We are in this together

1. We are committed to maintaining the health, safety and well-being of our students, families and educators.
2. We will support our scholars, families and educators as we adapt to new methods and cycles of learning and teaching
3. We will provide regular communication about your scholar's progress.
4. We will partner with community organizations to support our scholars and families.
5. We are all learning to navigate this new "normal" and will continue to partner with you throughout the year.

Schoolology Remote Learning Platform

- Schoolology is an integrated learning management solution which provides course management, mobile learning, and support for communication.
- Schoolology enables our scholars, parents and teachers to engage with learning materials and their school community from the classroom and beyond.
- With Schoolology, scholars can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more.
- As a parent, you will be able to view your child's activity and progress within the platform and communicate with teachers.
- Parents need an active email account.

Clever: Access to all learning tools

- Parents and students can access Schoology through the Clever Learning Portal.
- Students can use their digital badge or username and password to login to the Clever Learning Portal
- Schools can assist students with their Clever username and password.
- Parents that do not have a Clever username and password will receive an email invitation sent to the email that you have on file at your child's school. Your invitation email will include a brief tutorial and link to create a Clever account.
- If you did not receive an email or received an invitation, but need help logging into Clever, email CMSD.Integration@ClevelandMetroSchools.org for assistance. Training and support resources will be available on CMSD's public website regarding how to access and use Schoology and other learning applications

Supporting your scholar's remote learning

- Get back into the routine of school, i.e. making bed, grooming, dressing for school, etc.
- School uniforms are not required for the first 9 weeks, but scholars should wear school appropriate clothing during remote learning.
- Create a schedule with your child and make a commitment to stick with it.
- Structure and routine can greatly help your child from falling behind with assignments.
- Discuss your family's schedule and identify the best times for learning and instruction, as well as family-oriented physical activity, such as walks outside.
- A family calendar or other visuals could be useful for keeping track of deadlines and assignments.

Supporting your scholar's remote learning at home

- Find a space in your home that's free of distractions, noise, and clutter for learning and doing homework.
- This could be a quiet, well-lit place in your dining room or living room or a corner of your home that could fit a small table, if available.

Supporting your scholar's social emotional wellness

- Watch for behavior changes in your child (e.g., excessive crying or irritation, excessive worry or sadness, unhealthy eating or sleeping habits, difficulty concentrating), which may be signs of your child struggling with stress and anxiety.
- Ask how your child is feeling and communicate that what they may be feeling is normal.
- Identify opportunities for your child to be physically active during virtual/at-home learning.
- Reach out to school staff for support.

Family Care Plan

Schools began calling families to assist you in a variety of ways

- Selecting your meal service option
- Technology support
- Locations for remote learning for scholars who need a safe space during the school day
- Determining other areas where you may need support to make sure that you and your scholar are ready for remote learning
- It is very important that each family has an active email account.

Meal Distribution

Families have two meal service options to select from during the remote learning period. Meal pickup begins ***Tuesday, September 8, 2020 from 10:30 a.m. to 2:00 p.m.***

- Scholars will receive a letter in the mail with a barcode they must bring to the meal site to pick up meals.
- If you do not receive your letter in the mail, we can print it for you.
- Families must select one option to follow during the nine-week remote learning period.
- Options are available for all students PreK-12, so the family will only have one pick-up site for meal service.

Meal Distribution

Option 1: Pickup 4 days during the week

- Grab and Go meals service available at all K-8 sites will distribute lunch and breakfast Monday, Tuesday Thursday and Friday.
- On Tuesday, scholars will be given food for Tuesday AND Wednesday.

Meal Distribution

Option 2: Once a week pickup Grab and Go Meals

- Available at 17 High School sites for once a week service of meals
- All Scholars/Families can go to the closest school building to their homes
- Selection option determined through Family Care Plan the school staff are to establish with every scholar/family

School Supplies and other resources

- CMSD has purchased remote learning kits which will include school supplies and ear buds for your scholar to use for the first 9 weeks of remote learning
- You will be contacted when these items are available to pick up from our school

Technology Distribution

- Our district has ordered enough devices for all students. Orders are delayed due to high demand.
- We have begun setting appointments to distribute devices to students based on the information we have at now.
- Our Dean of engagement is calling parents to set up appointments.
- Students who received one in the spring will continue to use them.

If you missed the calls or have not received one, please:

Send a text Message to

(216) 272-7570

State your name.
