The Local 777 President shall also receive this stipend for services rendered as a member of the Safety Council. Safety Ambassador/Safety Advisor duties shall include:

- perform a safety walk-through on a monthly basis in accordance with the Safety Rubric created by CMSD’s Coordinator, Workers’ Compensation and Safety.

d. Any Custodian losing the designation of Safety Ambassador shall be paid the stipend pro rata for the time served as an Ambassador, and any Custodian gaining the designation as Safety Ambassador shall be paid the stipend pro rata for time served as an Ambassador.

e. For the 2021-2022 school year, the parties agree that the following Custodians shall receive a prorated stipend based on their date of assignment to a Safety Ambassador site and assumption of Safety Ambassador duties or for time such Custodian was unable to perform Safety Ambassador duties due to transfer, retirement, leave of absence, or other reason:
