- Students will be outside for a majority of the day. Students are permitted to dress down in shorts, t-shirts, and sneakers and hats. NO SANDALS, CROCS, OR REVEALING clothing will be permitted.
- Students should come to school with sunscreen already applied
- Students should bring a water bottle to make sure they are staying hydrated (Please place child's name on the water bottle). Students will be able to refill.
- School lunch will be provided for all students. Students are still permitted to pack their own healthy lunch, if desired.
- This is a rain or shine event. In the event of rain, certain activities will be moved indoors
