Class:

Read Stig's email.

He forgot to capitalize some words.

Find the words and correct them by writing the correct capital letter.

Dear Mr. card,

Thank you for letting us visit daisy park. It was so pretty.

We would like to come back on arbor day to help you plant trees.

We thought they would look good along the banks of holly river.

We can put the trees in Granny's tuff stuff 150 truck.

Sincerely,

Let us know if that works.
