Hello Stonebrook-White Campus Parents and/or Guardians:

I would like to introduce myself. My name is Tiombe Morrow-Cheeks and I am the Parent Ambassador, who will be working closely with you to support parents through the school year. Just a little about myself. I am an educator by trade. I am a wife and the mom of 5 handsome sons. I currently have a son that is enrolled in kindergarten on this campus.

My goal is to ensure that you and your family feel welcome at Stonebrook-White and that your voice is heard. Your suggestions, recommendations, and ideas matter to us, and I will make sure that I act as a bridge with communications between you and the school staff. I'm thrilled to get started this year and look forward to getting to know you and your child better. Together, we'll form a productive school and family partnership which will be the strong foundation of our community.

While your child's teachers and advisors will stay in close contact with you concerning academics and discipline, I will also be communicating with you regularly to provide valuable information about school activities and events. Additionally, my expectations for this school year is to cover topics of interest that concern you as a parent/guardian and help the school to address them. Lastly, we want you to be involved in your child's education; therefore, we will provide you with opportunities to participate in workshops throughout the school year.

Again, I am here to support you and your family throughout your child's educational journey. If you have any questions, please feel free to contact me via email at tiombe.morrow-cheeks@clevelandmetroschools.org or by phone at (216) 206-7273.

I look forward to meeting with all of you soon and making this school year as productive and successful as possible.

Best,

Tiombe Morrow-Cheeks

Parent Ambassador
