

FOR ALL JACCA STUDENTS

2022/2023 School Year

DRESS CODE

The responsibility for the dress and appearance of a student rests primarily with the student and their parents or guardians. In the interest of maintaining a safe and healthy learning environment, the district believes in the following basic principles:

- All students are encouraged to dress in a manner that is appropriate, comfortable and conducive to an active academic school day.
- Students should be able to wear clothing without fear of or actual unnecessary discipline or body shaming.
- The student dress code should serve to support all students to develop a body-positive self-image.
- The district standard dress and appearance policy is gender neutral and applies to all students equally regardless of gender on school campuses and at school-sponsored functions and will be enforced consistently and fairly by all members of the school staff.
