Wilbur Wright, scholars participating in the Title I, Part A program, and their families, agree that this compact outline how the family, the entire school staff and the scholar will share the responsibility for improved scholar academic achievement as well as describe how the school and families will build and develop a partnership that will help scholars achieve the state's high standards.

School Goals

Teachers will be utilizing high quality curriculum including Into Math, Into Reading/Literacy, Science Fusion, and TCI for Social Studies. We will strive to achieve 100% engagement for all students when participating in hybrid learning and in person learning. We will ensure all scholars receive differentiated support to increase math and reading achievement (Moby Max). We will use flexible groups, manipulatives (digital and concrete) and technology to ensure student progress.

Wilbur Wright will adhere to all district scheduled Parent Teacher Conferences. Additional Conferences can be scheduled for virtual or in-person by calling the main office.
