## GARDEN GNOME OR FAIRY HOUSE

Upcycle a plastic bottle (bottle from pop, coffee creamer, detergent) and turn it into a fairy or gnome house to put in your yard. This craft requires an adult or older sibling to help cut the bottle with a utility knife and use a glue gun.

## JUNK MAIL COLLAGE

Save this weeks' junk mail- especially the grocery store ads. Cut them up and glue to a larger paper. Use markers or crayons to add details to make silly pictures.

## "FACES EVERYWHERE" PHOTO CHALLENGE

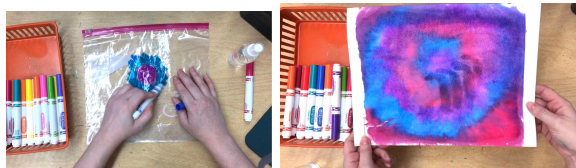

Explore the objects in and around your home. Use your camera app and your artistic sight to find faces on everyday objects or in nature. Look up the 'Faces everywhere' challenge for some inspiration.

## MARKER MONOPRINT

Create a one of a kind artwork called a monoprint using markers, a reclosable plastic bag and a spray bottle of water. If you don't have a spray bottle you can dampen your paper with a sponge or washcloth instead.
