Course Title	Course Overview	Course Link
Ohio Department of Education's Learning Management System	The LMS offers another way for teachers and administrators to learn from state experts on important topics. They can keep relevant materials and documents in an individualized e-portfolio. Digital Teaching and Learning Evaluating Digital Content for Instructional and Teaching Excellence	http://education.ohio.gov/Topics/Teaching/Professional-Development/Learning-Management-System-LMS
Edweb	Learn how innovative educators are using edWeb for personalized professional learning.	https://home.edweb.net/pd-plans/
Ohio Leadership Advisory Council	OLAC has created online learning modules to support implementation of Ohio's Leadership Development Framework across the state. OLAC's learning modules are any-time, any-pace learning opportunities available for free to Ohio educators. The modules include research and content from national experts, streaming video, Ohio exemplars of best practices, and more. •Modules - TWO (2) contact each module. •Webinars - ONE (1) hour of credit through their LPDC.	https://ohioleadership.org/h
