

VOLUNTARY COVID-19 Testing OPPORTUNITY

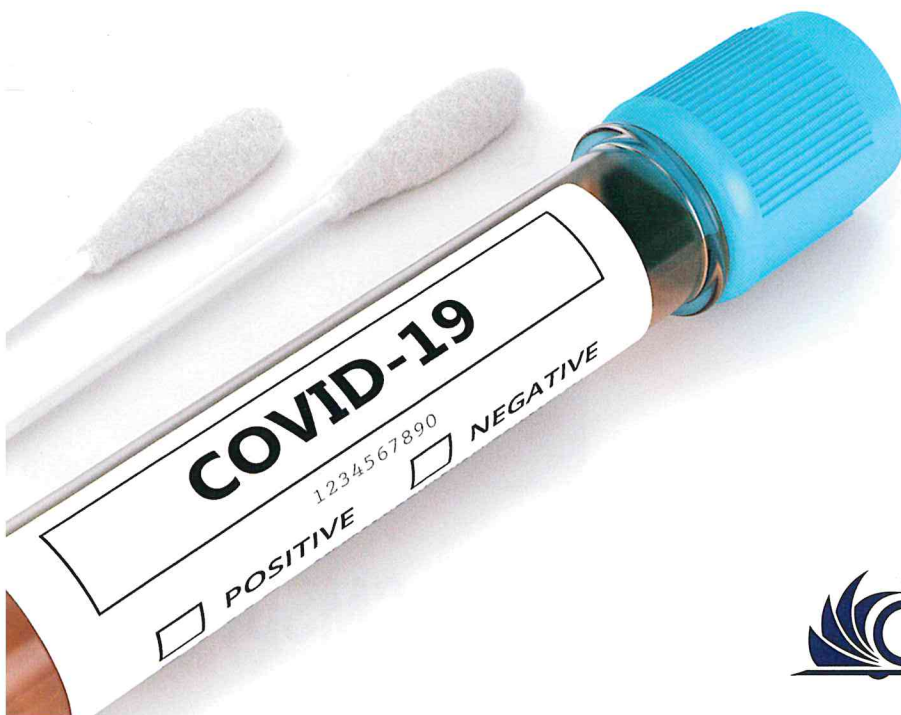

For CMSD Students

Parents or Caregivers, contact your school nurse
for registration information.

Reasons to consider having your child tested:

- Anyone with COVID-19 can pass the virus on to others even if they do not have symptoms
- Testing is FREE, easy and available to all K-12 CMSD students and staff
- Rule out the virus because not every sniffle or cough will be COVID-19
- Minimize unnecessary quarantine and precautionary shutdown measures
- Lower the additional burden on teachers
- Remove the worry about your child attending in-person school and participating in school programs

For questions or concerns related to COVID-19 testing, call our nursing staff at **216.838.9355** or send an email message to **COVID@ClevelandMetroSchools.org** if the line is busy.
