

Family School Compact School Year 2021-2022

Cleveland School of the Arts students participating in the title I, Part A program, and their families, agree that this compact outline how the family, the entire school staff and the students will share the responsibility for improved student academic achievement as well as describe how the school and families will build and develop a partnership that will help children achieve the State's high standards.

School Goals

CSA's AAP goals are measured via Performance Index, College Readiness, and SEL.

CSA teachers will prepare scholars to reach these goals through OST and SAT prep and practice tests and strategies.

Students will participate in advisory and electives that support social emotional learning and teachers will receive PD to help develop SEL embedded in the classroom.

Parent/Teacher Conferences will occur quarterly. Cleveland School of the Arts agrees to share data and progress toward school goals at PAC meetings and PTC's.
