## Happy Friday Riverside Family!

We have made it half way through OST testing for this school year. We are so proud of our scholars and how hard they are working on each test. Our scholars are focused, using their strategies, and taking their time. Thank you again to all the families that are ensuring students are ON TIME, WELL RESTED, and READY TO GO on their test days. We appreciate your partnership during the testing season.

As the year winds down, please continue to pay special attention to all information going home about end of year events and field trips. Check book bags, folders, and emails for any important information coming your way.

Have a wonderful weekend Riverside Families! Create a great memory!

### **DISMISSAL SAFETY REMINDER**

When picking up your child, please **DO NOT** direct them to walk in front of cars or in between cars in order to get in vehicles. Please ensure you are parked along the curb when picking up your child. This is for the safety of all of our students and families.

The goal of our dismissal is to get all students home safely in a timely fashion. When cars stop in the middle of the road waving students to get in the car this poses serious safety concerns. Please follow our dismissal guidelines and expectations.
