## STRAW PAINTINGS

Water down some paints or use food coloring, put a blob of color on the paper and blow on it with a straw to make crazy designs.

## CARDBOARD SCULPTURE

Collect paper towel and TP cardboard tubes, boxes, yogurt containers, anything! Glue or tape together in an abstract way to make a sculpture or make something more realistic like a castle.

## COMIC BOOK PAGE

Create a visual story in the style of a comic book. Draw your favorite characters or create your own (stick people are great for this) and use speech bubbles to help tell the story.

Print a template or just draw your own.
