## Happy Friday Riverside Families!

We could not of asked for a more beautiful 5 days this week! The sun was shining each afternoon and the scholars enjoyed the weather playing football, jump roping, running, and playing on the playground! Only if we could keep this weather all winter long!

Our soccer team and volleyball teams continued on their winning streaks this week beating their competitors! The Riverside Athletic Department is here to compete and we LOVE IT! Shout out to the coaches and the student athletes who continue to represent Riverside.

Thank you to those families who have donated candy, pencils, slime, tattoos, and stickers for the parade. We are still in need of a lot more candy and treats for our event. Your child can deliver the candy to their homeroom teacher who will mark them down for bringing it in. We will not distribute dress down passes until October 31st so that students do not lose them. If an adult is dropping off the donation, please give to Ms. Edelbergs and she will send a message to the teacher. Last year our families donated all the candy and treats we needed for the kids to get about 30 pieces on their trip around the school. Please help us reach our goal.

Have a wonderful weekend Riverside families!  
GO BROWNS!

### Fit Owl Facts

Hello fellow Owls and owlets! Are you often confused about what form for what medicine or health issue? Are you not sure whether to believe your neighbor about the newest diet, exercise, or food fad? Are you not clear when to send your child to school or keep them home?

Well, Mrs. Upperman, RN, your School Nurse will publish the real facts about family and public health here in The Riverside Review weekly newsletter. Stay tuned and watch for the "REAL HOOT" on hot health topics, such as immunizations, exercise, nutrition, heart health, seasonal allergies, hand washing, oral care, and more!

**WEEK 1 REAL HOOT** fact seems like common sense, but I know you wise owls already know that being healthy and having healthy habits lead to success in school. The CDC confirms your suspicions on a web page that talks about studies done of the 2015 Youth Risk Behavior Scale in 2017, that definitely show the deep link between good Health and Academic success. Check their website out for more information--

## *Dismissal Safety Reminder*

### **Morning Drop Off**

Please see the following:

- Do not park in the staff lot, unless there is an available parking spot. If dropping your child off, you must find a legal street zone to park in. Blocking teacher cars and illegally parking in the lot will not be tolerated. In the case of an emergency, vehicles would not be able to enter our lot. Please adhere to these rules!
- Starting on Monday, all parents must use the Montrose Main entrance and report to the office to sign in. No parents will be permitted to use the Glencliff Ave entrance. All parents must drop their children off at the cafeteria doors.

### **Afternoon Dismissal**

Please see the following:

- When picking up your child, please **DO NOT** direct them to walk in front of cars or in between cars in order to get in vehicles.
- Please ensure you are parked along the curb when picking up your child. This is for the safety of all of our students and families.
- If picking up on the Glencliff side, all cars must be parked in legal spots and walk to get your children
- All students **MUST** use the crosswalk. Please do not direct your child to cross in the middle of the street

The goal of our dismissal is to get all students home safely in a timely fashion. When cars stop in the middle of the road waving students to get in the car this poses serious safety concerns. Please follow our dismissal guidelines and expectations.
