Miles Park Families,

We have 26 school days or 7 weeks left in the school year. I must remind you that students must earn passing grades in 3 of the 4 marking periods, take all state test, and have displayed satisfactory attendance remotely or in person to be promoted to the next grade. This week we will be sending home report cards with your scholar if they are in-person. If they are remote it will be mailed to your home by Friday, April 16, 2021. Also, It is extremely important that students attend school on their specific days and complete there required homework/classroom assignments. In-person school hours are 7:40 am-2:15 pm. Remote learning begins at 8:15 am. Please do not forget if you have questions/concerns you can contact the teacher every Wednesday from 10 am-12 pm. or you can call Miles Park School so that we can help schedule an appointment with the teacher. This week grades 5th-8th grade will be taking the ELA OST state test beginning at 9 am. K-3rd grade will be conducting RIMP progress monitoring. If your scholar receives instruction from non-Miles Park Staff your scholar will take their test at East Professional Development Center. Please call the school for the specific state testing date. Last, if you're remote scholar needs lunch we are offering bagged lunches from 10 am-2pm M, T, Th, Fri. Please come to the front door and follow covid-19 protocols.
