

ART CHOICE BOARD #3

EMOJI PLUSHIE

Follow the videos to make a plushie with a hot glue gun or sew by hand (yes you can learn to sew). Any fabric will work, like an old t-shirt, and it doesn't need to be yellow. Use cotton balls, tissues, or leftover fabric scraps for stuffing.

TREASURE MAP

Put on your pirate hat and draw yourself a treasure map. You can use a brown paper bag or make your paper look old by painting it with coffee or tea.

TEXTURE RUBBING

Make a collage with a cereal box. Cut shapes out from one part of the box and glue to a bigger piece for the background. Make a picture or an abstract design. Place paper over top and rub with crayon to make rubbing of your collage.

DRAWING VIDEOS

Check out the HUNDREDS of drawing videos on ArtForKidsHub website. Don't forget to add a background to your drawing when you're done.
