying and making recommendations to the CTU President and the CEO regarding further program development specifically targeted to the elementary level, possibly employing student mediators.

Section 24. Student Advisory Committee

Student Advisory Committees will be established in each high school. The HumanWare Executive Committee will give guidelines to buildings on the composition of the committees and

the process for selecting committee members. The process for selecting committee members will be open to all high school students. The Principal and Chapter Chairperson shall determine which students will comprise the committee. This committee shall make regular recommendations (at least twice a year) regarding strategies to improve teaching and learning at the school. These recommendations shall be given to the CEO, HumanWare Executive Committee, Principal and Chapter Chairperson.

Section 25. Social Emotional Learning (SEL) Curriculum

All students in Pre K-12 will have access to evidence-based, high quality SEL curriculum. Schools will use district provided SEL curriculum (e.g. PATHS, Second Step, Facing History) unless the school, through the AAP process, outlined in Article 5 selects from a menu of high-quality, evidence based SEL curriculum programs approved by the HumanWare Executive Committee. Appropriate training, including refresher/follow-up training, will be provided for professionals expected to use the district-provided curriculum. Schools selecting a different evidence-based SEL curriculum through the AAP process shall also include training for that adopted curriculum.

Section 26. Student Involvement with Drugs

Any student found after due process to have made, sold or distributed drugs as defined in the Student Code of Conduct shall be expelled for no less than 80 days and shall not return to his/her home school without written mutual agreement between the Principal and the Chapter Chairperson.

Section 27. Mobile Patrol Officers

The District shall ensure there is at least one (1) armed mobile patrol officer assigned to each of the District's high schools and other schools as identified by the CEO.

Section 28. Student Reassignment

If a pupil is repeatedly suspended during a school year, the discipline intervention team and/or the Principal and the Chapter Chairperson may jointly recommend to the CEO or designee that the pupil be transferred to an option school or program appropriate to the child's grade level for the balance of that school year, subject to applicable state and federal law.

Section 29. Possession of Guns, Knives or Explosives

Any student determined, after due process, to possess on school grounds guns (firearms), knives as defined by city ordinance 627.10 as illegal or explosives capable of inflicting significant bodily harm or causing property damage, shall be expelled for the maximum duration allowed under law and, absent approval of the building Principal and CTU Chapter Chairperson, shall not be returned to that building.

Section 30. Stealing/Vandalizing Employee Motor Vehicle

Any student found after due process to have stolen or attempted to steal or vandalize the motor vehicle of any school employee from a school parking lot shall be expelled for no less than thirty (30) days and shall not return to her/his home school for the balance of that school year without written mutual agreement between the Principal and the Chapter Chairperson.

Section 31. Planning Center Intervention Program

Every school shall have a Planning Center to provide support and intervention for students, teachers and families. Residential and alternative education programs shall not qualify for a Planning Center. Unless agreed to by CMSD and CTU, school buildings that hold more than one educational program or small school will receive only one Planning Center. Each Planning Center will be staffed by a Planning Center Instructional Aide (PCIA).

A bargaining unit member on the recall list may apply for this position as a PCIA. If this bargaining unit member is a teacher who is recalled during the school year, the teacher must remain in the PCIA, at the instructional aide salary and benefits, for the remainder of the school year. The recalled teacher will retain her/his position on the recall list.

Professional Development will be provided for PCIA's during the first two (2) days of school with students. PCIA's will attend monthly professional development seminars coordinated by the HumanWare Executive Committee and the CTU. The District shall provide a substitute paraprofessional, or classroom coverage compensation for teachers, or additional release time for paraprofessionals, for each school during the monthly seminars. The Planning Center will be operational beginning with the first full week of school, defined as the first week where school is open for student instruction Monday through Friday of that week.

The PCIA Executive Committee is made up of ten (10) PCIA's, which will apply and be mutually selected by the Executive Director of HumanWare and the CTU Paraprofessional Chapter Chairperson. The committee will plan monthly professional development sessions, and will work with the Executive Director of HumanWare and the CTU to promote and sustain successful implementation of Planning Centers. The PCIA Executive Committee will serve as mentors to PCIA's in need of assistance. The Executive Director of HumanWare and CTU Paraprofessional Chapter Chairperson can arrange for these PCIA's to work directly with those in need of assistance. Substitute coverage will be provided for the Planning Center for any identified days. If travel is required between buildings on these days, mileage will be provided to the PCIA.

The PCIA positions will be posted and interviewed. PCIA's in these positions will be provided with professional development on the program's procedures and instructional content. When there are no students assigned to the Planning Center, the PCIA shall complete PCIA-related duties, including filing student information for SEL documentation, mentoring students one-on-one or in small groups (e.g., anger management, conflict resolution), providing behavioral interventions, and responding to early warning signs (de-escalation) in conjunction with the classroom teacher.

The school support personnel employee (psychologist, nurse, or guidance counselor) assigned to the SST by the District shall meet with the PCIA weekly for a period of 45 to 60

minutes to discuss student support and interventions. The day and time of the weekly meeting shall be mutually agreed upon by the Principal, school support personnel employee and the PCIA. If the meeting occurs before or after school, the school support personnel employee will be paid at the in-service instructor rate for the meetings. Any part of an hour will be considered an hour.

The Principal shall submit a roster of the team members and meeting schedule to the HumanWare Executive Committee no later than 14 days from the beginning of the school year.

The principal and PCIA shall mutually agree to a schedule which includes a duty-free lunch, two (2) personal needs times of 15 minutes each, and a 45-minute planning period. This planning period shall be scheduled before or after school to record office referral information into the electronic system and to conduct all Planning Center activities.

Planning Centers servicing students in grades PreK-8 shall not service more than 15 students within a single class period. Planning Centers servicing grades 9-12 shall not service more than 20 students during any single class period.

Each Planning Center shall have a floor plan conducive to de-escalation and completion of assigned work.

Section 32. Intervention Specialists Assigned to Planning Center

An intervention specialist will be identified and scheduled to provide services to students with IEPs in the Planning Center for a minimum of two (2) periods every day. These ten (10) periods per week must be considered when completing staffing for special education. If no students with IEPs are assigned to the Planning Center for that day, these periods shall be unassigned periods. Assignment to the Planning Center should be voluntary. Intervention specialists must submit in writing to both the Principal and Chapter Chairperson their willingness to volunteer for the Planning Center assignment in lieu of a teaching assignment. If sufficient volunteers are not available to meet the needs of the Planning Center assignment, the Principal and Chapter Chairperson shall determine the fairest and most appropriate solution. No intervention specialist shall be involuntarily assigned to the Planning Center for two (2) consecutive school years. The intervention specialist assigned to the Planning Center will not replace or serve in lieu of the PCIA.

Section 33. Resolution of Grievances Arising under this Article

- A. The CTU and CMSD agree that the implementation of student discipline shall comply with federal and state law. Whenever possible, this Article shall be implemented consistent with federal and state law. If the District believes that this Article cannot be implemented consistent with federal or state law, the District shall notify the CTU in writing of the specific inconsistency and the parties shall attempt to resolve the inconsistency. If the parties are not able to reach an agreement, the matter shall be referred to expedited arbitration, as outlined in Article 6.
- B. Any grievance alleging a violation of Article 15 shall be filed by the CTU with the Director of Labor Relations, who shall have five (5) work days to attempt to resolve same to the satisfaction of the employee, CTU, and the Principal. If such a resolution is not

achieved, the CTU may proceed to expedited arbitration under Article 6. (See Appendix J, MOU on Contract Implementation)

ARTICLE 16

STUDENT GRADING AND STUDENT PROMOTION PROCEDURES

Section 1. Grade Reports

- A. Grading procedures will be computerized in all schools. Interim progress reports will be computerized in all schools. All IERPs (Individualized Education Remediation Plan) will be totally computerized and generated by the school system.
- B. Teachers shall be notified of the due dates of the Master Timeline for teacher reports and any relevant changes in the Master Timeline as soon as such information is available. Computer forms for grades, interim progress reports and any other report requiring teacher activity will be given to the teacher no less than two (2) full school days before being due. The Principal and the UCC shall mutually agree to any deviation to the items stated above.
- C. No official written reports to parents shall be required except the officially adopted report cards, interim progress reports and other reports as may be required by law.
- D. Report cards and interim progress reports shall be entered into the SBRC system for all reporting periods based on schedule developed annually by the District's Division of Research and EMIS.

Section 2. Secondary Grade Report Schedule

- A. There will be four (4) marking periods in the secondary schools. The grading periods and attendance periods will be coterminous, if feasible.
- B. Final marks shall be scheduled for collection no earlier than one (1) day before the last day of the semester, provided such grades are subject to change based on the pupil completing or not completing the course requirements.

Section 3. Organization for Grade Reporting

- A. Course content shall be revised for even delivery and accurate student knowledge assessment.
- B. Marks/Grades will be issued each quarter, and credit will be given at the completion of each semester.
- C. All students shall receive interim progress reports.

Section 4. Student Grades and Promotion

- A. No teacher's grade of a student shall be changed without the written mutual agreement of the teacher and the Principal.

- B. If it is an elementary/PreK-8 teacher's best professional judgment that a child should not be promoted, the child shall not be promoted unless there is written mutual agreement between the teacher and the Principal.
- C. Middle students (grades 7 and 8) shall not be promoted if they do not meet minimum grade-level requirements unless there are compelling reasons. In such instances the teacher shall be informed of the change and associated reason(s) in writing.
- D. A student at the elementary/PreK-8 level who has not been promoted shall not be assigned to the same instructor the following year without permission of the teacher, unless no other practical alternative placement exists within the school. No student at the secondary level who failed any class shall be assigned to the same instructor the following year without permission of the teacher, unless there is no other practical alternative placement within the school.
- E. Students having achieved a passing grade in a class or grade, and having received credit for the class or grade, shall not be scheduled to repeat the class unless both the parent(s)/guardian of the student in the student's home, or the student him/herself if eighteen (18) years old or older, and the teacher all agree it is educationally sound to do so.
- F. If a grade is assigned by a home tutor or any other person besides the classroom teacher to whom the student is assigned, such grade assignment shall be noted as not having come from the classroom teacher, and such note shall be recorded by the administration on the report card and in the student's permanent record card.

Section 5. Interim Progress Reports

- A. One interim progress report will be sent to the parents each grading period. Such interim progress reports are required for all students.
- B. An interim progress report shall be sent at the midpoint of each grading period. Interim progress reports should be sent prior to the end of the eighth week of the fourth marking period.
- C. In accordance with sound educational practice, the final grade received by a student for a marking period is determined by the student's work over the course of the full marking period. A satisfactory interim progress report is a "snapshot in time," and not a guarantee of a passing final grade.

Section 6. Transfer of Overage Students

Transfer of overage pupils will be consistent with current District policy and regulations. However, any questions concerning changes in this policy will be referred to a joint committee.

Section 7. Information Concerning Reading Scores

Whenever reading scores are published, the District will provide full and correct interpretations of the scores.

Section 8. Grade Books

- A. Grade books purchased by the teacher are the property of the teacher. The information contained in any grade book or any other method of grade data storage employed by the teacher (including but not limited to computer storage) is the property of the District and represents a confidential assessment of student performance to be shared with a Principal or higher level administrator of the District, other District professionals responsible for the instruction of the student, and the parent/guardian only.

Regardless of the method the teacher chooses to employ to maintain his/her grades, grades as reflected in the grade book shall be available to be shared by the teacher with the Principal and other District professionals responsible for the student's education, including the parent/guardian. Teachers will complete and submit to Principals report cards or grade scan sheets at the close of each marking period. No other group with the exception of law enforcement agencies has any right to receive information from a grade book. A teacher may choose to voluntarily cooperate with any other such request based upon current District policy. The District and the CTU agree to continue to explore online grade reporting systems.

- B. If grade books are collected at the end of the school year, teachers shall have reasonable access to a copier to make a copy of the grade book. If the grade book belongs to the District, the teacher shall retain the copy. If the grade book or other method, including computer storage, belongs to the teacher, the teacher shall make a copy of the grades which shall be retained by the District. The District shall provide a means (e.g., jump drive) for copying grade information to teachers who elect to store grades electronically. The grade book or copy of the information in the grade book or data storage system retained by the District shall be available to the teacher in the next school year.
- C. A student or his/her designee has no right to any grade book information except that which directly relates to him/her.

ARTICLE 17

SYSTEM SENIORITY

Section 1. Definition

System seniority shall be defined as the number of years of consecutive employment as a teacher in the District, unless otherwise specified.

Section 2. Computation of Seniority

In computing seniority, the following shall be adhered to:

- A. Military service in a time of national emergency, or call to active duty in the armed services, shall be credited as full time in determining seniority when teaching service is interrupted.
- B. In the event of a leave of absence for professional growth, the teacher will be credited for the period of time involved.
- C. In the event of parental leave or any other leave of absence, the teacher shall retain the seniority acquired at the time of taking leave and shall begin with that seniority upon return to teaching.
- D. Teachers who resign their positions and are later reemployed shall lose that seniority acquired before resignation unless he or she is reemployed in a school year consecutive to that of the resignation.
- E. An employee working for the District is earning seniority credit with the District regardless of the source of the funds for all or part of his or her compensation.

Section 3. Application

System seniority shall apply as specified in the Agreement.

Section 4. Seniority Tie-Breaker

Where, after applying the above procedures, two (2) teachers share identical seniority positions because of the same effective date of employment, the following tie-breakers will be utilized in the following order:

- 1. Effective date of initial (non-break-in-service) regular teaching contract (non-substitute, non-supplementary);
- 2. Length of prior District service in regular teaching position where the break-in-service is for a period of two (2) calendar years or less;

3. The date of commencement of last continuous service as a substitute teacher where 120 days or more have been served in the school year immediately preceding commencement of current regular teaching service;
4. Date application for employment for current regular teaching service was received in Human Resources;
5. Length of prior District service in regular teaching position where the break-in-service is for a period of more than two (2) calendar years;
6. The date of commencement of last continuous service as a substitute teacher where less than 120 days have been served in the school year immediately preceding commencement of current regular teaching service;
7. Random blind draw conducted by representatives of the CTU and the District.

ARTICLE 18

PROFESSIONAL CONDUCT AND PROCEDURAL PROTECTION

Section 1. Professional Conduct

- A. The District shall have the right to discipline, suspend without pay for a definite period of time, or terminate an employee for good and just cause.
- B. For purposes of contract terminations of teachers, good and just cause shall include receiving a composite evaluation rating of “Ineffective” under O.R.C. 3311.80 for two (2) consecutive years.
- C. The purpose of discipline is to improve the work performance and conduct of the employee affected. As a result, the District acknowledges its commitment to practice progressive discipline whenever appropriate.
- D. If an administrator suspects an employee has engaged in misconduct, the administrator shall conduct a preliminary investigation. The employee will be informed of his or her alleged misconduct. An opportunity for explanation by the employee shall be provided and the employee shall be afforded due process. After due process is afforded, if a reasonable explanation is provided, the matter will be considered resolved. If a reasonable explanation is not provided, then the Principal may issue a written reprimand or may proceed to a fact-finding hearing. The preliminary investigation and action, if any, shall be completed within ten (10) work days of the time the administrator learned of the alleged misconduct. This time period may be extended by mutual agreement between the administrator and CTU. (See MOU on Contract Implementation)
- E. Written reprimands will be considered a form of discipline, and are governed by Article 7, Complaints and Files.
- F. If an administrator determines, after a preliminary investigation, that an employee may have engaged in conduct that could lead to a recommendation for termination or disciplinary suspension without pay, the employee shall be entitled to a fact-finding hearing to determine if termination or disciplinary suspension without pay is warranted. The hearing shall be held before an administrator designated by the Chief Executive Officer (CEO). Prior to the hearing, the administrator designated by the CEO shall provide the employee with written notice of the allegations and of the right to request representation by the CTU, and copies of any written evidence related to the allegations. The hearing shall be held within a reasonable period of time following the employee’s receipt of the written notice of the allegations. The employee may have a representative of the CTU present at the hearing. During the hearing, the employee shall be given a meaningful opportunity to respond to the allegations, including the opportunity to submit additional evidence. Not later than ten (10) business days after the hearing, the administrator designated by the CEO shall notify the employee in writing of the administrator’s recommendation for discipline and the rationale for the recommendation,

and shall provide a copy of the notification to the CEO. (See MOU on Contract Implementation)

- G. If the administrator designated by the CEO recommends to the CEO that the employee be terminated or placed on disciplinary suspension without pay, the CEO shall review the evidence and determine whether termination or disciplinary suspension without pay is warranted. The CEO shall make a written recommendation regarding discipline at the next scheduled meeting of the board. A copy of the recommendation must be given to the employee and the CTU representative a minimum of one (1) working day prior to the board meeting. However, if the recommendation of the CEO is to increase the discipline recommended by the administrator, the CEO shall meet with the employee and his/her CTU representative prior to transmitting the recommendation to the board. This meeting will not be delayed due to the unavailability of the employee and/or the CTU representative. The board may adopt or modify the CEO's recommendation, except that the board shall not increase the recommended discipline. The board shall notify the employee of any action taken by the board on the CEO's recommendation. Any termination or disciplinary suspension without pay imposed by the board shall take effect immediately.
- H. An employee who is terminated or placed on disciplinary suspension without pay under this section may appeal the board's action in accordance with the grievance procedures in this Agreement. The failure of the board, CEO, or administrator designated by the CEO to strictly comply with any procedures established by this Agreement shall not be cause for an arbitrator to overturn the termination or disciplinary suspension without pay, unless the arbitrator finds that the failure resulted in substantive harm to the employee.
- I. An employee may appeal discipline issued by the District through the grievance procedure.
- J. All disciplinary hearings shall be conducted in a private and professional manner.
- K. The only individuals present at a disciplinary hearing should be the CTU bargaining unit member, his/her CTU representative, the supervisor, and the administrator conducting the hearing if different from the supervisor. In addition, individuals having directly witnessed an alleged event or having relevant expertise may be called as witnesses. When it is agreed by the CTU bargaining unit member and the administrator conducting the hearing, the parent(s)/guardian(s) of an involved student may also be present.

Section 2. Procedural Protection

- A. Emergency removal and reassignment of an employee is warranted when circumstances are such that the employee is in clear and imminent danger, the District believes he/she poses a clear and imminent danger to others, or circumstances exist in which the best interests of the District, employee, or student would be served.
- B. Before such removal and reassignment occurs, the employee shall meet with the immediate supervisor or Academic Superintendent, be informed of the specific allegations being investigated, and have the opportunity to respond to the allegations. If

the immediate supervisor or Academic Superintendent finds sufficient cause, the appropriate Academic Superintendent (only) or the CEO (only) may authorize such an emergency removal and reassignment. Before the end of the next school day, the immediate supervisor or Academic Superintendent shall submit a written notice of the allegations to the employee. (See Appendix J, MOU on Contract Implementation)

- C. An Academic Superintendent (only) or the CEO (only) shall authorize such an emergency removal and reassignment. If the member or the CTU believes that the emergency removal and reassignment was not necessary, the CTU may submit a grievance alleging the emergency removal and reassignment was unjustified and/or inappropriate, and the issue to be decided by expedited arbitration if the grievance is not sustained by the District. (See Appendix J, MOU on Contract Implementation)
- D. The appropriate Academic Superintendent or other mutually agreed upon hearing officer shall convene a fact-finding hearing within five (5) school days after the employee has been removed and reassigned. Employees shall be entitled to due process protections during the fact-finding proceedings, which at a minimum shall include written notice of the allegations, the right to request representation by the CTU, and copies of any written evidence related to the allegations. The employee may have a representative of the CTU present at the hearing. During the hearing, the employee shall be given a meaningful opportunity to respond to the allegations, including the opportunity to submit additional evidence. (See Appendix J, MOU on Contract Implementation)

If a fact-finding hearing is not conducted within five (5) school days, then the Academic Superintendent or other mutually agreed upon hearing officer shall: (i) return the employee to his/her assignment and continue the investigation; (ii) request an extension under paragraph F below; or (iii) drop all charges. That Academic Superintendent or other mutually agreed upon hearing officer shall submit a written recommendation to Human Resources within ten (10) school days after the fact-finding hearing concludes or the charges will be dropped.

After receiving a recommendation from the Academic Superintendent to initiate disciplinary action, the responsible administrator within Human Resources shall conduct a disciplinary hearing within five (5) school days.

- E. Human Resources shall submit a written recommendation regarding appropriate discipline within ten (10) school days after the disciplinary hearing has concluded, assuming there has been a finding of guilt on the part of the employee involved.
- F. The timelines delineated above may be extended by written mutual agreement of the District and CTU.
- G. If the alleged misconduct also is the subject of criminal charges, then the proceedings described above shall be held in abeyance after the Academic Superintendent submits his/her recommendation. The employee shall remain on reassignment until all criminal proceedings have been concluded, at which time the procedures described above shall be reinstituted. (See Appendix J, MOU on Contract Implementation)

- H. Any reassignment of a regular employee with pay, pending an investigation of alleged misconduct, does not constitute disciplinary action against that employee.
- I. The responsibility for requesting CTU representation under the circumstances described in Article 2, Section 1, of the CTU/District collective bargaining agreement rests exclusively with the employee, and failure of the employee to request CTU representation shall constitute a waiver of such rights. The District shall not deny a request for CTU representation when requested.
- J. An employee's status in procedural protection shall be reviewed at a minimum every 30 calendar days.
- K. Bargaining unit members who are reassigned to the Administration Building on an emergency basis will be reimbursed for parking expenses incurred while assigned to the Administration Building if no discipline results.

Section 3. Absence and Tardiness/Early Departure Abuse

This Article shall not supersede Article 20, Section 1(C) and Section 2(B) and (C) regarding absence and tardiness/early departure abuse.

ARTICLE 19

LAYOFFS AND RECALLS

Section 1. Layoff Guidelines

No employees shall be laid off until after all normal attrition has been effectuated.

When layoffs become necessary for the reasons set forth in O.R.C. 3311.83(a), the following procedures will be followed:

- A. The District will provide all certificated/licensed District personnel (hereafter “teachers”) with 30 school days’ notice of layoff; provided, however, that an employee must be available for work for those 30 days (including on a substitute basis) to be eligible for their regular pay during that period. A probationary teacher is defined for layoff/recall purposes as a teacher new to a teaching position in the District who has not had the opportunity to complete a full evaluation cycle which includes a composite evaluation and, for classroom teachers, student growth measures.
- B. Layoffs that take effect for classroom teachers during the 2013-2014 school year will be governed by Appendix S. Layoffs that take effect for related service providers (RSPs) (i.e., non-classroom professionals, including psychologists, guidance counselors, media specialist, school nurses, OTs, PTs, SLPs, etc.) during the 2013-2014 and 2014-2015 school years (unless otherwise modified by Article 13, Section 1(K)), will also be governed by Appendix S.

Any layoffs that do not take effect under Appendix S shall be governed by the following. All teachers (classroom and RSPs) will be laid off within the area of certification/ licensure, in the following order:

- 1. Temporary and/or substitute teachers;
- 2. Teachers on limited or extended limited contracts with a composite evaluation rating of “Ineffective”;
- 3. Teachers on continuing contracts with a composite evaluation rating of “Ineffective”;
- 4. Probationary teachers;
- 5. Teachers on limited or extended limited contracts with a composite evaluation rating of “Developing”;
- 6. Teachers on continuing contracts with a composite evaluation rating of “Developing”;
- 7. Teachers on limited or extended limited contracts with a composite evaluation rating of “Skilled”;

8. Teachers on continuing contracts with a composite evaluation rating of “Skilled”;
9. Teachers on limited or extended limited contracts with a composite evaluation rating of “Accomplished”;
10. Teachers on continuing contracts with a composite evaluation rating of “Accomplished.”

Category assignments will be based on the most current composite evaluation rating as reflected on the layoff list in effect as of the date of the layoff notice to the affected teachers unless modified by Section 2(C) below.

- C. Within each of the above categories, teachers shall be listed by system seniority. Where two teachers share identical seniority positions because of the same effective date of employment, the tie-breaking procedure set forth in Article 17, Section 4, Seniority Tie-Breaker, will be used. Teachers within any category shall be laid off by inverse system seniority, subject to Section D below.
- D. By May 1 of each school year, a committee composed of three (3) members appointed by the CEO and three (3) members appointed by the CTU President shall make recommendations to the CEO and CTU President identifying which areas of specialized training and experience should be factored into reductions in force and how that specialized training and experience will impact layoff determinations that would otherwise be driven by composite evaluations and seniority per B above. Once these factors are determined, the teachers with the identified specialized training and experience who are in categories 4 through 10 will be denoted on the layoff list. No later than June 1 of each school year, the CEO and the CTU President shall act on the recommendations of the committee and establish in writing how areas of specialized training and experience and the composite evaluations of those identified will be factored into any reductions in force for that school year. In the event they cannot agree, the disputed recommendation(s) will be addressed by a neutral arbitrator pursuant to the expedited arbitration rules of AAA.
- E. For the purposes of layoff, no later than August 1 of each year, the District shall establish the potential layoff order based upon Sections B through D above and provide an electronic copy to the CTU President. The established list shall be in effect for any layoff from August 1 through July 31 of the following school year. The parties agree the list must be accurate. The list will be corrected as necessary. The CTU President and CEO shall have the right to mutually agree to change this timeline.
- F. If a teacher in the area affected holds alternative certification/licensure, he/she may choose to accept a position using the alternative certification/licensure but may not utilize the certification/licensure in the area he/she would have been laid off in until he/she would have been eligible to be rehired from the recall list.

Section 2. Recall

- A. The teachers whose contracts are suspended by the board pursuant to this Article shall have the right of restoration by the board if and when teaching positions become vacant or are created, for which the teachers are or become qualified within three (3) years after the date of the suspension of contract. The board shall rehire teachers in the affected area of licensure starting with teachers in category B.10 above and shall proceed sequentially through teachers in category B.2 above, until all vacant positions have been filled. No teacher whose contract has been suspended pursuant to this section shall lose the right of restoration by reason of having declined recall to a position that is less than full time, or if the teacher was not employed full time just prior to suspension of the teacher's contract, to a position requiring a lesser percentage of full-time employment than the position the teacher last held while employed in the District.
- B. The District shall provide the Union with a recall list for employees represented by the Union for each job category in which layoffs have occurred. Category assignments will be based on the most current composite evaluation rating as reflected on the recall list in effect as of the date of the recall of the affected teachers. Additions to those recall lists shall be sent in writing to the Union as soon as the employees are laid off. A complete updated list shall be provided to the Union on at least a quarterly basis.
- C. Employees who are laid off shall be placed on a recall list for all teaching areas for which they hold certification/licensure at the time of layoff. Any specialized training or experience will also be denoted and incorporated into recall decisions per Section 1(D), above. Teachers who acquire additional certification/licensure or specialized training or experience after layoff also shall be placed on the recall list for those teaching areas and with any specialized training or experience denoted. A bargaining unit member on the recall list shall be responsible for notifying Human Resources of a change of home address and phone number. Failure to do so constitutes a waiver of recall. The recall list shall also designate the date of layoff.
- D. An employee who is offered such a vacancy, in writing, and refuses to accept that position shall be removed from the recall list, except as provided in Section E below. The District will not fill any position with a new hire while a recall list for that teaching area is in effect except as provided in Section E below. All day-to-day substitute or temporary employees shall be hired from the recall list for the teaching area in which employees are needed, if such a recall list exists. However, the employees who wish to be on the day-to-day substitute or temporary help list must inform the District of that in writing at the time their layoff becomes effective. The District will offer each employee the appropriate request form to be placed on that list prior to the last day of work of that laid-off employee. Laid-off employees shall be offered such a request form.
- E. However, any employee who is recalled after July 10 of the upcoming school year shall have the option to refuse the recall if he or she has the documentation showing that he/she has already entered into a contract with another school district for that school year and has further documentation that he/she cannot be released. The employee will remain on the recall list in the order of system seniority. An employee may refuse recall under this

circumstance for one time only. An employee who refuses to accept a second opportunity for recall, provided the recall is not in the same school year as the first refusal, shall be removed from the recall list.

- F. When a vacancy occurs in an area which requires no specific certification/licensure, it shall be posted, and the individuals on the layoff list may apply for consideration. Until everyone on the layoff list has had an opportunity for consideration, the District will not go outside the layoff list to fill these positions.
- G. Individuals shall not be required to accept positions outside their specific area of certification/licensure. Individuals who are laid off and who subsequently accept positions in areas which require no specific certification/licensure, as in F above, retain their place on the layoff list in their area of certification/licensure and the right to return to an assignment in their area of certification/licensure when a vacancy occurs.

Section 3. Insurance or Health Plan Coverage While on Layoff

During the period an employee is on the recall list, that employee may continue his/her insurance, or health plan coverage, by payment of the appropriate premiums in a manner specified by the District.

Section 4. Classification Switch

Any qualified certificated/licensed employee who is laid off, desires to be considered for a vacant classified position, makes that desire known in writing to the Division of Classified Personnel, and applies through the job posting or Civil Service process shall be seriously considered for a classified job opening within the restrictions of the agreements between the District and other bargaining unit locals, and following other applicable Civil Service rules.

ARTICLE 20

ATTENDANCE POLICY

Section 1. Attendance Regulations

- A. Absence Reporting. The Principal and the UCC shall by written mutual agreement agree to any changes in current reporting practices. Supervisors must inform employees of the absence reporting practices in writing, including where, when, and whom to call when reporting an absence. Employees must report all absences prior to the start of their work time, or as soon thereafter as possible. If an employee fails to report his/her absence, the employee will be considered absent without leave until a reasonable explanation is subsequently provided.
- B. Attendance Recordkeeping. All absences must be reported accurately by the employee on the District's Employee Absence Report Form (Appendix F). The date of the absence and reason(s) must be recorded by school office personnel on the Employee Time Record Form.
- C. Absence Abuse.
 - 1. Definition of Absence Abuse.
 - a. Abuse of sick leave is the use of sick leave for reasons not permitted by law.
 - b. Pattern absence may be an abuse of absence privileges. Pattern absence will be defined as those absences which occur with repetition.
 - 2. Implementation of the Absence Abuse Program. If abuse is suspected and documented, the supervisor will take the following steps:

STEP ONE

- a. The employee suspected of abusing sick leave will be informed of his/her alleged abuse. An opportunity for explanation by the employee shall be provided and the employee shall be afforded due process. After due process is afforded, if a reasonable explanation is provided, the matter will be considered resolved. If a reasonable explanation is not provided, the employee shall be informed that if the absence abuse persists, disciplinary measures may be taken.
- b. At this step, the supervisor will inquire of the employee whether there is/are specific problem(s) which may be the reason(s) for the employee's absences. If circumstances exist which make the employee reluctant to provide an explanation to his/her immediate supervisor, the employee may request that the matter be transferred to the respective supervisor at the next higher level.

- c. A letter summarizing the conference and its conclusion(s) will be presented to the employee within three (3) working days after the conference has been held.
- d. If a reasonable explanation of the concerns has not been provided, a copy of the letter summarizing the conference and warning the employee will be sent to the appropriate personnel office after the employee acknowledges receipt of the letter by signing the copy at the appropriate space on the copy which shall state that the employee's signature signifies only the receipt of the letter and not necessarily agreement with the contents. If the employee refuses to acknowledge receipt by signature, the supervisor will so indicate on the letter and secure the signature of a witness who will certify that the employee received the letter and refused to acknowledge receipt by signature.

STEP TWO

After having received a letter of warning described above, the next suspected absence abuse will be handled in the manner set forth above. If a reasonable explanation is not provided, the employee will be given a second letter of warning which shall inform the employee that the conduct constitutes continued absence abuse. The procedures set forth above concerning presentment, acknowledgment and transmittal of a copy to the appropriate personnel office will be followed.

STEP THREE

If continued absence abuse is suspected, the supervisor will request the employee to attend a pre-disciplinary hearing. At the hearing, the supervisor will inform the employee of his/her alleged continued pattern of abuse. The employee will be given an opportunity to present his/her reasons for the absences in question. If after the hearing, the pattern of absence is without reasonable explanation, the supervisor will inform the employee that he/she is being recommended for a three (3) day suspension without pay. The employee will also be warned that future unexcused absences may result in recommendations for termination. The letters of warning and suspension will become part of the employee's file and will follow the letter-filing procedure above. Occurrences of absence abuse shall not be considered for purposes of this regulation after 36 calendar months.

STEP FOUR

If an employee continues to demonstrate absence abuse despite written warnings and suspension, dismissal will be considered. A recommendation for such action by the Principal/administrative head of the department for a pre-termination hearing for the employee will be made to the Deputy Chief of Human Resources. If the Deputy Chief of Human Resources concurs with the recommendation, he/she will forward the recommendation to the District's hearing officer. The District's hearing officer will schedule a pre-termination hearing and advise all parties of the date, time and place of the

hearing. Based on information presented at the hearing, the hearing officer will make recommendations to the Deputy Chief of Human Resources. The Deputy Chief of Human Resources will advise the Principal/administrative head of the department of appropriate next steps in accordance with the O.R.C. and the Agreement. The Deputy Chief of Human Resources will process appropriate paperwork if the decision is made to terminate the employee. (See MOU on Contract Implementation)

3. Form letters used in Step Two and Step Three of the Absence Abuse Program may be modified to require a physician's statement at Step Two, and a physical examination at Step Three. Said modification of forms (including those in Appendix F in the contract) will be mutually agreeable to both the Union and the District.

Section 2. Tardiness/Early Departure Abuse

- A. Tardiness/Early Departure Record Keeping. The Principal and the UCC shall by written mutual agreement agree to any changes in current reporting practices. Supervisors must have a written procedure informing employees where, when and whom to call to report tardiness. Each employee who anticipates being tardy must inform his/her supervisor by telephone as early as possible.
- B. Tardiness/Early Departure Abuse.
 1. Tardiness abuse may exist if an employee repeatedly is late without reasonable excuse so that the tardiness recognizably interferes with the employee's performance of assigned duties or disrupts the performance of other employees' duties.
 2. Early departure abuse exists when an employee leaves work before the end of the prescribed work day without administrative approval. In an emergency situation, an employee may leave work without administrative approval. If a teacher leaves work early without approval of the supervisor in an emergency situation, it is the teacher's responsibility to insure his/her classes are properly supervised. However, the supervisor will be required to approve/disapprove the early departure upon the return of the employee to work. It is the employee's responsibility to make every effort to contact his/her supervisor to inform him/her of an early departure.
- C. Implementation of Tardiness/Early Departure Abuse Discipline. Once tardiness abuse or early departure abuse has been suspected and documented, the supervisor will follow the procedures set forth concerning absence abuse.

LEAVES OF ABSENCE

Section 1. Sick Leave

- A. Employees are allowed sick leave with pay on the basis of their accumulated sick leave (Appendix F).
- B. Each eligible employee shall have 18 sick leave days, 15 of which shall be accumulated at a rate of .75 days per pay period for 20 pay periods or at a prorated accumulation rate based on a percentage of employment. The accrual of these 15 sick leave days shall begin at the first pay period in which payment for ten (10) actual work days are paid. Up to three (3) sick days, on a prorated basis, shall be eligible for use as unrestricted special privilege leave days using the guidelines set forth below. The receipt by all eligible employees of these three (3) days of special privilege leave shall be on July 1 prior to the start of the ensuing school year.
- C. Employees may request the fractional use of sick leave if they are late or must leave early due to illness or medical appointments. Sick leave shall be charged at the rate of .125 days per school period of absence.

- E. An employee who has exhausted his/her sick leave or a new teacher may be advanced up to five (5) days sick leave within the current school year. This advance sick leave must be earned during the remainder of the year. Unearned sick leave charged to an employee will, at the end of the contract year, result in loss of pay for the days unearned.
- F. The District will establish a sick leave bank. All employees may donate sick days. A review board comprised of six (6) representatives named by the Union and six (6) representatives named by the District will be formed. This review board will develop the guidelines for loan distribution. Sick day donations shall be governed by the "Guidelines for Donating Sick Leave" (Appendix K). The donation must be reviewed by the Principal and then approved by Employee Services and the Payroll Department.
- G. In accordance with Ohio law, the District shall require all personnel to furnish a written, signed statement on forms prescribed by the District to justify the use of sick leave (Appendix F).
- H. Sick leave for night and summer school employees will be allowed from each employee's accumulated sick leave earned during the regular school year. An employee reporting sick on a regular day assignment will be paid for the night assignment, but a proportionate amount of a day's sick leave will be calculated by the Chief Financial Officer (CFO) and deducted from his/her accumulated sick leave in addition to the deduction from his/her accumulated sick leave for his/her day absence. An employee reporting sick on a summer school assignment may use his/her accumulated sick leave, but will have a proportionate

amount of a day's sick leave deducted from his/her accumulated sick leave in a manner to be calculated by the CFO. Teachers shall apply for summer school or night school with the expectation of being present every day for instruction. Teachers absent more than two (2) consecutive days from summer school shall provide, upon request, medical verification or other documentation as necessary to validate the absence. If no such documentation is provided within seven (7) calendar days of the commencement of the absence, the employee may be disciplined.

- I. Employees may use sick leave, upon approval of the responsible administrative officer of the employing unit, for absence due to personal illness, pregnancy, injury, exposure to contagious diseases which could be communicated to other employees, and to illness, injury or death in the employee's immediate family. - C. Employees are required to notify the Talent Department and to report to work if jury duty is canceled for any of the scheduled days.

Section 6. Special Privilege Leave

- A. Consideration will be given to written requests for special privilege leave (not exceeding three (3) days in any school year) which cannot be legally charged to sick leave. These shall include:

D. Unrestricted Leave.

1. These days shall not be taken during or before the first full week of student attendance or last ten (10) working days of the school year or the work day before or after a paid holiday or vacation period.
2. In emergency situations during the times noted in 1, above, approval may be granted by the Principal using the family emergency procedure. 3. Other than as an emergency, special privilege leave days shall not require approval, explanation, or documentation.
4. This leave shall not need justification or explanation by the employee but the applicant will give two (2) days' notice except in emergency. Written notice must be on file in the payroll office before pay for that day is granted.

- E. Employees requesting special privilege leave will use the Special Privilege Leave Form found in Appendix F.

Section 7. Parental Leave

- A. An employee requesting parental leave will use the Leave of Absence Form found in Appendix F and provided by the District. An employee shall be granted an unpaid parental leave of absence of up to three (3) years. The employee shall be afforded the opportunity to use accumulated paid sick leave during such parental leave for up to one (1) year, but use of such sick leave shall not extend the parental leave beyond three (3) years. The employee may choose to use or not use accumulated sick leave.
- B. The employee shall notify the Talent Department at least thirty (30) days in advance of the effective date of such leave except when such notice cannot be given because of medical considerations as determined by the employee's attending physician. An employee returning from a parental leave of absence of twelve (12) weeks or less shall be returned to the school assigned prior to the leave of absence. An employee returning from a parental leave of absence of greater than twelve (12) weeks shall be assigned to a comparable position (if available) in which she/he left with no assurance of return to the original school. An employee returning from a parental leave of absence will retain all system seniority.

Employees will be entitled to annual increments for each academic year in which they are in pay status for 120 days.
- D. An employee adopting a child under the age of three (3) shall be eligible for parental leave of the same duration as a parent with a newborn. An employee adopting a child

between the ages of three (3) and six (6) shall be eligible for parental leave which is the same except all-time references are halved.

2) reckless conduct that causes serious physical, psychological, or emotional harm in violation of school policies and regulations upon an employee in the course of employment or at a District-sponsored event which results in a physical disability that precludes an employee from working. In order to be eligible for assault leave benefits under this section, the employee must report the assault to the Principal or other District Administrator as soon as possible.
- B. If an employee applies for an assault leave, he/she shall also apply for Workers' Compensation at the same time. Assistance to apply for Workers' Compensation shall be provided by the District to employees who apply for assault leave.
- C. An employee who is unable to work resulting from an assault received in the course of employment, or in the discharge of other official assigned duties for the District, shall be maintained in full pay status, on assault leave, for the period of time set forth in paragraph D herein. Assault leave granted under these conditions shall not be charged against sick leave, earned or unearned.

A certificate from a licensed physician stating the nature of the injury and its anticipated duration should accompany an assault leave form furnished by the District. A copy of the form is found in Appendix F.

Any assault leave extending five (5) days shall be subject to review by a District-appointed physician, including a physical or psychiatric examination at the physician's discretion to justify the use of assault leave. Falsification of either a signed statement or a physician's certificate will be grounds for suspension or termination of employment.

If an employee's absence resulting from assault is covered by Workers' Compensation, the District shall provide the additional compensation that will provide the employee with the same pay rate received at the time of the assault for up to six (6) months from the date of the commencement of the assault leave or the duration of the school year (whichever is longer). If the payment from the District reduces Workers' Compensation payments, the District will make the employee whole for his or her full pay.

- D. An employee shall be granted an assault leave of up to three (3) calendar months unless the employee has had a claim resulting from the assault approved by the Bureau of Workers' Compensation, in which case the employee shall be granted an assault leave of up to six (6) months or the duration of the school year (whichever is longer). The employee shall be limited to compensation paid through Workers' Compensation after six (6) months or the duration of the school year (whichever is longer).

Section 10. Political Leave

Employees who are appointed or elected to a full-time position with a local, state, or national government shall be granted unpaid leave for the period of time such office is held. After leaving office, the employee shall be permitted to return to a comparable position (if available) with the District with the same seniority and proper placement on the salary schedule, which shall be in accordance with his/her total years of employment recognized at the time of such leave and his/her certification and appropriate college credit. A copy of the form is found in Appendix F.

Section 11. Family Care Giving

Up to one (1) year of unpaid leave shall be granted, upon request, for the purpose of care for an ill family member. Family is specifically defined as child, father, mother, sister, brother, spouse, stepparent, or stepchild. Unpaid leave shall be granted only after all personal leave days and accumulated sick leave days have been used. The employee is entitled to return to a comparable position (if available) in the District. If the employee is in pay status for 120 or more days in the current school year, he/she is entitled to the annual step increase and seniority credit. A copy of the form is found in Appendix F.

Section 12. Four-Year Plan

An employee with more than seven (7) years of seniority in the District may opt for a "Four-Year Plan" by giving written notice to Human Resources at least two (2) weeks prior to the first scheduled pay period of each school year. The Four-Year Plan is defined as follows:

- A. For three (3) consecutive school years, each participant performs his/her regular duties. However, the gross pay for each pay period shall be only 0.75 of the scheduled amount. Employee benefits will remain unaffected.
- B. By April 1 of the third year of the plan, the participant must notify Human Resources as to whether or not he/she will be a member of the staff for the fourth year of the plan. Following such notification, the District will make staffing decisions occasioned by the participant's election.
- C. During the fourth year of the plan, the participant shall not be assigned a position within the District. The participant shall receive at the normal pay interval, mailed to the address of his/her preference, a check to be calculated as follows: The amount of the check shall be equal to 0.75 of the average of the scheduled wage amount of the preceding three (3) years, minus the cost of providing the participant's employee benefits. During this year, no sick days shall be accumulated. All seniority continues to accrue and the participant

shall have the right to return to a comparable position at the school he/she left, if available.

- D. The participant's interest in the money withheld from his/her paycheck vests at the end of the third year. Therefore, if, at the participant's discretion, he/she wishes to continue working another year, he/she may make that election by April 1 of the third year of the plan and opt to receive all amounts withheld (less applicable deductions required by law) by July 1 of that year. In such instances, the Four-Year Plan is considered canceled.

Section 13. Leave Without Pay

Upon five (5) working days' notice, a bargaining unit member may be granted up to ten (10) days' leave without pay, if approved by the Principal and the Chief Talent Officer/designee. Section 2. Purchased Learning Programs

- A. Vacancies in purchased learning programs first will be posted and filled with bargaining unit members in accordance with Article 12. However, the District will not remove a certificated/licensed teacher (non-substitute, including those certificated/licensed under O.R.C. 3319.26) from a regular classroom assignment to fill the new program vacancy if a certificated/licensed teacher (non-substitute, including those certificated/licensed under O.R.C. 3319.26) is not available to fill the regular classroom assignment which would be left by the teacher assuming the purchased program position. In the event a regular classroom teacher is not available to fill the classroom assignment which would be vacated by a teacher assuming a purchased program position, or if there are insufficient applicants, the purchased program positions may be filled by substitutes.
- B. The qualifications and requirements for such positions shall be included in the posting and shall be consistent with this Agreement unless the District and CTU have engaged in bargaining and agree to any material differences/changes. Individuals with differential positions, with the exception of the positions of Department Head, Core Team Leader, Subject Area Specialist, Team Leader, ESP Liaison, and Special Education Liaison, shall be afforded the same contract rights as teachers under limited contract.  - F. When paraprofessional layoffs are necessary, seniority within classification shall prevail. Paraprofessionals shall be laid off first in inverse order of seniority within the classification.

An exception to the seniority-based layoff procedure described above shall be made in the case of the layoff of English Language Learners (ELL) Aides. ELL Aides shall be laid off in the reverse order of system seniority within the language of assignment. Language needs shall be determined by the District.

When positions for paraprofessionals are available, priority will be given in order of classification seniority to those who have been laid off before consideration to new applicants is given. Further, where a laid-off paraprofessional has the ability and the qualifications, he/she shall have priority over a new applicant to any open paraprofessional position.

- G. Paraprofessionals are assured employment for the school year in which they are employed, but not necessarily at the same job site. Every month, a list of paraprofessional open positions shall be sent to each building and to the CTU office. The list shall show the building and the classification of disability category including the grade span. Paraprofessionals shall have the same opportunity for open positions and for Necessary and Special Transfer rights as teachers in Article 12.
- H. Effective with the 2017-2018 school year, within the first ten (10) days of a paraprofessional's initial assignment, or when there is a change in assignment of disability category (e.g., move from MH to ED or OH), a paraprofessional, upon request to his/her building Principal, will be given the opportunity to job shadow for up to two (2) days with a paraprofessional who is assigned to a classroom and has the same responsibilities and job duties as the new assignment. Recommendations for job shadow opportunities will be through collaboration between the special education department and the Talent Department. The Talent Department will notify Principals when the job shadow is taking place.
- I. Full-time paraprofessionals shall work seven and three-fourths (7-3/4) hours per day, excluding lunch (38-3/4 hours per week). A minimum of thirty (30) minutes uninterrupted unpaid time shall be provided each day for lunch for all full-time paraprofessionals.

If a paraprofessional's manager requests the paraprofessional to work additional time beyond their 7 3/4 hours and the paraprofessional agrees to work the requested additional time, including during their unpaid lunch time, the paraprofessional will be paid for this additional time. The paraprofessional will be paid at his/her regular hourly rate for additional time beyond 38.75 hours in a week up to forty (40) hours. In accordance with the Fair Labor Standards Act, time worked in excess of forty (40) in a week will be paid at time and one half of the employee's regular hourly rate. All additional time must be approved in advance by the paraprofessional's manager.

- J. Paraprofessionals shall not be used to perform work normally performed by regular office clerical staff, lunch aides, custodial staff or security guards.
- K. The District shall make a good-faith effort to identify and employ substitutes for paraprofessionals. Substitutes for paraprofessionals shall be made available when

mandated by law. Paraprofessional substitutes shall be eligible for health care benefits as stated in Article 30, Section 1(D).

When a substitute has completed 120 days or more during the school year, and is reemployed for, or assigned to a specific paraprofessional position for the coming year, he/she will be hired as a regular paraprofessional and will be subject to the 60-day probationary period.

L. Any paraprofessional not notified of a layoff by May 15 of any year is guaranteed employment for the following year, except in cases of termination for cause through due process. Paraprofessionals shall be sent notice of personnel action as in the past.

M. Educational Aides.

1. Educational Aides, assigned within a secondary school pupil-teacher ratio, should have a portion of their assigned time to work with teachers in each department of the school. Emphasis should be placed on assigning Educational Aide time to those departments having unique problems not common to all departments in the school. Educational Aides shall not be used as office clerical staff, custodial staff or security guards.

2. Educational Aides may not be used in place of classroom teachers (O.R.C. 3319.088).

3. If the number of summer school applicants exceeds the number of summer school positions within specific programs, summer assignments shall be made within programs by seniority on the following basis:

a. Building – First consideration is given to Educational Aides assigned to the program in the building where a particular program is being offered for the summer;

b. System – If there are no Educational Aides assigned to a program at a building where a summer program is offered, then the most senior Educational Aides assigned to that program outside of the building who have applied for summer positions shall be selected.

N. Paraprofessional Personal Needs. Paraprofessionals shall be provided reasonable opportunities to attend to personal needs during the course of the working day. Effective with the 2017-2018 school year, paraprofessionals are entitled to one (1) scheduled break of fifteen (15) minutes to attend to personal needs. In addition, each paraprofessional is entitled to a second scheduled break of an additional ten (10) minutes for personal needs. - R. Collaboration Training. The District shall institute teacher-paraprofessional training in collaboration when a teacher or a paraprofessional does not have previous collaboration experience. This training, to be conducted during District-wide professional development days, will be coordinated by written mutual agreement between the administration and the Paraprofessional UCC. Those teachers and paraprofessionals who have not previously had training in collaboration shall be required to attend this collaboration training.
- S. Lifting Training. Paraprofessionals whose job postings require lifting students shall receive appropriate training in techniques for lifting and assisting students in moving.
- T. Paraprofessionals Assigned to special education Classes. Paraprofessionals assigned to special education classes shall receive training as defined by the Joint Special Education Committee (JSEC) during the professional days included in the District and/or building calendar.

To the extent the recommended procedures deviate from the collective bargaining agreement (Article 12, Sections 1 and 2), the recommendations will be shared with the Union President and CEO for approval. For purposes of special transfers under Article 12, Section 3(B), the Executive Director of Intervention Services shall first meet with the interpreter, the supervisor, and the CTU President or designee. All other provisions of Article 12, Section 3 shall apply.
5. Any spouse who fails to enroll in any group insurance coverage sponsored by his/her employer or retirement plan provider (unless the bargaining unit member enrolls the spouse in any District health insurance plan and pays the additional monthly contribution as set forth above), as otherwise required by this section, shall be ineligible for benefits under any group health care/prescription drug plan sponsored by the District.
7. Any bargaining unit member whose spouse is a retired CMSD employee with at least 10 years of full-time service with CMSD and whose spouse is eligible for STRS or SERS health care and/or prescription benefits may elect to cover the spouse as primary. The retired spouse does not have to enroll in the STRS or the SERS health care and/or prescription plan. However, if the retired spouse should become employed, and such employer offers group health care insurance, then that spouse and District employee are required to comply with subsections 1 through 6 above.

Section 2. Medical Insurance

- A. Subject to the limitations of Section 1 and Section 2(C), during the enrollment period each year (November), each eligible employee may elect either single or family coverage from one of the following health care provider plans: Aetna, Medical Mutual SuperMed Plus, or UHChoice. The level of health insurance, prescription drug insurance, dental, and vision coverage provided, or in the case of self-insurance, under the self-insurance program, will be the same as provided on December 31, 2016, unless as otherwise set

forth in Appendix P. The effective date of coverage, other than for substitutes, shall be the first of the month following thirty (30) calendar days of employment. All preexisting conditions will be covered unless currently restricted by HIPAA guidelines.

Employees who enroll in either single or family coverage will pay the following employee contributions for Aetna and MMO SuperMed Plus PPO effective July 1, 2019, an amount equal to ten percent (10%) of the monthly premium (COBRA equivalency) The employee contribution based upon the COBRA equivalency rate shall be calculated and become effective for the coverage periods beginning on January 1, 2019 and recalculated effective each January 1 thereafter.

The monthly contributions for Aetna and MMO SuperMed Plus PPO shall be subject to the following monthly caps for the duration of this agreement: (i) for single coverage - \$100.00 and (ii) for family coverage - 220.00. Employees who enroll in either single or family coverage will pay the following employee contributions for the duration of this agreement for UHChoice: (i) for single coverage - \$50.00 and (ii) for family coverage - \$120.00.

However, if an employee and covered spouse (if the District is the primary provider for health care for both the employee and spouse) annually voluntarily participates prior to the open enrollment period (1) in biometric testing consisting of Body Mass Index (BMI), glucose, blood pressure, and cholesterol testing and (2) completes a health risk assessment, the above employee contribution shall be reduced to the following: (i) for Aetna and MMO—single coverage--\$75.00, family coverage--\$170.00; and (ii) for UHChoice—single coverage--\$35.00, family coverage--\$100.00. The tests and assessments shall be at no cost to the employee/covered spouse if billed by the provider as preventative care services as defined below and in Appendix P3. Results will be shared only with the individual employee (in the case of a covered spouse, only with that spouse) and the employee's physician (in the case of the covered spouse, only with the covered spouse's physician). Where the District is the primary provider for healthcare to the employee and the employee's spouse, both the employee and spouse must successfully complete the testing and assessment to receive the lower rate set forth in this paragraph. The testing and/or assessment shall be conducted through the employee's physician (or, if the employee's spouse is being tested/assessed, by the spouse's physician). The physician shall complete the form attached as Appendix P2 and submit that form to an independent third party mutually selected by the District and the CTU. That independent third party shall advise the District only that: (i) the employee/covered spouse has completed the above test and assessment; and (ii) the date of such completion. The District and the CTU will jointly promote participation in these tests.

All employee contributions are made by payroll deduction in equal installments twice each month.

The District shall provide, at a minimum, the preventive services covered by the Affordable Care Act as of September 23, 2010 without any employee copayment or co-insurance or deductible. Those services are set forth in Appendix P3. The District's obligation shall continue without regard to the continuing existence of the Affordable Care Act.

In addition, the following coverage shall be maintained:

Preventive care: 100% covered for all services and frequencies per specified age/gender guidelines, and where no specific frequency/age/gender guidelines, then as determined by the doctor as to whether or not the service is preventative, in which case it shall be covered 100% by the District.

If the District wishes to add any new providers, the CTU will be involved in the bidding process and the selection of providers.
- C. Opt-Out Option. During the enrollment period each year, employees will be provided with the option of declining health insurance coverage for the ensuing year. Such elections are irrevocable until the next annual enrollment period. If the employee declines coverage for the year, he/she shall receive two semiannual payments of \$250. These payments will be made in April and October. If the employee elects to change his/her coverage from family coverage to single (but would otherwise be eligible for continued family coverage), he/she will receive two semiannual payments of \$125,

payable in April and October. Any employee who has opted out and is eligible to reenroll within the plan year due to a qualifying event may reenroll within the current year of employment provided that the employee returns a pro rata share of the payments received pursuant to this Section.

- E. Hard Audit/Open Enrollment. Unless otherwise agreed by the District and the CTU, open enrollment shall be the entire month of November for coverage effective January 1 of the following year. During the open enrollment period, or earlier if the District and CTU agree, the District shall have the right to conduct a hard audit requiring employees to produce acceptable documentation to establish eligibility for coverage for the employee as well as any claimed dependents and/or spouse. The required documentation may include, but is not limited to, birth certificates, custody decrees, marriage licenses, working spousal coverage, and/or verification of student status.

Section 3. Prescription Drug Plan

All employees will be covered by a prescription drug program administered through a provider mutually agreeable to the parties. Section 4. Shared Savings

Section 5. Vision Care

All employees will be covered by a vision care program administered through a provider mutually agreeable to the parties. The District will pay the full cost of this program. The level of vision care benefits shall be the same as provided in the previous collective bargaining agreement between the District and the CTU as provided by United Healthcare (Appendix P).

Section 6. Dental Plan

All employees will be covered by a dental care program administered through a provider mutually agreeable to the parties. All employees will be covered by a Basic Dental Care program as set forth in Appendix P. The District will pay the full cost of this program. Employees may also elect to participate in the Enhanced Dental Plan program as set forth in Appendix P.

Section 7. Section 125 Plan

- A. The District shall continue to provide a "Cafeteria Plan" which will: (a) allow employees who make employee contributions for health care coverage to elect to do so on a pre-tax

basis, (b) allow employees to elect to receive additional cash in lieu of Board-paid health care coverage (as set forth herein), and (c) allow employees to elect to participate in the dependent care and medical care flexible spending accounts (FSAs) described below.

- B. The Cafeteria Plan will be designed to meet the requirements of Internal Revenue Code (IRC) Section 125 and applicable regulations. Accordingly, each bargaining unit member will have an opportunity on an annual basis in November to enroll in the Cafeteria Plan. The election to participate may not be revoked during the current plan year unless there is a change in the employee's circumstances that, in accordance with IRC Section 125, permits the employee to change his or her election under the plan (e.g., divorce, death of spouse, change in employment status, a child losing eligibility for coverage, a court order requiring coverage, or other enrollment rights consistent with federal law). Details of the Cafeteria Plan will be provided on an annual basis at the time of enrollment and will also be available through the Human Resources Department.
- C. Under the Cafeteria Plan, each employee will be allowed to make a pre-tax "salary reduction" election up to the maximum amount allowable under IRC Section 129 and receive a corresponding credit under a child care/dependent care FSA. Under the dependent care FSA, reimbursement may be received for dependent care expenses described in IRC Section 129.
- D. In addition, each bargaining unit member during open enrollment or other qualifying event, will be allowed to make a separate pre-tax "salary reduction" election up to the maximum amount allowed, but in no amount greater than the established IRS limit for that tax year, at the start of open enrollment and receive a corresponding credit under a health care FSA. Under the health care FSA, reimbursement may be received for medical (including dental and vision care) expenses (under IRC Section 213) that are not otherwise reimbursable by the health care plans of the District or of another employee.
- E. Medical Care Flexible Spending Accounts (FSAs) will each have a \$500 non-expiring carry forward limit as defined by the Internal Revenue Service (IRS).
- F. Employees may also elect (on forms prescribed by the District) to pay up to \$50,000 worth of life insurance per year with before-tax dollars through the District's Cafeteria Plan, consistent with applicable federal law. Any basic life insurance coverage provided at the District's expense as defined in Section 8 below shall be included in the \$50,000 allowance.

Section 8. Life Insurance

The District shall underwrite the cost of a \$10,000 group life insurance policy for all regular employees. The District also will provide employees with the option of purchasing up to \$500,000 of life insurance through payroll deduction up to the limits of the policies in effect, but not less than \$10,000.

Section 9. Extended Coverage

- A. Automatic Summer Coverage. Both hospitalization/prescription drug and group life insurance protection will be extended into the summer months for covered persons employed in positions which are normally school-year-active only. This includes personnel as defined in Section 548 of the Administrative Code.

This extended coverage will terminate effective September 1, should the employee fail to return to active payroll status at that time. Any payroll deductions being made for health care/prescription drug and/or group life insurance will be effected on a monthly basis during the school year.

- B. Inactive Payroll Status. Health care/prescription drug and life insurance coverage may be continued for any employee who becomes payroll inactive (such as resignation or a leave of absence) as follows:

1. In order to continue health care/prescription drug insurance, the inactive employee will be provided rights consistent with COBRA eligibility.
2. In order to continue life insurance coverage, the inactive employee must contact the insurance company and arrange for direct billing within thirty-one (31) days from the last day of active payroll status.

- C. Resignation and Retirement.

1. Bargaining unit members whose separation date is on or after the end of the member's school year as set forth in the member's contract will continue to receive District-paid health care/prescription drug insurance, vision, dental care, and group life insurance protections through August 31 (subject to the conditions set forth in Section 2 herein).

Except as provided above, health care/prescription drug, vision, dental, and group life insurance protection will be extended through the end of the month in which the employee separates from the District, whether due to retirement, resignation or termination.

Section 10. STRS Payments

The District agrees to pay the employee's share of the payment to the State Teachers Retirement System (STRS) in accordance with Ohio Attorney General's Opinion 82-097. The District shall offer the option to purchase STRS/SERS credit through tax-deferred payroll deduction.

Section 11. Joint Effort for Improvement

- A. The District and the CTU shall work jointly to gain legislation to improve retirement benefits, improve employee benefits, increase State aid, and extend employee benefits to retired teachers.

- B. It is hereby agreed that the District and the CTU shall jointly explore, and encourage the receipt of, new sources of District revenue. This will be accomplished through the auspices of the conceptually agreed upon "Joint Committee on Lobbying," and with the inclusion of other interested parties (e.g., members of other employee groups, including CCAS, parent representatives, District representatives, and business/community representatives). Upon ratification, this committee will advocate for an increase in the State of Ohio's share of funding for construction and renovation of CMSD schools.
- C. A Health Care Subcommittee shall be established with up to five (5) members appointed by the CEO and up to five (5) members appointed by the CTU President. Additional representatives may be invited to attend by agreement of the management and Union representatives. The Subcommittee shall review and make recommendations to the CEO and the CTU President regarding any terms and conditions set forth in this Article, including, without limitation: (1) mandatory reenrollment; (2) selection of a Pharmacy Benefit Manager and review of that vendor's performance; (3) modifications to any portion of this Article that will enhance benefits and/or control costs. Changes could include increased use of mail order prescriptions, drug deductibles, and such other modifications as the Subcommittee may want to consider; and (4) such other matters as the Subcommittee may elect to explore.

Should the Subcommittee propose or recommend a change in any benefit level set forth in this Article, the change requires the approval of the CEO and the CTU President.

Section 12. Legal Defense

The District will continue to comply with O.R.C. Chapter 2744.

Any certificated/licensed bargaining unit member whose worksite included an extended day during the 2012-2013 school year will be given a hold-harmless payment equivalent to the compensation for the additional minutes worked in the 2012-2013 school year less the amount they will receive for the additional minutes outside the normal school day as defined in Article 9 for as long as that member remains at that worksite.

This hold-harmless payment will be paid in 24 equal installments effective with the first installment for the 2019-2020 school year.

This form needs to be completed by each staff member and submitted to the Principal and Chapter Chairperson no later than January 31, 2018.

If a teacher is transferred, then effective on the first day of the second grading period, this person carries with him/her all system seniority accumulated to that time (Article 12, Section 4, A).

****Teachers who resign or retire from their positions and are later reemployed shall lose those years acquired prior to the separation unless he/she is reemployed as a teacher in a school year consecutive to that of the separation.**

CLARIFICATIONS FOR B.E.S.T. RUBRIC

The BEST Rubric for determining the staff order for any potential necessary transfers is now in your buildings. Remember that if any necessary transfers are required, volunteers to be the necessary transfer go first. A few points to clarify the Sections.

Section I is **Years of Teaching Experience** - Years of teaching experience in CMSD. **The 17-18 school year should be counted.** **Teachers who resign or retire from their positions and are later reemployed shall lose those years acquired prior to the separation unless he/she is reemployed as a teacher in a school year consecutive to that of the separation.

Section II is **Areas of Certification/Licensure**. This means how many licenses you hold. It is one point for each license. (K-8, 1-8, PreK-3, 4-9, Intervention Specialist, HS Content Area). The only licenses that get two points are Comprehensive Science or Comprehensive Social Studies. **This does NOT include endorsements.**

Section III is **Level of Licensure**. Indicate the points based on the highest level of certification you hold with 4 points being the max for this section. Please see below for points.

- Resident Educator License (1 pt.) – This license is given to teachers who have just begun their teaching careers.
- Professional Educator License (2 pts.) – This is the license that most teachers have. When licenses are renewed, they typically are renewed to Professional Educator.
- Permanent Certificate (2 pts.) – This is for teachers who hold a permanent certificate.
- Senior Educator License (3 pts.) – See below
- Lead Educator License (4 pts.) – The requirements for Senior and Lead Educator License are below. You must **HOLD THE LICENSE** to get the points. If you are eligible you need to renew and actually get the license before claiming the points.

Senior Professional Educator License

- Master's degree;
- Nine years of experience under a standard teaching license or certificate, of which at least Five years are under a professional/permanent license/certificate; and
- Demonstration of effective practice at the accomplished or distinguished level of performance as defined in the [Ohio Standards for the Teaching Profession](#); specifically, by successful completion of the Master Teacher portfolio.

Lead Professional Educator License

- Master's degree;
- Nine years under a standard teaching license or certificate, of which at least five years are under a professional/permanent license/certificate or senior professional educator license; and
- Demonstration of effective practice at the distinguished level of performance defined in the [Ohio Standards for the Teaching Profession](#); specifically, by holding active National Board Certification, OR, successful completion of the Master Teacher portfolio and the Teacher Leader Endorsement.

Section IV is **Areas of Specialized Training and Experience**. Teachers that are Montessori endorsed teachers (that are currently teaching in a Montessori program) and teachers currently teaching at Bard, are able to add 1 point for specialized training. Only current teachers at Tremont and Bard are eligible based on the agreed areas of specialized training.

These forms should be given to the Principal and Chapter Chair. Information provided by the teacher will be verified by viewing the CMSD roster report in workday for the school by the Principal and Chapter Chair. Information will also be verified through Human Resources.

CORRECTIVE ACTION SCHOOLS

(Per Ohio Revised Code 3311.74)

The CEO shall identify which schools are in need of corrective action. The CEO will also identify what corrective action is warranted at each school and when the corrective actions should be implemented (the “Corrective Plan”).

The Corrective Plan will first be shared with the District level Corrective Action Team (“CAT”) comprised of four representatives selected by the CEO and four representatives selected by the CTU President. Soon thereafter, the Corrective Plan will be announced to the staff at the Corrective Action School(s).

Where appropriate, the CAT will seek input from the Academic Progress Team (“APT”) (see Appendix Q) for recommendations on implementation of the Corrective Plan. The CAT, within the timelines set by the CEO, shall collaborate with CATs from other unions where there are overlapping or mutual concerns, prior to making their recommendations to the CEO.

If the CEO disagrees with all or part of the recommendations of a CAT, or if a CAT fails to make timely recommendations on the implementation of all or part of the Corrective Plan, the CEO may implement the Corrective Plan in the manner in which the CEO determines to be in the best interest of the students, consistent with the timelines originally established.

The implementation of the Corrective Plan will be the responsibility of the APT at the Corrective Action School. The CAT will be responsible for regularly monitoring the progress of the Corrective Plan at the Corrective Action School(s) and will make recommendations to the CEO regarding “exit” strategies when the Corrective Action School(s) has accomplished the goals addressed in the Corrective Plan.

The CEO and any CAT are not bound by the applicable provision of this Agreement in developing recommendations for and implementation of the Corrective Plan.

The Corrective Plan is not intended to be used as a cost savings measure; rather, it is intended to improve student performance at the Corrective Action Schools. Therefore, bargaining unit members required to complete additional activities or events beyond the school’s established work day that are not otherwise bargained and/or compensated for in this Agreement (e.g., parent nights, home visits) shall be compensated at their prorated daily rate.

JOINT RESOLUTIONS RE: HEALTH CARE CLINICS

Whereas the wellness and health of our children are often at risk due to socio-economic factors; and

Whereas parents and children often lack access to health care providers; and

Whereas we believe that our commitment to the whole child is as important as strengthening the mind;

Therefore be it resolved, the Cleveland Teachers Union and the Cleveland Metropolitan School District jointly agree that functioning health clinics must be established on a regional basis in District PreK-8 schools for the purpose of providing basic health care and wellness services to all students, who deserve the opportunity to perform at their physical and mental best.

Therefore be it further resolved, the Cleveland Teachers Union and the Cleveland Metropolitan School District will meet with area health care providers for the purpose of securing the commitment, resources, and expertise to plan and to implement these regional health clinics.

Therefore be it further resolved, under the operational guidance of CMSD nurses and other District support personnel who will staff these health clinics, medical services for District students and their families will be provided by area health care providers for the purpose of insuring that Cleveland youth are in the best possible health and are ready to learn at their fullest potential.

RE: VOLUNTEER MENTORING SYSTEM

Whereas mentoring is a strategy that helps young people succeed in life by giving them the confidence, skills and resources to reach their potential and;

Whereas mentoring enables students to pair with adults who provide one on one guidance, support, and encouragement, creating a bond that endures throughout the school year and beyond;

Whereas we recognize and support the many volunteer activities in which employees throughout the District are currently involved;

Therefore be it resolved, the Cleveland Metropolitan School District and the Cleveland Teachers Union are committed to collaborating in the development of an ongoing volunteer mentoring system that will encourage and strengthen mentoring in our District.

APPENDIX J

MEMORANDUM OF UNDERSTANDING BETWEEN THE CLEVELAND METROPOLITAN SCHOOL DISTRICT AND THE CLEVELAND TEACHERS UNION, AFT LOCAL 279, AFL-CIO REGARDING 27 PAYS IN FISCAL YEARS 2016-17 AND 2017-18 AND THE TRANSITION TO 24 PAYS

This Memorandum of Understanding between the Cleveland Municipal School District (“District”) and the Cleveland Teachers Union, AFT Local 279, AFL-CIO (“CTU”) memorializes the District and the CTU’s shared commitment to a collaborative working relationship.

The District recognizes that all provisions in the Collective Bargaining Agreement between the District and the CTU in effect upon execution of this MOU, and future CBAs as ratified, as well as other binding agreements on the CTU and the District in the form of Memoranda of Understanding (hereinafter collectively “CBA”) shall remain in full force and effect.

Cleveland Teachers Union full time bargaining unit members are currently compensated each year in 26 equal installments. The 24th pay installment of the 2016-17 school year is presently scheduled to occur on June 30, 2017. This would constitute the 27th pay of the District’s 2016-17 fiscal year.

To prevent 27 pays in the District’s 2016-17 fiscal year, the parties agree to move the 24th pay installment of the 2016-17 school year from June 30, 2017 to July 1, 2017. In addition, to prevent 27 pays in the District’s 2017-18 fiscal year, the parties agree to move the 24th pay installment of the 2017-18 school year from June 29, 2018 to July 2, 2018.

Beginning in the summer of 2018, the District will transition all CTU bargaining unit members to 24 equal bi-monthly pays. Bargaining unit members will be paid on the 5th and the 20th of each month unless it is a weekend or a holiday in which case payment will occur on the preceding business day.

See attached calendar for pay dates for the next four (4) school years. These dates may be modified with mutual agreement.

In the event the transition cannot be implemented in the summer of 2018, the District is committed to working with CTU to ensure there is no more than a 3 week gap in pay until a 24 pay system can be implemented.

MEMORANDUM OF UNDERSTANDING BETWEEN THE CLEVELAND MUNICIPAL SCHOOL DISTRICT AND THE CLEVELAND TEACHERS UNION, AFT LOCAL 279, AFL-CIO REGARDING WORKDAY IMPLEMENTATION.

This Memorandum of Understanding between the Cleveland Municipal School District (“District”) and the Cleveland Teachers Union, AFT Local 279, AFL-CIO (“CTU”) memorializes the District and the CTU’s shared commitment to a collaborative working relationship.

The District recognizes that all provisions in the Collective Bargaining Agreement between the District and the CTU in effect upon execution of this MOU, and future CBAs as ratified, as well as other binding agreements on the CTU and the District in the form of Memoranda of Understanding (hereinafter collectively “CBA”) shall remain in full force and effect.

The CTU and the District will act in a diligent and appropriate manner to implement Workday.

The District and CTU acknowledge that meaningful input from all stakeholders will help ensure the successful implementation of district-wide systems.

The District and CTU agree as follows:

Implementation of a New Human Capital Management and Payroll (HCMP) System.

During the 2016-17 school year, the District will implement a new electronic Human Capital Management and Payroll (HCMP) system which will require changes in attendance policies, as outlined below. In the event of a delay in the transition to the new HCMP, the District will communicate such delay to all bargaining unit members by email and will provide an updated implementation timeline, including the scheduling of training and support, to the Union. It is anticipated HCMP will be effective December 17, 2016. The attendance regulations under the HCMP, which will take effect December 17, 2016, are set forth below.

Workday is designed to increase the efficiency of districtwide operations. The District shall not utilize Workday data, to withhold, deduct, or otherwise delay or refuse to pay the regular salary of an employee unless the bargaining unit member is on authorized unpaid absence or has been provided due process as otherwise required by the CBA. For additional compensation, (e.g., class coverages, professional development, etc.) the member must utilize the HCMP system.

A. Attendance Reporting Practices Under HCMP.

1. Once operational, members will use the District’s standardized electronic Human Capital Management and Payroll (HCMP) system. Employees will record additional pay events such as class coverages, in the HCMP. Employees will also

verify professional development, sick leave, and special privilege leave, in the system.

2. Exempt, salaried CTU bargaining unit members shall enter time in unit of days and nonexempt salaried CTU bargaining unit members shall enter time in unit of hours.
3. On a bi-weekly basis, all employees must validate all of the entries on their HCMP time sheet for that two-week period and submit their HCMP time sheets electronically. Those time sheets will be routed to a timekeeper (e.g., school secretary) for validation and to correct errors. Any corrections will be reflected on the employee's time sheet prior to submission to payroll. If the time sheet is rejected, the employee will be notified and will address the concern and resubmit the timesheet. Once the time sheet is validated by the timekeeper, it will be routed to the employee's principal/supervisor for approval. Employees will not receive payment for additional compensation (e.g., class coverages, professional development, etc.) without submission and verification.
4. Any employee who fails to timely submit the time sheet to the timekeeper for the applicable pay period will receive notifications to submit and/or correct his/her time sheet prior to the deadline for submission. If the employee fails to submit or correct the time sheet then the employee will not receive additional compensation if applicable until the week following proper submission of the time sheet.
5. Employees will be electronically notified if/when timesheet is modified or approved.
6. Multiple training sessions will be provided for all bargaining unit members during the two months prior to the December 17 implementation. As part of the training session, members will be provided with information as to how to obtain support for use of the HCMP and what the employee is supposed to do in the event the HCMP is not working.

Training will be conducted during regularly scheduled work hours, or will be compensated at the in service workshop and curriculum development rate if training occurs outside of regularly scheduled work hours. New employees will receive training as part of their orientation.

7. From December 17, 2016 to May 17, 2017, during the initial transition to the HCMP, employee errors will be viewed as training opportunities. Employees will receive assistance in correcting these errors from the HCMP Help Desk. After May 17th, training and support will continue to be available.
8. The biweekly validation of entries on the HCMP timesheet may not be used for discipline. Absence, early departure or tardiness procedures under Article 20 still apply. Leave forms submitted (e.g., sick leave, business leave, etc.) can be used for discipline under Article 18 if warranted.

B. Absence Reporting Practices Under HCMP.

1. Bargaining unit members will report their absence in the District's electronic substitute system as they do today. The substitute system will automatically report that bargaining unit member's absence to the member's HCMP time sheet.
2. Any additional absence reporting procedures will be governed by Article 20 in the CBA.
3. Employees must report all absences prior to the start of their work time, or as soon thereafter as possible. If an employee fails to report his/her absence, the employee will be considered absent without leave until a reasonable explanation is subsequently provided.

C. Attendance Recordkeeping Under HCMP.

1. Sick Leave – Employees will electronically provide the information required by Ohio Revised Code Section 3319.141 as currently provided in Appendix F, the Employee Statement to Justify the Use of Sick Leave Form. Training and implementation support for this attendance reporting process will be provided as indicated in A(5) and A(6) above.
2. Extended Leaves of Absence – Bargaining unit members will request Leaves of Absence, as defined in Article 21, electronically in the HCMP. Required Return to Work Authorizations will also be submitted electronically. Training and implementation support for this process will be provided as indicated in A(5) and A(6).
3. Employees may submit medical information supporting the leave electronically or by hand-delivering a hard copy to the Talent Department offices.

D. Training and Ongoing Support/Joint Workday Committee.

1. During the first year of implementation, the District agrees to meet with members of CTU at a minimum of a monthly basis to get input regarding implementation and training. A school based and central team of members identified by CTU and the administration (of no more than 5 each) will be utilized to intervene and resolve building level concerns regarding HCMP implementation.
2. Identified members of CTU will be invited to train other school based employees. All members of CTU will be invited to meetings and training concerning the development and implementation of HCMP. Members are expected to attend and complete training.

All provisions of the CBA shall be in full force and in effect except those mutually agreed to be modified.

- E. This MOU will remain in effect, except as modified by the mutual agreement of the CEO and CTU President.

Step Up to Quality (SUTQ) is a five-star quality rating and improvement system administered by the Ohio Department of Education and the Ohio Department of Job and Family Services. SUTQ recognizes and promotes early learning programs that meet quality standards that go beyond what is required for licensing. The program standards are based on national research identifying standards that lead to improved outcomes for children. Programs in SUTQ serving publicly-funded children may also receive additional financial support through increased child care reimbursement and quality achievement awards. The Ohio Department of Education’s goal is for all programs serving preK and preschool students to be rated by 2017. This language falls in line with the current Ohio Department of Education process. If the process changes, this agreement may need to change as well.

The District and the CTU commit to providing a high-quality preschool education program as rated by the SUTQ rating and improvement system. In the attempt to retain and increase funding and attain a five star rating, the following will occur in all special education preschool and child development (general education) preschool classrooms.

The District and the CTU agree to the following:

1. CMSD will notify staff, including preschool teachers, intervention specialists, paraprofessionals and principals, within three (3) working days from when the Ohio Department of Education notifies the District that the SUTQ process is to begin for that particular school.
2. The Early Childhood Office will work in collaboration with building principals to release preschool teachers who are currently working in the SUTQ process window from the building’s after school activities to use the 100 minutes to complete SUTQ tasks until the SUTQ process is complete. Flexible use of the professional time is allowed to complete the process (e.g., completion of paperwork, specific targeted training, etc.) in an effort to achieve the highest rating of 5 stars.

3. The District will provide substitutes for one work day to meet at the Early Childhood Office to finalize paperwork and complete all tasks in the required format preparing for uploads. Due to the nature of this process, specific assistance is needed to complete the necessary tasks to ensure that all documentation is properly prepared for uploads. The goal is to achieve the highest rating of 5 stars so the District will work with teacher teams to help prepare them for the registration upload and site visit. The Early Childhood Office will determine the day for this activity during each SUTQ process window.
4. As a required part of the SUTQ process, each teacher must submit copies of the requested observations. If needed, the Teacher Observation for Step Up to Quality (JFS 01521) form may be used as an alternative option. If using this option, the teacher may choose a colleague to complete the form.

All provisions of the CBA shall be in full force and effect except those mutually agreed to be modified.

This Memorandum of Understanding covers the initial SUTQ process for all CMSD preschools and special education preschools. A new Memorandum of Understanding will be negotiated for the renewal process. If there are any conflicting provisions with the current CBA, this Memorandum of Understanding shall take precedence over the CBA.

GUIDELINES FOR DONATING SICK LEAVE

Employees of the Cleveland Metropolitan School District are granted a specified number of sick leave days each year, and unused days accumulate without limit. The District and Unions are cooperating with employees who wish to “donate” days from their accumulated totals to other employees who are in need of sick leave for a serious illness but who have exhausted their own supplies. The District and Unions Joint Health Care Committee will continue to assess this program as it progresses. Donated sick days used by a recipient represent an additional cost to the District. Each day used costs the District 100% of the user’s daily rate, funds which would not have been expended if the sick day had remained in the donor’s accumulated total. For this reason, and for the protection of both the donor and recipient, the District will regulate these transactions, in cooperation with the Joint Health Care Committee. The following guidelines will govern the practice of donating sick days.

1. Sick leave may be donated only for a serious illness or injury of the employee or the employee’s immediate family.
2. The request to donate sick days will be made only on the official District form attached to these guidelines and must be reviewed by the employee’s Supervisor. Any employee may donate to any other employee.
3. For all occurrences of five (5) consecutive work days or more, recipients of donated sick days must file with the Division of Employee Services an application for medical leave, or a letter from their physician describing their condition and prognosis, or a copy of their application for disability leave. This information shall be segregated from the employee’s general personnel file and will not be subject to disclosure pursuant to a public records request.
4. Completed requests to donate sick days will be submitted by the Supervisor to the Division of Employee Services, which will check for medical leave or disability applications before forwarding them to the Payroll Division for processing.
5. An employee may receive an annual total of no more than 50 donated sick days.
6. The total of an employee’s sick day donations to all recipients may not exceed 5 days per year with the following additional limitation: Only employees with an accumulated sick leave balance of 15 or more days may donate more than one day per year, and must, after the donated days are subtracted, maintain a balance of at least fifteen (15) sick days.
7. The donation of sick days is irrevocable. Any donated days which are not used by the recipient will remain credited to the recipient’s accumulated sick day total and will not be returned to the donor by the District.

8. Unused donated sick days will not count toward the severance pay of the recipient. The total of all donated sick days, whether used or not, will be subtracted from the recipient's sick leave balance at retirement.

9. Donations to either classified or certificated recipients are permitted, regardless of the classification of donor.

10. The donation of sick leave days by one employee to another is a charitable act to be undertaken at the sole discretion of the donor. No employee has a right to expect to receive donated days, and no undue pressure on employees to donate sick days to another employee will be allowed. Solicitation of sick days must be undertaken by a third party, not by the intended recipient.

11. The sick day donation process is a discretionary service; any employee's refusal to donate will not be subject to formal grievances.

To create and maintain a success-oriented atmosphere for teachers and students.

To provide a process for guiding and supporting teacher efforts to acquire and use effective research based educational strategies, skills, and methods.

To provide a method for teachers to request and receive non-threatening assistance and guidance.

To use sound educational research to guide teachers in their selection of instructional strategies.

To professionalize teaching by allowing practitioners to monitor personnel and to assist in the retention of its members.

Two components of the PAR Program:

1. Intervention:

- a. After receiving a Composite observation rating of “Ineffective” the principal may recommend a teacher be placed in the PAR Program at the Composite Evaluation conference for the upcoming school year.
- b. The Principal’s recommendation is given to the PAR Governing Board. The PAR Governing Board will assign one or more Peer Advisor(s) to conduct unannounced evaluations/visits to the teacher’s classroom in September.
- c. The Peer Advisor(s) submits his/her findings to the PAR Governing Board. The advisors will give their recommendation to admit a teacher into the PAR Program or their determination that PAR is not needed.
- d. The PAR Governing Board will make a final decision as to the teacher’s placement in PAR.
- e. A teacher will remain in PAR for a minimum of one school year, to a maximum of two school years (per peer advisor recommendation).
- f. At the end of one school year as a result of non-improvement, a peer advisor may recommend a teacher for non-reappointment or termination. The non-

reappointment or termination recommendation will be made to the PAR Governing Board.

g. After reviewing all evidence, the PAR Governing Board will recommend its findings to the CEO. The CEO will make a recommendation for non-reappointment/termination to the Board of Education. (See PAR Governing Board for non-reappointment/termination procedures.)

2. Volunteer:

a. A teacher experiencing difficulties and recognizing that he/she needs assistance in classroom teaching strategies may volunteer to participate in the PAR Program. The volunteer teacher may electronically contact the PAR Liaison to request voluntary PAR. The PAR Liaison will forward the teacher's request to the PAR Governing Board.

b. The PAR Governing Board will assign a peer advisor to the volunteer participant.

c. The volunteer component of the PAR program will be voluntary and non-evaluative. A volunteer in the PAR program can determine that he/she no longer requires assistance at any time.

The PAR Governing Board

The Governing Board of the CMSD PAR Program consists of nine (9) members. Five members are appointed by the President of the Cleveland Teachers Union and four members are appointed by the CEO.

Appointed members will serve on the board for two years. Initially, two administrators and two CTU members will be selected to serve only one year in order to stagger future two-year appointments. This action will provide for continuity on the Governing Board. Chair of the Governing Board is rotated annually between the CTU and CMSD.

The Governing Board's functions include, but are not limited to, the following: setting policy and procedures regarding the PAR program; interviewing and selecting a Peer Liaison; accepting or rejecting the recommendations of the Peer Advisors regarding progress or lack of progress of the Advisees; and forwarding to the CEO a recommendation regarding each Advisee's future employment. Peer Advisors will meet with the Governing Board to present written documentation of their efforts to provide support and assistance to their assigned teachers. They will also explain and justify recommendations that are made.

The Governing Board may recommend to the CEO the non-reappointment of a limited contract teacher by a minimum two-thirds vote (6-3) after it has heard the recommendation of the Peer Advisor and rebuttal from the teacher involved in intervention. The Governing Board may recommend termination of a continuing contract teacher; however the due process procedure as outlined in Article 18, Section 1 of the collective bargaining agreement (CBA) outlining due process regarding termination and pre-disciplinary hearing must be followed prior to a recommendation by the CEO to the Board of Education.

The Governing Board will review the performance of peer advisors. An advisor's effectiveness will center on an advisee's assessment of the advisor's help, recommendations from the PAR liaison, and a review by the Governing Board. Ineffective peer advisor performance will result in an advisor not being retained in the program.

The Peer Liaison

The Peer Liaison is a bargaining unit member of CTU, will be selected via the posting-interview process, will serve in the position no longer than three school years and upon leaving the Liaison position will be treated as a Necessary Transfer per Article 12, Section 2 of the collective bargaining agreement. The Peer Liaison coordinates the day-to-day operation of the peer advisor component of the PAR program. Additionally, the Peer Liaison may work with teachers as a part of the voluntary component but may not be assigned intervention cases. The Peer Liaison reports to the CTU President, the CEO and the PAR Governing Board for a three-year period of time. The Liaison's charge is to work with District administrators, building administrators, Union officials, and peer advisors to provide management, support and guidance for the overall success of the program. Additionally, the Liaison is responsible for a portion of the overall evaluation of the peer advisor.

The Peer Advisors

The Peer Advisor is a bargaining unit member of CTU and is a Teacher Incentive Fund participant. He/she will be selected via the posting-interview process and will serve in the position no longer than two school years. The Peer Advisors assist and assess struggling teachers with the goal of enabling these teachers to achieve success in the classroom. Every attempt is made within the constraints of the PAR program to pair an advisee with a Peer Advisor that holds similar certification/licensure.

The following services are provided by Peer Advisors: formal and informal classroom observations, conferences, demonstration lessons, support materials, mutual goal setting, and assessment and evaluation.

APPENDIX O

ARTICLE 27 – SEVERANCE PAY DEFERRAL PLAN

A. Notwithstanding anything in this Resolution or existing Board policies to the contrary, in accordance with the terms of this Agreement and any related provisions of a plan document adopted by the Board to comply with the requirements of Internal Revenue Code (“IRC”) Section 403(b), retiring employees described in Section 3 shall have their severance pay mandatorily paid into an annuity contract or custodial account that is designed to meet the tax-qualification requirements of IRC Section 403(b) (a “Tax Sheltered Annuity” [TSA]), hereinafter referred to as the “403(b) Plan.” The provisions of this Article are effective for all employees whose effective date of retirement is after the effective date of this Article.

B. Participation in the 403(b) Plan shall be mandatory for a bargaining unit member who retires after the calendar year the employee has attained age 54 and is entitled to “Severance Pay” (as defined below). An employee who is required to participate in the 403(b) Plan is hereinafter referred to as a “Participant.”

C. For purposes of the 403(b) Plan, the term “Severance Pay” shall include all of the following types of cash payments that are payable to a Plan Participant upon retirement:

1. Any severance pay that is payable to a retiring bargaining unit member under Article 26; and.
2. CMSD and CTU will work with legal counsel and tax consultants for the purpose of exploring if those bargaining unit members who accepted the Employee Separation Plan and will retire in Summer 2007 can access the tax shelter annuity program.

D. If a retiring employee is a Participant in the 403(b) Plan, an employer contribution shall be made on his or her behalf under the 403(b) Plan in an amount equal to the lesser of:

1. The total amount of the participant’s Severance Pay, or
2. The maximum contribution amount allowable under the terms of the 403(b) Plan.

To the extent that a Participant’s Severance Pay exceeds the maximum amount allowable under the 403(b) Plan in the calendar year of payment, the excess amount shall be payable to the 403(b) Plan in January of the following calendar year; and if the amount to be paid to the 403(b) Plan in January of the following year exceeds the maximum amount that is permitted under the 403(b) Plan for such calendar year, the excess shall be paid to the Participant in cash.

E. The TSA that shall be used for the 403(b) Plan shall be the AIG VALIC Portfolio Director Series 6 group annuity contract. 403(b) Plan participants shall be required to complete AIG VALIC enrollment forms; and unless and until a member does so, no contribution of Severance Pay shall be made to under the 403(b) Plan on behalf of the member.

F. If a Participant is entitled to have a contribution paid to the 403(b) Plan and dies prior to such contribution being paid to the 403(b) Plan, the contribution shall be paid to the TSA

provider and then paid to a Beneficiary of the employee in accordance with the terms of the TSA provider contract; provided, however, that if the Participant does not have a TSA in effect at the date of death, the Severance Pay shall be paid in cash to the estate of the deceased bargaining unit member.

G. If a bargaining unit member is entitled to Severance Pay and is not required to be a Participant in the 403(b) Plan, the bargaining unit member's Severance Pay shall be payable to the bargaining unit member in a lump sum cash payment by a date selected by the Chief Financial Officer (CFO) that is not later than 2-1/2 months after the last day of the bargaining unit member's employment. However, in accordance with the requirements of IRC Section 403(b) and other applicable federal income tax law, a bargaining unit member may elect to have all or a portion of the bargaining unit member's Severance Pay deferred into a TSA or into a trust, custodial account or annuity that is intended to be part of a deferred compensation plan that is tax-qualified under IRC Section 457(b) (a "Section 457 Plan") that is otherwise maintained by the Board for its employees.

The CFO shall have authority to establish rules relating to the elective deferral of Severance Pay as the CFO shall deem to be necessary or desirable to assure compliance with the applicable federal income tax law.

If a bargaining unit member is entitled to a cash payment of Severance Pay, has elected to defer some or all of it to a TSA or Section 457 Plan, and dies prior to the date such amount is paid to the TSA or Section 457 Plan, the amount that the employee had elected to be paid to a TSA or Section 457 Plan shall nevertheless be paid to the TSA or Section 457 Plan. If a bargaining unit member had not designated a specific TSA or Section 457 Plan, it shall be paid to the last TSA or Section 457 Plan which had received contributions on behalf of the deceased bargaining unit member; provided, however, that if the bargaining unit member had no TSA or Section 457 Plan, the deferred amount shall instead be paid to the deceased bargaining unit member's estate. If a bargaining unit member is entitled to a cash payment of severance pay, to the extent that the bargaining unit member has not elected to defer such amount to a TSA or Section 457 Plan and dies prior to the date of such payment, the amount payable in cash shall be paid to the estate of the bargaining unit member.

H. All contributions to the 403(b) Plan and all deferrals to a TSA or Section 457 Plan, and all cash payments to bargaining unit members, shall be subject to reduction for any tax withholding or other withholding that the CFO determines is required by law. Neither the Board, nor the CFO, nor the Cleveland Teachers Union guarantee any tax results associated with the 403(b) Plan or deferrals to a TSA or Section 457 Plan, or cash payments made to a bargaining unit member.

I. The CFO of the School District may execute any and all legal documents that may be required to establish and maintain the 403(b) Plan, including, without limitation, hold harmless agreements with TSA providers, and to make any required filings with the Internal Revenue Service or other governmental agencies. In addition, the terms of this 403(b) Plan that provide for the deferral of Severance Pay may be subsequently incorporated into the terms of a plan document that is adopted to comply with the requirements of IRC Section 403(b). Further, the CFO may adopt rules and regulations relating to plan administration as the CFO deems to be necessary or desirable for plan administration and compliance with applicable law.

Appendix C Teacher Track IV

Teacher Track VI

Beginning with one (1) pilot cohort starting in the 2016-2017 school year, the District will implement Teacher Track VI of the Career Development Program Path for Paraprofessionals, which provides eligible paraprofessionals with the opportunity to earn a bachelor's degree and attain teacher certification in areas of high need. Based on the needs and resources of CMSD, the program pays tuition for 6 credits per semester for undergraduate study at participating colleges/universities. Candidates in the program will have two-and-a-half hours per week of release time to be mutually agreed upon with the principal. In addition, the program will pay the initial college admission/application fee for paraprofessionals participating in the program.

This release time cannot be used to attend classes during the scheduled work day unless agreed upon by the school principal or the principal's designee. However, we do encourage paraprofessionals to take courses during the late afternoon, evenings and/or weekends to avoid

conflict with their work schedules. During the period of student teaching, participants approved to be in the program will be required to apply for a paid Leave of Absence.

Paraprofessionals attending and completing six (6) credits/semester hours of study during the summer semester **may** be eligible to receive a summer stipend.

Any paraprofessional currently on Teacher Track V may either complete Teacher Track V or may apply to Teacher Track VI during the application period for the initial pilot cohort. If the paraprofessional plans to stay in Track V, they will be responsible for confirming their participation, providing documentation of current progress towards completion and projected completion date to the Talent Office. If accepted into Teacher Track VI, the paraprofessional would fall under the guidelines of Track VI. Any paraprofessional who begins the Teacher Track VI pilot will have the opportunity to complete the program provided that he/she meets the requirements. Should a new cohort for Teacher Track VI not be offered, then Teacher Track V will be reopened for new participants.

Financial Aid

In order to participate, applicants must apply for financial assistance. For paraprofessionals who benefit from Federal Pell Grant or State-level tuition assistance, financial aid will be used to cover any tuition-related expenses. Additional tuition and required post-admission fees will be billed to CMSD. The paraprofessional will be responsible for any other out-of-pocket costs such as books, parking, supplies, etc.

Approved Colleges and Programs

The District, with input from the CTU, intends to identify the program(s) by the fall for a second-semester start date.

Application Requirements

1. Complete an application process for the Paraprofessional Ladder to be mutually developed by the District and the CTU.
2. Recommendation from current principal with agreement to allow for the release time.
3. Hold an associate's degree, or equivalent credit hours, in any area of study from an accredited college/university and a minimum 2.5 cumulative GPA.
4. Have at least two (2) years of experience with the attainment of a skilled or accomplished rating.
5. Paraprofessionals, who are on an approved leave of absence, resign or are terminated prior to their first day of college classes are not eligible to participate in the program.
6. Complete an evaluation request application developed by the District.

7. Will sign a letter of commitment to stay in the District as a teacher for five (5) years, if hired as a teacher within one year of the date of license issuance, or will be responsible to pay back tuition costs. It is expected that participants will apply for positions through the open position process within one year from the date the license is issued.

The District shall select participants in Teacher Track VI with input from the CTU.

During the Program

Requirements

- Must take a minimum of six (6) credits per semester
- Must maintain As or Bs in courses completed
- Up to 2½ hours a week of field experience that can be done within the participant's currently assigned building.

Verification of Enrollment

- At the beginning of each semester, any paraprofessional requesting release time must present a copy of the college bursar's receipt or other documentation of actual enrollment to the school principal or designee.

Verification of Course Completion

- Within one month following completion of the semester, it is the responsibility of each participating paraprofessional to submit to the principal or designee a copy of the transcript, grade report, or other substantiating documentation indicating completion of the course(s) for which release time was granted.

Failing Grade - Withdrawal/Incomplete

- A paraprofessional whose transcript indicates a failing grade or withdrawal/incomplete during the semester for which release time was granted must submit to the principal written verification from the professor of actual attendance for the failed course. If this written verification is not submitted, release time must be terminated due to non-compliance or failure to meet requirements. A payroll deduction will be held for any release time or pay that the paraprofessional received without appropriate documentation.

Upon completion

Paraprofessionals who receive a teacher certification and are hired as a teacher in the District commit to teaching in the District for five years. If the paraprofessional applies for an open position within one year of the date the license is issued and is not interviewed and hired as a teacher then this requirement shall not apply.
