

# BRANCHING OUT:

## EMPOWERING EDUCATORS TO EMBRACE OUTDOOR LEARNING

Join us for a 4-day educator workshop this summer exploring outdoor lesson plans, resources, and project ideas. Learn how you can use correlated environmental education curricula and resources (including funding avenues) to re-energize your students and improve learning outcomes.

- Project Wild, Aquatic Wild, Wonders of Wetlands & Project Learning Tree certifications and curriculum guides
- Educator tours of the Watershed Stewardship Center and the University of Akron Field Station
- Visit to the Cleveland Lakefront Nature Preserve and Rockefeller Park & Greenhouse
- 1 graduate credit from Ashland University is available upon completion for an additional \$185. Scholarships may be available for Cuyahoga County teachers.

### Workshop Includes

#### Workshop Dates

**June 10-13,  
2024**

#### Cost

**\$50\***

various locations around  
Cuyahoga & Summit County

\*Project Wild and Aquatic Wild guides are provided free-of-charge by the ODNR- Division of Wildlife
