

# ART CHOICE BOARD

## COLLAGE

Cut or tear up scraps of paper, cereal boxes, old birthday cards or magazines. Glue them together to make an interesting picture or design.

## DIGITAL DRAWING

**Middle school;** check out Adobe's new app Fresco. It has tons of new painting options.

**Elementary;** Ask to download Sketches School. This is the free drawing app we use at school.

[Adobe Fresco App](#)  
[Sketches School app](#)

## MARKER PAINTING

Make a drawing using regular washable markers. Use a paintbrush and water (or a Q-tip if you don't have a brush) and gently go over your drawing to turn your marker into paint. Or you can use a piece of plastic wrap as a paint palette like in this video. <https://www.youtube.com/watch?v=W7jviDFYNdk>

## FOUND OBJECT COLOR WHEEL

Collect several objects of each primary and secondary color, arrange in the order of the color wheel and take a photo.

## HOMEMADE DOUGH

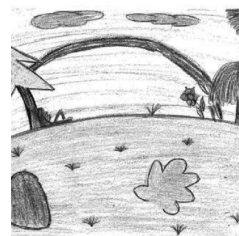

These recipes use ingredients you probably have at home. Make sure you ask first, and clean up after yourself!

[Fluffy cloud dough](#)  
[Salt dough](#)

## NATURE DRAWING

Get outside and observe something in nature. Draw what you see!

Please send a photo of any activity you do! Miss you all~ Mrs. Barry
